TRUSTEES' ANNUAL REPORT *(continued)*
YEAR ENDED 30 JUNE 2025

ACHIEVEMENTS AND PERFORMANCE

Over the past year, Seventh Heaven has continued to provide essential respite services for children with moderate to severe physical, emotional, and cognitive disabilities, ensuring they have access to meaningful social and recreational experiences while giving families much-needed relief. Our two core projects-Happy Heaven and Shining Stars-have delivered regular weekend respite sessions, providing a safe, engaging, and nurturing environment tailored to each child's unique needs.

Recognising the importance of supporting the entire family, we introduced family support packages, an initiative that has been very well received by families. These packages have provided meaningful and practical support, helping to ease pressures and enhance overall wellbeing. Alongside this, we have continued to deliver special events that include siblings, such as carnivals and themed activity days, offering families the opportunity to enjoy shared experiences in a supportive and inclusive environment. These events have been highly successful, enabling siblings to feel included while fostering a strong sense of community among families facing similar challenges.

Seventh Heaven has built strong relationships with families, caregivers, and professionals to ensure our services are accessible, inclusive, and deeply impactful. The overwhelming demand for our programs reflects the gap in existing support services, reinforcing the urgent need for our work. Through continuous feedback and assessment, we have refined our approach to ensure that every child receives the highest level of care and that families feel fully supported.

Seventh Heaven has established strong governance, financial management, and operational structures to support our rapid growth. Despite being in our early years as a registered charity, we have already made a significant difference in the lives of many, and we remain committed to expanding our reach and enhancing the quality of life for even more children and families in the years ahead.

FINANCIAL REVIEW

Risk management

The trustees have identified and reviewed the major risks to which the charity is exposed, in particular those related to the activities and finance of the charity, and are satisfied that systems are in place to manage those risks.

SEVENTH HEAVEN
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 30 JUNE 2025

1. GENERAL INFORMATION

The charity is a public benefit entity and a registered charity in England and Wales. It is incorporated as a Charitable Incorporated Organisation (CIO) under the Charities Act 2011. The address of the principal office is 46 Ashtead Road, London, E5 9BH.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue as a going concern.

Judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with FRS 102 requires the use of certain accounting estimates. It also requires management to exercise its judgement in the process of applying the charity's accounting policies. There are no areas involving a high degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements.

Fund accounting

General unrestricted funds comprise the accumulated surplus or deficit on income and expenditure account. They are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are funds subject to specific restricted conditions imposed by donors. There are no restricted funds as at the Balance Sheet date.

Designated funds are funds which have been set aside at the discretion of the trustees for specific purposes. There are no designated funds as at the Balance Sheet date.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

SEVENTH HEAVEN
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 30 JUNE 2025

3. ACCOUNTING POLICIES *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred.

Charitable donations are recognised in the statement of financial activities when paid.

Expenditure is classified under headings of the statement of financial activities to which it relates.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Charitable donations are recognised in the statement of financial activities when paid.

Expenditure is classified under headings of the statement of financial activities to which it relates.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.
