# Trustees' Annual Report for Guru Nanak Aid

For the year ended 31st December 2024

---

## Introduction

Guru Nanak Aid is a UK-based charity dedicated to alleviating poverty and providing humanitarian assistance to those in need, inspired by the teachings of Guru Nanak Dev Ji. Our mission is driven by compassion and service, aiming to empower marginalised communities in the UK and abroad. This report summarises our activities, financial performance, and future plans.

## Objectives and Activities

The charity's objectives for the year were focused on several core areas:

- 1. Education and Empowerment:** We continued our education programs, offering tutoring and scholarships to underprivileged children and vocational training and means for adults to promote self-sufficiency, for instance individuals have been bought electric rickshaws so to allow for them to earn their income and provide for their own families.
- 2. Health Initiatives:** Our health projects included free medical camps, awareness programs on hygiene, nutrition, and preventive healthcare in both local and international communities. During mass gatherings in North India, we have provided toiletries and hygiene products to prevent the onset of disease.
- 3. Community Development: ongoing provision of pensions:** We initiated projects aimed at building sustainable communities, many elders live without the financial means to support themselves, the necessity of consistent pension support is clear. Without which these community leaders who have a vital role in holding the family structures and the very fabric society together wouldn't be able to fulfil their very essential roles.
- 5. Home repair and refurbishment:** Individuals and families who were identified to be living in the worst of conditions and who met the qualifying criteria were assisted by providing them with essential repairs to their homes and for some bathroom and toilet facilities where they didn't previously have them.

## **Achievements**

In the year 2024, Guru Nanak Aid achieved significant milestones:

- Educational Impact: Sponsored many in our educational programs, with a focus on girls' education in disadvantaged areas.
- Health Services: provided approximately 8,000 hygiene and toiletry products to help prevent the onset and spread of disease
- Community Projects: Successfully oversaw the completion of 11 house repair projects.
- In partnership with John Lewis, we have successfully celebrated Sikh religious occasions, bringing more awareness about the Sikh Faith.

## **Financial Overview**

Our financial position remains strong, thanks to the generous support of our donors, volunteers, and partner organisations. For the year ending 2024:

- **Total Income: £30,505**
- **Total Expenditure: £21,874**

Income was derived from various sources, including donations and fundraising events. We maintained a commitment to transparency and accountability, ensuring that 100% of donated funds are directed towards charitable activities.

## **Governance and Trusteeship**

## **Future Plans**
