ALL WOMEN AND GIRLS CIC

The object of All Women and Girls CIC is to support the personal, social, and educational development of women and girls, particularly those from disadvantaged backgrounds or vulnerable situations. The organization works to empower females of all ages through structured programs, workshops, and support sessions focused on confidence-building, skill development, and community integration.

Support for Women and Girls Affected by Domestic Violence

As part of our commitment to the safety, empowerment, and wellbeing of women and girls, our CIC recognizes the serious and lasting impact of domestic violence. We aim to provide a safe, supportive environment where those affected can access information, guidance, and signposting to appropriate services. Through awareness-raising, advocacy, and community engagement, we strive to break the silence around domestic abuse and empower women and girls to rebuild their lives free from fear and harm.

Organise mental well-being sessions for women and girls

These sessions focus on emotional resilience, stress management, and peer support. Trained facilitators lead discussions and activities to help participants open about their experiences in a safe and supportive environment. The sessions also signpost attendees to additional mental health services if required.

Deliver life skills and self-development workshops

From basic financial literacy and digital skills to communication and assertiveness training, the CIC delivers practical workshops aimed at equipping girls and women with the tools they need to become more independent and self-reliant in everyday life.

Host cultural and community-building events

All Women and Girls CIC organise local community events, such as women's coffee mornings, girls' creativity clubs, and cultural awareness days. This helps reduce isolation, build friendships, and foster a stronger sense of belonging and mutual support among participants.
