3. Objectives and Activities

Mission and Purpose:

TARA CARE UK's mission is to support the poor in India by providing financial assistance for eye treatments, including cataract surgery and other necessary eye care, as well as supporting the establishment and maintenance of eye care infrastructure.

Key Activities:

During the reporting period, TARA CARE UK has undertaken the following activities:

- **Eye Camps and Cataract Surgeries:** We organised **10 eye camps** in various locations, where **71 cataract surgeries** were performed on individuals suffering from cataracts.
- **Support for Udalpur Eye Hospital:** In partnership with **Udalpur Eye Hospital**, we funded **292 cataract surgeries** for poor individuals diagnosed at the hospital, ensuring they had access to the treatment they urgently needed.
- **Old Age Home Support:** We also focused on the welfare of elderly individuals by adopting **2 residents for one year** at an old age home in Udalpur, providing them with food, shelter, and care. In addition, we ensured that **40 other residents of the same old age home** were provided with food and daily sustenance.

These activities were made possible through the generous donations and support of our partners, volunteers, and donors, enabling us to address both immediate and long-term needs in the communities we serve.

4. Achievements and Impact

TARA CARE UK's initiatives during the period from **9 February 2023 to 31 March 2024** have had a profound impact on the lives of those we served:

- **Eye Camps:** Through the **10 eye camps** organised, we were able to provide free eye examinations, diagnoses, and cataract surgeries to individuals who would otherwise not have had access to care. **71 cataract surgeries** were completed, restoring sight and improving the quality of life for those who were suffering from preventable blindness.
- **Cataract Surgeries at Udalpur Eye Hospital:** At **Udalpur Eye Hospital**, a total of **292 cataract surgeries** were performed, giving individuals from impoverished backgrounds the opportunity to regain their sight and lead independent lives.
- **Support for the Elderly:** Our adoption of **2 residents for one year** at the old age home in Udalpur has provided these individuals with the necessary care and dignity in their later years. In addition, **40 other elderly residents** benefited from regular food provisions, ensuring their basic needs were met.
