## Objectives and Activities

The main objective of the Tuddenham St Mary Village Hall Trust is the provision and maintenance of a village hall for the use of the inhabitants of the Parish of Tuddenham St Mary without distinction of political, religious or other options.

The hall is used by various local groups and there are currently 4 clubs that meet monthly. These are the gardeners club, cookery club, youth club and the coffee club. There is a Craft 'n' Chatter club that meets on a weekly basis. These clubs offer the village residents a place to socialise, connect, learn new skills and enjoy existing hobbies.

The spaciousness of the new hall has made it a convenient place for local fitness instructors and clubs to hire for their classes. This has provided the village with better access to exercise sessions and has offered the youth of the village the opportunity to get involved with extra-curricular activities such as ballet and gymnastics. The new Hall and its facilities has also provided a wonderful place for people to hire for private events. Although there is a charge for hiring the hall, we offer a discounted fee for village residents to ensure they are able to make the most of the hall. Many residents appreciate the fact they can hold their children's parties or family events within the village itself.

Aside from this, we strive to hold social events a few times a year which are free to attend. These events include quiz nights, board game evenings, talks by local experts and parties to celebrate special events. The aim of these events is to bring the community together and provide a safe, inclusive and fun space for everybody.

We have a strong committee of 10 dedicated trustees who work voluntarily to maintain the hall and to provide all the above opportunities for the members of our community. All trustees have paid due regard to the Charity Commissions guidance on public benefit.

### **Achievements and Performance**

Use of the hall continues to grow, with some form of activity taking place most days. The Trustees have organised at least one social event each quarter, aimed at providing a platform for villagers, and visitors to socialise in a friendly environment. Activities included a variety of talks by invited speakers, quiz evenings and a community tea and mulled wine following the lighting up of the Christmas Tree on the village green. The intention of these events is to raise awareness of the facilities offered by the hall, and encourage community cohesion.

## Financial Review

The main source of income continues to be hire fees received for use of the hall, with minor income streams from fund raising and interest.

The current year reflects a small surplus of income over expenses, and funds were transferred to a reserve account to cover the costs of repair and renovation of equipment, fittings and fixtures.

It is our intention to generate a small operating surplus each year, sufficient to maintain the facilities and provide improvements when necessary.

The trustees have created a Restricted Fund as a reserve for major capital expenditure on the fabric, and an operating expense reserve

account. All funds are currently invested with Lloyds Bank plc with a view to maximum security of investment with minimum risk.

The finances remain in a satisfactory state and the details are fully covered in the Annual Financial Report.

## **Structure, Governance and Management**

Tuddenham St Mary Village Hall is a CIO and its governing document is a CIO Foundation Constitution.

The Hall is run by a Management Committee of Trustees. This Committee currently comprises of 10 members although there is a maximum capacity of 14. The following organisations within the village have the ability to appoint one charity trustee:

- Tuddenham St Mary Parish Council
- Tuddenham St Mary Parochial Church Council
- Tuddenham St Mary Playing Fields Association
- Tuddenham St Mary Village Hall Coffee Group

All appointed trustees must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees. The principal officers (Chairman, Secretary and Treasurer) are elected by the Trustees annually.

The charity trustees will provide each new trustee, on or before his or her first appointment, a copy of the current version of this constitution and a copy of the CIO's latest Trustee's Annual Report and statement of accounts.

## **Review of The Finances**

This review is intended to be read in conjunction with the 2025 Annual Financial Accounts, with a view to making the financial position of our Trust more readily understood and meaningful.

Our main source of revenue is derived from hire fee for the letting of the hall facilities.

### **Renovation Fund**

Surplus funds are partly allocated to this fund to provide an adequate reserve for normal wear and tear replacement of the fittings and furniture in the hall.

We are not required to have an audit of our accounts, but they have been examined by an independent examiner.

## **A Accounting Policies**

1. The accounts are prepared in line with the recommendations of the Statement of Recommended Practice 2019 (SoRP) published by the Charities Commission.
2. The Trust, falls into the category of organisations with gross receipts of less than £100,000. Consequently we have adopted the "Receipts & Payments" system of reporting. Only monies received, or payments incurred in the year are reported in the accounts. Any other transactions deemed to be significant will be detailed in these notes.
3. All funds are invested with Lloyds Bank plc. They are invested with a view to maximum security of investment with minimum risk, whilst securing a return that can be applied to furthering our mission.
4. It is the policy of the Trust to maintain sufficient funds in the unrestricted accounts to meet six months normal expenditure, plus any planned and committed expenditure.

## **B Since the Date of the Accounts**

Subsequent to the date of the accounts no significant amounts of expenditure were recorded. There are ongoing commitments in respect of utilities and insurance.

We have a strong committee of 10 dedicated trustees who work voluntarily to maintain the hall and to provide all the above opportunities for the members of our community. All trustees have paid due regard to the Charity Commissions guidance on public benefit.

### **Achievements and Performance**

A new Village Hall for Tuddenham St Mary was completed successfully on the 5<sup>th</sup> May 2023 and the official 'Grand Opening' of the new hall took place on the 7<sup>th</sup> May 2023. This weekend coincided with the King's Coronation and over 150 people from the community attended the event which included a Barn Dance, children's crafts and games and a buffet. The event was a big success and a great way to introduce the new hall to the village residents.

This year, the new hall saw roughly double the number of people attending community type events compared to the old hall. In the year before it closed, the old hall hosted an average of 196 people per month, whereas the average has gone up to 388 since last May. The Youth Club, in particular, has grown in popularity which has been wonderful to see and provides an excellent chance for the families in our village to socialize.

The hall has been used on a regular basis this year by clubs, groups and private hirers. Pilates is held twice a week and due to the popularity of these sessions, the instructor added an aerobics session into the weekly schedule.

Another achievement this year has been the success of the classes provided by the Formations Dance Company. The company hold weekly ballet and gymnastics classes at the hall. These classes are well attended and there is the possibility of a musical theatre class being added within the next couple of months.

### **Financial Review**

The current year included receipt of funds following the closure of the old village hall, and a grant from the Lottery Fund, which are one-off receipts. Exceptional expenditure was incurred, including the building costs of the new hall and installation of equipment

totalling £65,400. Operating expenses exceeded normal revenue for the year as expected, due to the move to the new site and start up expenditure.

The intention is to generate a small operating surplus which will be used to maintain and renovate the facilities as required.

Our principal source of revenue is the income received from hire fees charged for use of the hall.

The trustees have created a Restricted Fund as a reserve for major capital expenditure on the fabric, and an operating expense reserve account. All funds are currently invested with Lloyds Bank plc with a view to maximum security of investment with minimum risk.

The finances remain in a satisfactory state and the details are fully covered in the Annual Financial Report.
