**Section C Objectives and activities**

**Summary of the objects of the charity set out in its governing document**

The advancement of education for the public benefit in Nottinghamshire, in horticulture and related subjects, by lectures, demonstrations, discussions and visits to horticultural sites of interest.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our Trustees meetings.

The club has continued to hold monthly meetings, which are open not only to members, but also to the general public, with an educational speaker on horticultural or related subjects. In the summer months the meetings take the form of an open garden function and visits to sites of horticultural interest.

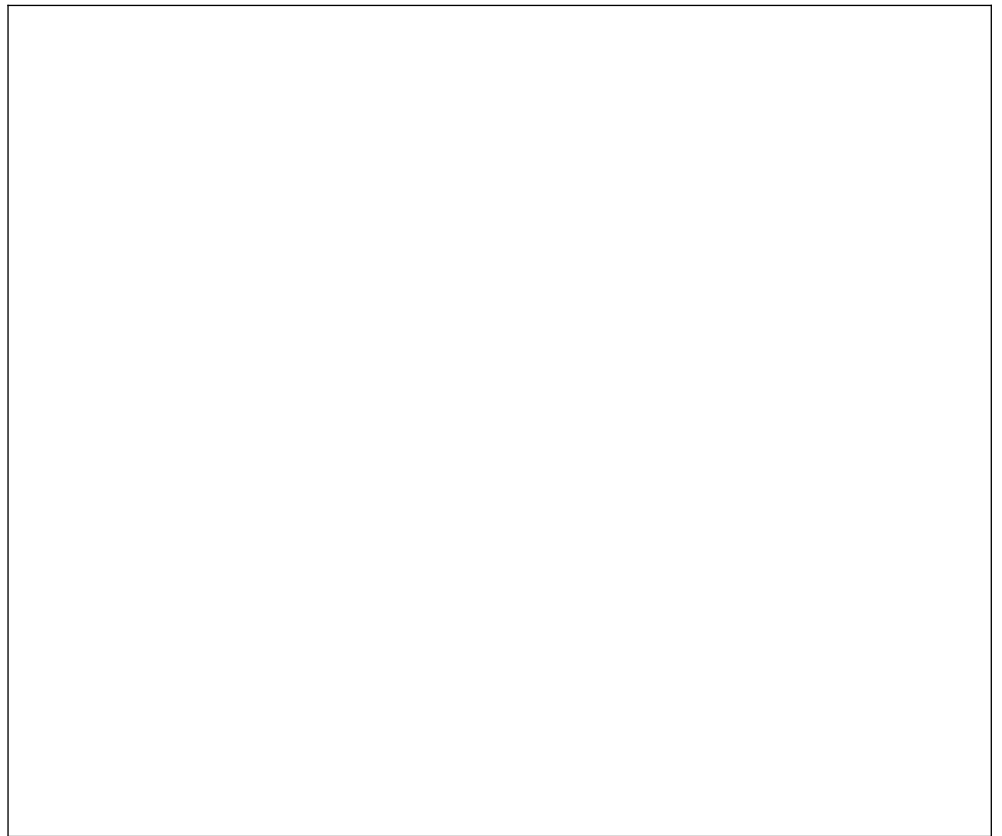

The club members also work with local schools, giving and helping the children with their gardening projects, as required.

The club has a local Facebook site and publishes gardening advice, when requested.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section D

## Achievements and performance

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

In December we hold a social meeting at which Christmas decorations, such as table garlands are made by participants. This event is advertised widely, and is very popular.

The club have organised trips to RHS sites for club members and visitors.

The club has built up strong links with other local clubs.

Two members were invited by a local gardening club, to be the experts on a question and answer session. It was so successful, that they have been invited again next year.

One of the members is a Parish Councillor and gives advice on horticulture to the Parish Council. This Parish Councillor set up a Community Garden, which is thriving and well used, within the community.

## Section E

## Financial review

**Brief statement of the charity's policy on reserves**

Policy is to have sufficient funds to maintain the Club's activities for 18 months. At the end of the year the reserves were £2991.28 split between a current account and cash in hand and it is felt that this will cover the base running costs for more than 18 months.

**Details of any funds materially in deficit**

**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Sources of funds this year have been from membership fees, provision of refreshments at meetings, plant sales and raffles. We have also benefited from a donation from the local Parish Council.

The majority of the income pays for renting the premises in which we hold our activities, and also the speaker fees.
