Trustees' Annual Report for the period

From 2 July 2024 to 1 July 2025

Charity name: Standards Authority for Touch in Cancer Care ("SATCC")

Charity registration number: 1201728

Objectives and Activities

To promote and protect the physical and mental health of people in the UK who have received a diagnosis of cancer by providing standards for the training of touch therapists in all areas relating to cancer, and providing accreditation, with the aim of enabling the spa and wellness sector to offer touch therapy for people living with cancer.

Our aim is to provide 4 things:

1. A direct means for consumers to find SATCC approved, safe and welcoming salons, spas and therapists who offer treatments for those touched by cancer.
2. A register of SATCC approved training providers for salons, spas and therapists to further their cancer education.
3. A trusted source of inspiration, research & guidance for those scouring the internet.
4. A register of SATCC approved accrediting bodies who comply with SATCC standards.

We confirm we have had regard to the Charity Commissions guidance on public benefit.

Achievements and Performance

In this second year of the charity the focus has remained on establishing standards for training therapists, identifying and establishing a cadre of accredited training providers, and developing an easily accessible and useful website. The charity has also worked on raising its profile and general awareness of the benefits of SATCC approval.

Financial Review

- Income of £63,875 was received thanks to generous donations, with Gift Aid
- Expenditure in the period totalled £40,361 (this included full repayment of the £10,000 loan taken out in the previous, first period).

- The bank balance at the end of the period was £28,222
- Based on the healthy cash position, continuing commitments of donations, and combined with the expectation of generating income from annual subscriptions, the trustees are confident of the charity's ability to continue as a going concern.

Structure

The charity is a Charitable Incorporated Organisation, governed by the trustees in accordance with the charity's constitution.

All trustees are individuals who have been selected carefully to cover a range of skills and experience.

The trustees received no remuneration in the period and the charity has no employees, but does use some freelance administrative services.

Achievements and Performance

In this first period since establishing the charity the focus has been on establishing standards for training therapists, identifying and establishing a cadre of accredited training providers, and developing an easily accessible and useful website.

Financial Review

Expenditure in this period was kept to a bare minimum as no donations were accepted pending successful registration for GiftAid, achieved in March 2024. Actual income of £5,765 was received as a result of the charity providing some consultancy advice. Expenditure in the period totalling £11,056 was partly funded by an interest free loan of £10,000 (based on committed future donations) leaving a bank balance at the end of the period of £4,708.

Whilst technically in deficit at 30 June 2024, subsequent donations have enabled full repayment of the loan, and funded continuing expenditure. Based on continuing commitments of donations, combined with the expectation of generating income from annual subscriptions, the trustees are confident of the charity to continue as a going concern.

Structure

The charity is a Charitable Incorporated Organisation, governed by the trustees in accordance with the charity's constitution.

All trustees are individuals who have been selected carefully to cover a range of skills and experience.

The trustees received no remuneration in the period and the charity has no employees, but does use some freelance administrative services.

	Appointed:
Sue Harmsworth	23 January 2023
Amanda Winwood	23 January 2023
Diane Hey	23 January 2023
Neil Carpenter	23 January 2023

Nb Since the end of the period, Neil Carpenter resigned on 10 July 2024, and Kelly McCabe and Nigel Morland were appointed as trustees on the same date.

Approved by the trustees on 29 April 2025
