

Annual Report for The Odisha Foundation - Charity No. 1202018

For the period of February 2023 - April 2024.

No financial activity took place. The trustees have spent this time working with partners overseas in Odisha. We expect to open education centres in the slums of Bhubaneswar later in 2024 or early 2025.

Many thanks,

Richard Cook

Richard Cook
Chairman Of The Board of Trustees
