**REPORT FOR THE PERIOD
08/12/2024 TO 08/12/2025**

1. Objectives and Activities

The primary purpose of the charity is to provide local community engagement and outreach support. We achieve this by hosting monthly community networking events, workshops, and educational sessions that promote local welfare and skill-building. [1]

We also run religious activities such as conferences, seminars and Christian youth development.[2]

2. Achievements and Performance

During the 2024/2025 financial year, the charity successfully hosted 12 monthly community gatherings. These sessions allowed us to bring residents together, reduce social isolation, and deliver essential educational workshops to over 100 individuals, directly delivering public benefit.

We also organised one big conference about Christian life in difficult circumstances and delivered 12 workshops on different biblical themes
