Senior Leader's Overview

April 2024 to March 2025 has been a year of growth and progress for Emmanuel Church Sheffield. Having officially moved from being a church to a church plant in the previous year, the first part of this year felt like one of strengthening foundations that led to us taking some big steps forward in the second part of the year.

A significant move for this year was relocating our Sunday meetings from the dance studio on Arundel Street to All Saints Catholic High School. We had outgrown the dance studio, with limited space for both children's groups and our main gatherings. After a long search, much prayer, and several disappointments, we were thrilled to secure All Saints Catholic High School as our new Sunday venue. The school has been very welcoming of us hiring the space and the bigger hall and other classrooms available allows us plenty of growing room as we look ahead. Following the move, we fairly quickly saw our average Sunday attendance grow from 80 to over 100 including children.

In terms of leadership at Emmanuel, throughout the year, we had a leadership team of Faith Oyegbile, Roger Mason, Jude May and me. I had become an Elder (our most senior church leaders) the previous year and in January Roger Mason was also prayed into Eldership, on a Sunday with the help of Matt Partridge from our wider Catalyst network. Our Trustee team was the same throughout the year – Alison Hattam, Ben Bradbrook, Ben Leach and me.

Our staff team has grown significantly this year. In September, we said a big thank you to Deborah Awolola as she completed her time as our administrator. We are deeply grateful for her hard work and delighted that Deborah and her family remain an active part of the Emmanuel community.

In November, we welcomed two new part-time staff members: Lottie Pask, who oversees operations, and Vicki Stone, who leads communications. Both have made an outstanding contribution, ensuring Emmanuel runs smoothly and enabling us to achieve so much together as a church family.

A major source of celebration was seeing 5 people baptised. All 5 had incredible stories of how God had been worked in their lives and how they had become Christians. The Emmanuel church family had played a privileged role in helping all them take these steps.

Throughout the year, there were some major highlights. Catalyst festival was a big highlight of the year. Joining with lots of other churches and in our network to worship, hear great teaching, enjoy time together at Stafford Showground over the August bank holiday weekend. Another would be running Alpha in Gerry's Bakery in Walkley, we had a wonderful group of people attend the course learning about Jesus and what the Christian faith is all about.

We are seeking for Emmanuel to be a loving and health church family. We often speak about continuing to grow in and maintain our cultural values of honour, courage and generosity. As we grow, mid-week groups meeting in homes across Sheffield have become even more vital for building this type of community. Our leaders do an incredible job in modelling what we are going for together.

An amazing example of generosity the Emmanuel church family has shown was seen in our annual gift day, where we gave away £15,000 to fund a local Christians Against Poverty Debt Centre and to help fund a major conference for leaders in Catalyst working in Muslim majority nations.

Moving venues, our continued numerical growth as a church and an increase in events we run have required significant time and energy to be invested from many different volunteers, leaders and staff who have served so beautifully to make it all happen. We are also grateful for the financial generosity so many in our congregation has shown, to make this all possible.

Summary of the objects of the charity set out in its governing document

The main objectives of Emmanuel Church Sheffield are the advancement of the Christian religion in accordance with its statement of beliefs and the relief of any charitable need as the Trustees shall determine.

As the primary means of furthering these objectives, Emmanuel Church Sheffield wants to help people meet Jesus. To encounter God's life-transforming presence, know His peace and flourish in His purposes. We desire this not just for individuals, but our dream is to play our part in seeing the communities of Sheffield flourish.

The church's strategy for working out our above vision, and fulfilling its charitable objectives, focuses on the activities undertaken through its various ministry areas, considering the following overarching principles:

- **Encountering God's presence**

We want to provide a great environment for people to connect with God, to encounter his life transforming presence. And we think that the best way to do that is with others, both through our Sunday church meetings and throughout our city in our Mid-Week Groups. We also hold monthly worship and prayer meetings, which allow extend time to enjoy God's presence while worshiping together.

- **Knowing God's peace**

Peace in the bible is so much more than just tranquillity or the absence of war, it's about wholeness and being fully complete not on our own, being made whole and complete in Jesus. We seek in our teaching on Sundays and in our mid-week groups to help equip people to know this peace.

- **Seeing Sheffield flourish**

As a church we want to see Sheffield flourish, and we want to play our part in that by connecting faith with everyday life. Working closely with our friends at other churches in the city, we want to help make Sheffield a better place to live and work. We are and want to increasingly support projects and people who are trying to make life better for everyone – particularly those facing poverty. We also want support other seeking to do similar things in other parts of the UK and around the world.

We are also passionate about working in partnership with other churches and organisations within Sheffield and the UK. The groups we work with include:

- Catalyst – within Newfrontiers we are a part of Catalyst, a network of churches aiming to make disciples in the nations of the world: www.catalystnetwork.org
- Newfrontiers – we are part of Newfrontiers, a family of around 1,000 churches in over 80 different nations: www.newfrontierstogether.org
- Emmanuel Church Oxford – our sending church, they continue to pray for us and support us in many ways and we are part of the same wider networks as us - Newfrontiers and Catalyst (see above). <https://www.emmanueloxford.org>
- Evangelical Alliance – we are members of the Evangelical Alliance, the umbrella body representing the UK's two million evangelical Christians: www.eauk.org
- Arise – we are actively part of Arise, a prayer and mission movement that invites believers in Sheffield to live their faith more freely. It involves over 100 churches in Sheffield. <https://www.arisesheffield.org>

The work of Emmanuel Church Sheffield relies on the commitment and hard work of its Leadership team, three staff and many volunteers, as well as the sacrificial financial giving of church members. We could not achieve what we do without the large amounts of time and energy invested by our volunteers.

Public Benefit

When planning activities for the period and the services available to the local community, the Trustees ensure that they have due regard to the public benefit guidance published by the Charity Commission. The Trustees affirm their commitment to the public benefit and continue to see how this can be developed.

Summary of the main achievements of the charity during the period

During the period to 31st March 2025, the church undertook the following activities:

Sunday Services

Our Sunday services provide an environment in which people can encounter God's presence and grow spiritually. The church has maintained its aim to present a rounded teaching programme in keeping with the church's vision, and the church has also been served excellently by several visiting speakers.

The Trustees want to place on record their sincere thanks to all those who served the church so brilliantly in providing high quality weekly services for both adults and children.

Our standard format of service comprises worship, notices and teaching, However, we have regularly celebrated communion, held baby dedications and adult baptisms.

We have had times of corporate prayer and have heard from lots of our church family on various topics. Our Sunday services are promoted public on our website and social media platforms they are open and accessible to everyone.

Children

Children and young people are a crucial part of the life of the church. Dani Bradley and Hannah Cooper, our volunteer leaders of our Children's team, have led brilliantly. They together have provided high-quality weekly groups for our children. We moved during the last year from having one group to two groups.

We are committed to nurturing and safeguarding our children and young people. All our children's workers are required to undergo a Disclosure and Barring Service Check and complete relevant safeguarding training.

Also, during this year, a BIBS (Baby Interrupted Bible Study) started and has run very successfully, providing excellent opportunity for those with little ones to find support from God and one another as they pray and study the bible together.

Emmanuel Mid-Week Groups

We have had 7 groups meeting on Wednesday nights around the City. Our groups are crucial in helping create a space where we can help each other grow in our Faith. The groups meet to study the bible, pray, socialise, provide other training and encourage each other. We encourage the groups to take part in 'Discovery Bible Studies', a very simple way of reading and studying the bible together that makes it possible for anyone who comes to get involved. Groups also play a key role in helping make sure we are caring pastoral for all in the Emmanuel community. We encourage everyone who comes to Emmanuel to join a group.

Prayer and Worship

Prayer and worship play an essential part in our church life. We pray in our Sunday gathering and Mid-Week Groups take time to pray time they meet. In addition to this, once a month on Wednesday evenings our groups take a week off and we have a special prayer and worship time all together.

Our monthly prayer and worship meetings are always very significant times together as a church, we have chance to pray for a wide range of areas. We are encouraged by the number of people who make a real effort to attend these times. Our prayer and worship meetings are open for anyone to join us.

Alpha

Alpha is a programme exploring the Christian faith in an open-minded and welcoming environment. Each session includes a short video and a time of discussion in which the group can share their thoughts and questions about what they have heard. Alpha, is free and open for anyone to sign up and come along to.

In the last year the church has run the Alpha course in Gerry's Bakery over 9 weeks in February and March. We were delighted to have 12 wonderful guests on this course exploring faith in Jesus.

We ran this course in partnership with other churches in Arise network across Sheffield, working together to advertise and promote all our courses starting at the same time.

STEPS

STEPS is a powerful discipleship course designed to help people overcome unhelpful patterns of thought and behaviour. Over 12 weeks it leads people on a journey towards greater freedom. It's a brilliant course that is open for anyone to come along to. STEPS is a free course and open for anyone to attend.

18 people did this course with us in September-December 2024, many found it highly beneficially, with many great stories of the difference it made for people.

Pastoring

At Emmanuel, we want to take care of each other in the ups and downs of life. We seek to provide such support and encouragement through our group leaders and leadership team. We seek to ensure that our group leaders don't get isolated and know when they should seek help and who on the leadership team, they can seek help from.

Students and Young Adults

We have a good number of students and young adults who are involved in lots of areas in the life of the church, we love giving opportunities for them to use their gifts and passions in the church.

During the last year, our Young Adults team have provided monthly meetings for young adults to gather, encourage each other, pray, worship together and socialise. They have also been on a weekend away alongside Emmanuel Church Oxford.

Serving teams

We have many volunteers who serve on various teams to make all that Emmanuel does possible. As well as serving others, teams are a great way for people to get to know others in church and for people to get use giftings God has given them.

Our current teams include:

- **Children** – our children's teams serve our children in our weekly Sunday meetings.

- **Host** – the host team helps to get our venue ready for our Sunday services and makes sure everyone feels welcome and comfortable at our Sunday gatherings and helps with communion.
 - **Tech team** – this team sets up and runs the PA system, projects the visuals, working alongside the worship team.
 - **Emmanuel Mid-Week Group Leadership** – this team is responsible for leading our Mid-Week Groups and does an excellent job in making sure that the groups achieve their aims.
- Other serving areas include** – Alpha course, STEPs course, student and young adults' team, Football ministry team.

Catalyst

Being part of Catalyst enables us to maintain meaningful relationships with churches in the UK and overseas. Catalyst also provides access to training, mentoring and support for leaders and individuals at Emmanuel. In the last year we have taken our leadership team to training days and our staff team have benefited from prayer, training and relationship building days. We have also sent three of our younger leaders on a two-year Leadership and Theology training programme with Catalyst and 6 others have started Train1000 a Church planting training programme.

The whole church has benefited as well from gifted guest speakers from other Catalyst churches coming to preach in last year.

Supporting Catalyst financially is important in furthering our objectives, particularly in that we want to be a church that supports other churches, social action and the planting of new churches in the UK and around the world.

Catalyst Festival

Over the August 2024 bank holiday weekend, many of us attended the Catalyst Festival alongside thousands of others from our church network. It was an incredible time of teaching, worship, and prayer, as well as a wonderful opportunity to deepen relationships within our Emmanuel family. This event takes place every two years, but this one was particularly special—it was the first since COVID and our first ever Catalyst Festival as a church. Remarkably, it was at the previous festival in 2018 that the idea of planting Emmanuel first began to take shape!

Football Ministry

We run a weekly football ministry in the Hillsborough area; this is open for anyone to attend, for a small weekly contribution to the cost of hiring a pitch. Often the ministry sees as many as 18 attendees, primarily men from the local community. Each week, the session begins with a short talk and discussion.

Arise

We have continued to be heavily involved in Arise, a local prayer and mission movement involving over 100 churches in Sheffield. Many in Emmanuel got involved in the prayer walking that takes place each year in March. We also got involved in Streets of Light, decorating our windows with messages of light, peace and hope over Halloween. We also make being at the monthly church leader gatherings a priority.

Section F

Financial review

Brief statement of the charity's policy on reserves

The charity aims to keep unrestricted reserves equivalent to approximately three months of ongoing expenditure. The Board considers such a level gives reasonable security to staff expecting monthly payments.

Review of financial performance

During the period, receipts amounted to £154,098 (2024: £136,482). The primary component £151,567 (2024: £134,526) related to donations from church members and visitors.

Internal controls and risk management

The Trustees have overall responsibility for the charity's internal controls and risk management procedures.

The Trustees recognise that the nature of some of the church's work requires acceptance and management of some risk in order to achieve its charitable objectives, and are satisfied that systems and controls in place are sufficient to monitor, manage and mitigate the church's exposure to these risks.

The Trustees regularly review any significant risks facing the church and this review will continue in the coming year.

All major insurable risks are subject to normal churches and employers' insurance. Any contracts entered into on behalf of the church are reviewed before execution to ensure that they do not significantly impact the church's ability to fulfil its objectives.

Senior Leader's Overview

Our first year as an official charity has been a very significant one for Emmanuel. We launched as a church plant in September 2020, initially we were part of Emmanuel Church Oxford's charity, until in February 2023 we established our own charity. This was the year we became an established church with an exciting future ahead of us.

We have come a long way since we launched with 15 of us on Zoom in the middle of a global pandemic. During this last year, we continued to grow often gathering over 80 of us including children on a Sunday. We have not only continued to grow numerical and grow in how we are serving our city together, but we have also continued to deepen our sense of community. We have spent a lot of time over first few years speaking about our vision and how we are seeking to build a loving and healthy church family.

One of the highlights of the last year has been our growing number of mid-week groups. Our leaders have done an excellent job at supporting and equipping those in their groups. Groups are proving to be essential; they are helping to ensure that as we grow numerically, we build strong relationships and community. In the term leading up to Christmas 2023, we did the Alpha Course in all our groups, we received lots of positive feedback about this.

During this year we have seen a growing numbers of families with young children joining us. We have started in the last year an additional children's group on Sunday mornings. The team leading this are doing a fantastic job and the children enjoy the group time.

In terms of leadership at Emmanuel, we currently have a leadership team of Faith Oyegbile, Roger Mason, Jude May and me. During this year, I had the honour of becoming our first Elder. Into the future we plan to add more Elders. We started the year with three Trustees Ben Bradbrook, Ben Leach and me; we were delighted to add Alie Hattam as a Trustee early in the year as well. In November, Deborah Awolola joining our staff as a part-time Administrator, this has made a huge difference to the smooth running of the church and ensuring we are communicating well with everyone at Emmanuel.

When we first started Emmanuel in September 2020 we operated as part of Emmanuel Church Oxford's charity, until we established our own charity in February 2023. Most of the initial team had courageously moved from Emmanuel Oxford to start Emmanuel Sheffield. The support of Emmanuel Oxford has been invaluable, they gave us a very generous financial gift at the start that has been vital in getting the church established. While we are now our own charity, we continue to have a strong relationship with Emmanuel Oxford. They continue to pray for us and support us in many ways, their senior leader, Matt Partridge continues to provide mentoring and support to myself and comes to preach at Emmanuel regularly.

Along with Emmanuel Oxford we are actively part of the Catalyst Network of churches. Through Catalyst we can build meaningful connections with many like-minded churches in the UK and around the world. It also provides great opportunities for equipping of our leaders and wider congregation to help us fulfil our objectives and vision.

This year hasn't been without challenges, several of our leadership team and a spouse of a trustee have spent time in hospital. This has at times been very challenging, but the church has responded courageously to this, and we have supported one other beautifully and with great generosity of heart.

A church doesn't go from 15 to over 80 without significant time and energy invested from many different volunteers who have served so beautifully to make it all happen. We are also grateful for the financial generosity so many have our congregation has shown, to make this all possible.

Summary of the objects of the charity set out in its governing document

The main objectives of Emmanuel Church Sheffield are the advancement of the Christian religion in accordance with its statement of beliefs and the relief of any charitable need as the Trustees shall determine.

As the primary means of furthering these objectives, Emmanuel Church Sheffield wants to help people meet Jesus. To encounter God's life-transforming presence, know His peace and flourish in His purposes. We desire this not just for individuals, but our dream is to play our part in seeing the communities of Sheffield flourish.

The church's strategy for working for our above vision, and fulfilling its charitable objectives, focuses on the activities undertaken through its various ministry areas, considering the following overarching principles:

- **Encountering God's presence**

We want to provide a great environment for people to connect with God, to encounter his life transforming presence. And we think that the best way to do that is with others, both through our Sunday church meetings and throughout our city in our Mid-Week Groups. We also hold monthly worship and prayer meetings, which allow extend time to enjoy God's presence while worshiping together.

- **Knowing God's peace**

Peace in the bible is so much more than just tranquillity or the absence of war, it's about wholeness and being fully complete not on our own, being made whole and complete in Jesus. We seek in our teaching on Sundays and in our mid-week groups to help equip people to know this peace.

- **Seeing Sheffield flourish**

As a church we want to see Sheffield flourish, and we want to play our part in that by connecting faith with everyday life. Working closely with our friends at other churches in the city, we want to help make Sheffield a better place to live and work. We are and want to increasingly support projects and people who are trying to make life better for everyone – particularly those facing poverty. We also want support other seeking to do similar things in other parts of the UK and around the world.

We are also passionate about working in partnership with other churches and organisations within Sheffield and the UK. The groups we work with include:

- Emmanuel Church Oxford – our sending church, they continue to pray for us and support us in many ways and we are part of the same wider networks as us - Newfrontiers and Catalyst (see below).

- Newfrontiers – we are part of Newfrontiers, a family of around 1,000 churches in over 80 different nations: www.newfrontierstogether.org

- Arise – we are actively part of Arise, a prayer and mission movement that invites believers in Sheffield to live their faith more freely. It involves over 100 churches in Sheffield. <https://www.arisesheffield.org>

The work of Emmanuel Church Sheffield relies on the commitment and hard work of its Leadership team, two staff and many volunteers, as well as the sacrificial financial giving of church members. We could not achieve what we do without the large amounts of time and energy invested by our volunteers.

Public Benefit

When planning activities for the period and the services available to the local community, the Trustees ensure that they have due regard to the public benefit guidance published by the Charity Commission. The Trustees affirm their commitment to the public benefit and continue to see how this can be developed.

Summary of the main achievements of the charity during the period

During the period to 31st March 2024, the church undertook the following activities:

Sunday Services

Our Sunday services provide an environment in which people can encounter God's presence and grow spiritually. The church has maintained its aim to present a rounded teaching programme in keeping with the church's vision, and the church has also been served excellently by several visiting speakers.

The Trustees want to place on record their sincere thanks to all those who served the church so brilliantly in providing high quality weekly services for both adults and children.

Our standard format of service comprises worship, notices and teaching, However, we have regularly celebrated communion, held baby dedications and adult baptisms.

We have had times of corporate prayer and have heard from lots of our church family on various topics. Our Sunday services are open and accessible to everyone.

Children

Children and young people are a crucial part of the life of the church. Martha Taylor, Dani Bradley and Hannah Cooper, our volunteer leaders of our Children's and Youth team, have led brilliantly. They together have provided high-quality weekly groups for our children. We moved during the last year from having one group to two groups.

We are committed to nurturing and safeguarding our children and young people. All our children's workers are required to undergo a Disclosure and Barring Service Check and complete relevant safeguarding training.

Emmanuel Mid-Week Groups

We have 6 groups meeting on Wednesday and Thursday nights. We started in the last year a new online group; this group uses Zoom and enables people who can't make a group in person to take part. Our groups are crucial in helping create a space where we can help each other grow in our Faith. The groups meet to study the bible, pray, socialise, provide other training and encourage each other. We encourage the groups to take part in 'Discovery Bible Studies', a very simple way of reading and studying the bible together that makes it possible for anyone who comes to get involved. In the term leading up to Christmas 2023, we ran the Alpha Course in all our groups, and received lots of positive feedback about this.

Prayer and Worship

Prayer and worship play an essential part in our church life. We pray in our Sunday gathering and Mid-Week Groups take time to pray time they meet. In addition to this, once a month on Wednesday evenings our groups take a week off and we have a special prayer and worship time all together.

Our monthly prayer and worship meetings are always very significant times together as a church, we have chance to pray for a wide range of areas. We are encouraged by the number of people who make a real effort to attend these times. Our prayer and worship meetings are open for anyone to join us.

Alpha

Alpha is a programme exploring the Christian faith in an open-minded and welcoming environment. Each session includes a short video and a time of discussion in which the group can share their thoughts and questions about what they have heard. In the last year the church has run the Alpha course in all of our Mid-week groups.

Pastoring

At Emmanuel, we want to take care of each other in the ups and downs of life. We seek to provide such support and encouragement through our group leaders and leadership team. We seek to ensure that our group leaders don't get isolated and know when they should seek help and who on the leadership team, they can seek help from.

Young Adults

We have a good number of students and young adults who are involved in lots of areas in the life of the church, we love giving opportunities for them to use their gifts and passions in the church.

During the last year, our Young Adults team have provided monthly meetings for young adults to gather, encourage each other, pray, worship together and socialise. They have also been on a weekend away alongside Emmanuel Church Oxford and some attended Project 24, a weekend-long event run by Catalyst for young adults.

Serving teams

We have many volunteers who serve on various teams to make all that Emmanuel does possible. As well as serving others, teams are a great way for people to get to know others in church and for people to get use giftings God has given them.

Our current teams include:

- **Children** – our children's teams serve our children in our weekly Sunday meetings.
- **Host** – the host team helps to get our venue ready for our Sunday services and makes sure everyone feels welcome and comfortable at our Sunday gatherings and helps with communion.
- **PA** – the audio team runs the PA system, working alongside the worship team.
- **Projector** – the visuals team is responsible for displaying the song words, slides, videos and other visuals during our Sunday services, setting up the projector and running the software.
- **Emmanuel Mid-Week Group Leadership** – this team is responsible for leading our Mid-Week Groups and does an excellent job in making sure that the groups achieve their aims.

- **Football ministry** – this team runs our weekly football ministry, as well as organising the actual football they plan meaningful short talks and discussion before playing football each week.

Catalyst

Being part of Catalyst enables us to maintain meaningful relationships with churches in the UK and overseas. Catalyst also provides access to training, mentoring and support for leaders and individuals at Emmanuel. In the last year we have taken our leadership team to training days and our staff team have benefited from prayer, training and relationship building days. We have also sent one of our younger leaders on a two-year Leadership and Theology training programme with Catalyst and plan to send start more on this programme in the coming year.

The whole church has benefited as well from gifted guest speakers from other Catalyst churches coming to preach in last year. Looking into the next year, we are planning on going as a church to the Catalyst Festival as a church together.

Supporting Catalyst financially is important in furthering our objectives, particularly in that we want to be a church that supports other churches, social action and the planting of new churches in the UK and around the world.

Football ministry

We run a weekly football ministry in the Hillsborough area; this is open for anyone to attend, for a small weekly contribution to the cost of hiring a pitch. Often the ministry sees as many as 18 attendees, primarily men from the local community. Each week, the session begins with a short talk and discussion.

Arise

We have continued to be heavily involved in Arise, a local prayer and mission movement involving over 100 churches in Sheffield. Many in Emmanuel got involved in the prayer walking that takes place each year in March. We also go involved in Streets of Light, decorating our windows with messages of light, peace and hope over Halloween. We also make being at the monthly church leader gatherings a priority.

Section F**Financial review****Brief statement of the charity's policy on reserves**

The charity aims to keep unrestricted reserves equivalent to approximately three months of ongoing expenditure. The Board considers such a level gives reasonable security to staff expecting monthly payments.

Review of financial performance

During the period, receipts amounted to £136,482. The primary component £134,526 related to donations from church members and visitors.

Payments totalled £92,857, with the primary component 55% being expended on staff costs. In sum the charity operated at a surplus of £42,625.

Internal controls and risk management

The Trustees have overall responsibility for the charity's internal controls and risk management procedures.

The Trustees recognise that the nature of some of the church's work requires acceptance and management of some risk in order to achieve its charitable objectives, and are satisfied that systems and controls in place are sufficient to monitor, manage and mitigate the church's exposure to these risks.

The Trustees regularly review any significant risks facing the church and this review will continue in the coming year.

All major insurable risks are subject to normal churches and employers' insurance. Any contracts entered into on behalf of the church are reviewed before execution to ensure that they do not significantly impact the church's ability to fulfil its objectives.
