Activities

Objects: THE PURPOSE OF THE CHARITY IS TO ADVANCE THE CHRISTIAN FAITH IN ACCORDANCE WITH THE DOCTRINAL BASIS PRIMARILY BUT NOT EXCLUSIVELY IN LONDON INCLUDING BY ESTABLISHING A PARTNERSHIP OF BIBLE CENTRED CHURCHES IN LONDON WORKING TOGETHER TO TRAIN CHRISTIAN LEADERS, STRENGTHEN AND PLANT CHURCHES; AND TO SUPPORT EACH OTHER IN ADVANCING THE GOSPEL OF JESUS CHRIST.

Activities: We promote partnership between gospel churches, across all denominations and networks, to reach London for Christ. As well as wanting to work together at a local level, we run several events each year: a one-day annual conference to equip church leadership teams, a residential conference to equip preachers and an afternoon to gather together to pray for London.

Our structure

The LGP resources churches for mission and so has:

a) a **Board of Trustees** comprised of evangelical leaders (who represent several London church networks and none) who are theologically aligned. From this committee a Chair is chosen as well as additional Chairs for each Event Executive. To enable genuine discussion, this group will number from 6 to 12 (with a non-voting administrator where required) and will meet termly. Initial appointments will be reviewed after three years.

b) **Event Executives** who organise the three different events run by LGP. The Chair of each Event Executive will recruit members from a range of churches who bring skills in delivering on the brief provided by the Trustees.

Our activities and objectives in the year

We continued to provide our three main events of the year: an Annual Conference in March (to equip church leadership teams for effective gospel ministry); a three-day residential Preachers Conference in April (to equip regular preachers to faithfully proclaim the Word of God); and a half-day Pray for London Gathering in October (to pray together for gospel outreach in London).

In addition, our partnership had the additional objective of providing a valuable opportunity to foster working relationships across denominations and networks, as well as across the whole London area and between large and small churches.

Our achievements and performance

All three of our events took place successfully and those who attended – from local churches across London – appreciated being equipped further in the task of bringing the gospel to the diverse communities of London. We also continued to provide a means for growing relationships between the different churches of our partnership.

In addition, we made numerous organisational changes over this period, the most important of which were setting up our own bank account rather than having our funds held in a separate bank account by St Helen Bishopsgate; moving our web site from Fluro to WordPress; and using a booking site for future ticketing to our conferences and events.

Our financial review

Our funding was drawn entirely from contributions from our larger partner churches, though we also made a small surplus on ticket sales from the Annual Conference and Preachers Conference. Our Trustees gave their time voluntarily, but a part-time administrator was employed on a freelance basis to oversee the day-to-day running of our charity.

Our finances show an opening balance of £2,080 with total income of £8,248 and expenditure of £7,401, leaving a closing balance of £2,928.

Tim Manson (chair – London Preachers Conference)
Leonora Ledgister (finance)
Brian O'Donoghue
Santhosh Thomas [*Term ending*]
Jason Roach (chair – Pray for London) – FOR RE-ELECTION
- c. Financial update for year ending 31 Dec 2023:

2023 shows an opening balance of £2,058 with total income of £14,253.99 and expenditure of £8289.01 leaving a closing balance of £8,022.98. Against this there are further estimated adjustments of £7,930 to be made as shown at the end of document LGP 01 2023 – leaving a closing balance of just £92.87.

Given the potential small closing balance, a partner church has kindly assured us that the conference costs due in 2024, notably the Ashburnham second deposit, will be covered either by them or by deferring the allocation of financial adjustments.
