THE LAMBERTH FOUNDATION

TRUSTEES' REPORT

FOR THE PERIOD ENDED 30 NOVEMBER 2023

The Trustees present their annual report and financial statements for the period ended 30 November 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The charity's objectives are the prevention or relief of poverty in the UK and Portugal by providing grant's, items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty. We start with a simple question 'How can we make a difference?'

We are making a difference through direct educational sponsorship, school building projects; provision of books and other school supplies; installation of play equipment; payment of medical and health expenses, distribution of food and clothing and direct support for homelessness. We achieve our objectives by working alongside individuals, communities and local organisations to bring about long-term change and hope for a brighter future.

We currently have three trustees. We adhere to legal restrictions on appointing trustees. No actual experience is required but we look for specific knowledge and past experience in the kind of work we do in the various regions and countries we work in. Trustees can hold office for five years after which they can and may not be reappointed.

Throughout the period the trustees have paid due regard to the guidance issued by the Charity Commission on public benefit.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

Achievements and performance

We are a newly-established, small, non-profit organisation and aim to improve welfare of disadvantaged people. We have performed well in maintaining a year-round Soup Kitchen for those on low income and a resource room for abused young people. We have worked closely with other volunteers to provide Seasonal toys for disadvantaged children and financially supported local community projects, We continue to work on the ground to support homeless people on the streets.

Financial review

To date all funding for the Charity has been provided by the Founder and the Foundation has plans to raise funds for specific projects in future years as and when the need arises.

Structure, governance and management

The Charity is a company limited by guarantee.

The Trustees who served during the period and up to the date of signature of the financial statements were:

Mr P Mustoe

Mrs J Collins

Mr R P J Lamberth

THE LAMBERTH FOUNDATION

CHARTERED ACCOUNTANTS' REPORT TO THE TRUSTEES ON THE PREPARATION OF THE UNAUDITED STATUTORY FINANCIAL STATEMENTS OF THE LAMBERTH FOUNDATION FOR THE PERIOD ENDED 30 NOVEMBER 2023

These financial statements have been prepared in accordance with our terms of engagement and in order to assist you to fulfil your duties under the Companies Acts that relate to preparing the financial statements of the company for the period ended 30 November 2023.

This report is made to the charity's Trustees, as a body, in accordance with the terms of our engagement letter dated 7 February 2024. Our work has been undertaken solely to prepare for your approval the financial statements of The Lamberth Foundation and state those matters that we have agreed to state to the charity's Trustees, as a body, in this report in accordance with ICAEW Technical Release 07/16 AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Lamberth Foundation and the charity's Trustees as a body, for our work or for this report.

It is your duty to ensure that The Lamberth Foundation has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and surplus of The Lamberth Foundation. You consider that The Lamberth Foundation is exempt from the statutory audit requirement for the period, and is not required to obtain an independent examiner's report.}

We have not been instructed to carry out an audit or a review of the financial statements of The Lamberth Foundation. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

THE LAMBERTH FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 30 NOVEMBER 2023

1 Accounting policies

Charity information

The Lamberth Foundation is a charity registered with The Regulator for Charities in England and Wales. The principle place of business is Art House, 2C Inner Park Road, Wimbledon, London, SW19 6DZ, UK.

1.1 Reporting period

The financial statements have been prepared for an accounting period not equal to 12 months due to the current period being the first set of financial statements prepared by the company.

1.2 Accounting convention

The financial statements have been prepared in accordance with the Charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

1.5 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received. Income represents amounts receivable from fundraising, grants and donations and other sundry items.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE PERIOD ENDED 30 NOVEMBER 2023

1 Accounting policies

(Continued)

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

THE LAMBERTH FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 30 NOVEMBER 2023

1 Accounting policies (Continued)

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Donations and legacies

Unrestricted funds

2023
£

Donations and gifts	18,357
