Charity Activities and Objectives

The objectives of the charity is to provide grants and donations for such charitable purposes, for the public benefit, that are exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine.

The Trustees of the charity seek to support those activities which help further these objectives. The number of projects which can be supported is, of necessity, limited to the amount of funds available for distribution in any year.

It is a private charitable incorporated organisation which only makes donations to other registered charities or projects that support exclusively charitable purposes. The beneficiaries of donations are chosen exclusively by the Trustees. The Trustees will proactively identify charities and projects to support. The charity does not engage in any fundraising activities, and does not solicit or respond to unsolicited requests for donations. The charities chosen for donation will be carefully selected by the Trustees on a set of guiding principles. Criteria will depend on the reputation of the organisation, and if it has proven benefits and positive impacts, with a significant portion of the funds going transparently to its purpose and not administration.
