

TREASURERS REPORT 2023

Detail of IAFSS Income and Expenditure for 2023

Preamble

The IAFSS is a Charity registered with the Charity Commission (#1202005). In 2023, the Association still functioned under its Old Charity (#800306).

We will be moving all our assets to the new Charity (this Charity), and we will operate under it at the end of 2024 or at the beginning of 2025, to be compliant with the new rules of the Charity Commission.

So, for the year 2023, any activity of IAFSS is included in the report from the other Charity (#800306).

The only financial transaction was a wire transfer of £1,000 in December from the old Charity, in order to open new accounts with the CAF Bank. Our only expense was a monthly account fee of £5 in December from the CAF Bank and the only other income was £0.04 in interests.
