

## Landkey Mazzard Hall Trustees Report

Report for year ending March 2024

The Landkey Mazzard Hall Trust has been successfully formed as a registered charity and continues to be well supported by the efforts of Trustees and volunteers. In December 2023 the Landkey Parish Council secured a Lottery Community Grant for £10k which they are happy to use to fund the design and planning stage for our project. We have completed several community engagements in the last 12 months and continue to provide updates to our village on our activities and plans. Later In 2024 we plan to open a charitable bank account to allow us to receive anticipated funds in 2025 when we then expect to be in a position to proceed with a planning application and build project.
