Christian Mission Fellowship International UK
Period Ended 05 April 2025

1. Introduction

The Christian Mission Fellowship International (CMFI) is dedicated to promoting Christian values, discipleship, and practical community support through the operation of our church and cell-based ministry network across the UK.

This report outlines our activities, financial performance, and the measurable impact of our work over the past year, both within our congregations and in the wider communities we serve.

2. Objectives and Activities

Objectives:

- To spread the teachings of Christianity and provide spiritual guidance to the community.
- To support local and global charitable initiatives.
- To foster a sense of community through outreach programs, cell groups, and events.

Activities:

Worship Services:

We held weekly worship services throughout the year, with special events drawing larger crowds during key religious festivals. Alongside central services, our ministry continued through an active cell-based structure operating across multiple regions of the UK, allowing members to meet regularly despite geographical distance and work commitments.

Cell & Zone Ministry:

Throughout 2025, cell groups met consistently in homes across Zones in England and Wales. New cells were established in Oxford and Aldershot, and overall growth was recorded in several zones. These cells provided discipleship, prayer support, pastoral care, and community outreach at a local level.

Youth, High Teens & Children's Ministry:

This year saw exceptional engagement among younger demographics. Initiatives such as the High Teens Ministry, Children's Ministry programs, and youth-led devotions connected over 29 young people across the UK on a daily basis. Young members actively served in worship, media, conference support, and community outreach.

Women's Ministry & Prayer:

Women's prayer groups continued with consistency, with one zone marking three consecutive years of weekly women's prayer, strengthening the spiritual foundation of the church.

Community Events and Outreach:

We hosted community-building events, including a dedicated Sports Day, the annual CMFI UK Conference, town outreach programs – feeding the homeless, partnering with Hollymoor

Church in Food banks and fellowship initiatives designed to connect with local families and vulnerable individuals. Several zones build partnerships with local churches, councils, and community leaders, and one zone received recognition for outstanding contribution to the wider community.

Pastoral & Safeguarding Support:

During the year, church leaders provided practical and pastoral support to vulnerable individuals in crisis situations within the community, offering shelter, guidance, and signposting to appropriate services where required.

Mission Work:

We continued our strong tradition of supporting global missions. Financial and resource support was provided to projects in Cambodia, Australia, Papua New Guinea (PNG), Fiji, Madagascar and Kenya, alongside support for the Hollymoor Church in Birmingham.

3. Achievements

Community Engagement:

The introduction and funding of the High Teens Ministry, Sports Day, town outreach initiatives, and cell-based community engagement strengthened our connection with youth, families, and the wider public. Partnerships were formed with local churches and civic leaders.

Spiritual Growth & Discipleship:

- New cell groups planted in Oxford and Aldershot
- Recorded increase in baptisms within zones
- Measurable growth in cell attendance and participation
- Consistent prayer initiatives sustaining spiritual life across zones

Youth Leadership Development:

Young members took on significant responsibility in worship, administration, conference logistics, and outreach activities, including participation in interdenominational youth services.

Global Impact:

We successfully distributed significant aid to international partners, including donations to the CMFI global networks and specific support for the Fiji Pastor's Conference.

Resilience:

Despite higher operational costs, the church maintained a robust level of voluntary income, receiving over **£177,000** in tithes and offerings to sustain our work.

TREASURER'S STATEMENT

I have prepared the financial statements on pages 1 to 4 for the year ended 05 April 2025

INDEPENDENT EXAMINER'S REPORT

I report on the financial statements of Christian Mission Foundation International UK for the period ended 05 April 2025, which are set out on pages 1 to 4.

Respective responsibilities

The church is responsible for the preparation of the financial statements, and considers that the audit requirement of Section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under Section 43(7)(b) of the Act, whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the General Directions of the Charity Commissioners. An examination includes a review of the accounting records kept by the church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent Examiner's statement

In connection with my examination of the church funds, nothing came to my attention which gave me cause to believe otherwise than that the financial statements accord with the accounting records of the church, and that those records satisfied the requirements of the Act. I am not aware of any matter to which attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
