Activities

Objects: TO PROMOTE THE DEVELOPMENT OF YOUNG PEOPLE IN ACHIEVING THEIR FULL PHYSICAL, INTELLECTUAL, SOCIAL AND SPIRITUAL POTENTIAL; AS INDIVIDUALS, AS RESPONSIBLE CITIZENS AND AS MEMBERS OF THEIR LOCAL, NATIONAL AND INTERNATIONAL COMMUNITIES

Activities: Scouts are doers and give it a go ers. Yes, we go camping, hiking, swimming, abseiling, cycling and canoeing. But, we also get to hang out with our friends every week having fun, playing games, working in a team and taking on new challenges. Every week we give almost half a million 4-25 year olds the skills they need for school, college, university, the job interview, the important speech

Southampton City District

Annual General Meeting
and accounts for the year ended
March 31st 2025

ANNUAL GENERAL MEETING

Saturday 12th July 2025

AGENDA

1. Chairman opens the meeting.
2. Introduction of Guests.
3. Apologies.
4. Minutes of the last Annual General Meeting.
5. Approval and election of nominees to the Group Trustees Board.
6. Approval of examined Group accounts for 2024-25.
7. District Representative.
8. Any Other Business - by the permission of the Chairman.
9. Close meeting.

13th Southampton Sea Scout Group AGM MINUTES 19th June 2024

ITEM	Agenda Topic	Action / Info
1	Opening	Kerry as Chairman opened the meeting at 6.05 p.m.
2	Introductions of Guests	The Chairman introduced the guests Veronica Radford (District Chairman)
3	Apologies	Davina Aburrow, Sarah Groszewski, Rob&Holly Greenaway, Emma Coomer, Claire Harlow, Lee Stewart, Tony Jackson, Adrian Potas, Ian Dempsey, Carmen Sherin, Sam Hollins, Lisa Scott, Kathryn Emery, Kelly Denton, Vicky Gray, Emma Bowen.
4	Minutes of the last AGM	The last AGM minutes were distributed by email as part of the Group Annual Report. Proposed by Justin Dalton , seconded by Pete Stone, and approved by the meeting.
5	Election of Treasurer and Assistant Treasurer	Rex Budd remains as Treasurer - proposed by Maliana Mackintosh , and seconded by Jason Ledwich . Laura Coles becomes Assistant Treasurer - proposed by Pete Stone, and seconded by Justin Dalton . Both approved by the meeting.
6	Election of nominees to the Group Trustees Board	Laura Coles, Dave Barclay, Jo Williams, Vicky Gray, Davina Aburrow and Arthur Ashton remain as Group Trustees - proposed by Jon Wallace , seconded by Naomi Ledwich and all approved by the meeting. Kerry explained that changes introduced as part of the Scout Association Transformation mean that the role of Secretary is no longer done by a trustee. A minute taker for the Trustees Board will shortly be appointed.
7	Approval of examined Group Accounts for 2023-24	The examined accounts accepted by the Trustees Board on 11th June were distributed by email as part of the Group Annual Report. Proposed by Justin Dalton, seconded by Pete Stone and approved by the meeting . Any comments or queries can be addressed by Rex later. Rex informed the meeting that the examiner Clive Finder is happy to continue in the role.
8	Adoption of a new constitution	GSL Amanda Wallace has distributed the constitution for a Group newly defined by the Scout Association as part of it's transformation. Proposed by Claire Hayes, seconded by Maliana Mackintosh and approved by the meeting.
9	District Chairman - Veronica Radford	Veronica praised the group for it's progress and development and gave a general update on District business.
10	Any other Business	None.
11	Close Meeting	Dates for the 2025 AGM and the next Trustees Board meeting will be confirmed at a later date. Kerry closed the meeting at 6.30 p.m.

Group Lead Volunteer's AGM Report

Over the past 12 months, the 13th has proudly provided vital Scouting opportunities to more than 100 young members. Scouting offers young people a wealth of experiences designed to develop practical skills, build strong character, and foster a sense of community. Through engaging activities, outdoor adventures, and teamwork, our young members grow into confident, responsible individuals.

Our group is entirely run and managed by dedicated volunteers. Without their time, energy, and unwavering commitment, we simply couldn't deliver the incredible programme or maintain the fantastic facilities that we are fortunate to have.

A heartfelt thank you goes out to every one of our volunteers — the section teams, the board of trustees, our maintenance crew, and all the adult helpers who have supported us throughout the year.

Special thanks to:

- Squirrel Team – Nemo, Coral, and Mowgli
- Beaver Team – Angelfish, Pufferfish, Flounder, Dolphin, and Squid
- Cub Team – Akela, Shere Khan, Baloo, Hathi, and Mowgli
- Scout Team – Doc, Wings, Tech, and Torps
- Our Executive Committee – Chair Kerry, Treasurer Rex, Deputy Treasurer Laura
- Board of Trustees – David, Vicky, Jo, Davina, and Arthur
- Maintenance Team – Rex and Tony

You are all amazing, and we cannot thank you enough for your dedication and service.

Group Highlights

- In July 2024, we held a fantastic end-of-term campfire and awards night. During the evening, we celebrated our Squirrel, Beaver, Cub, and Scout of the Year award winners, and proudly presented Chief Scout Acorn, Bronze, Silver, and Gold awards – the highest achievement in each section. Congratulations to all our young people for their hard work and to our volunteers for making it possible.
- In November 2024, our group attended the annual Remembrance Service at St Peter's Church. It was wonderful to see so many of our young members there, looking smart and showing great respect. We were incredibly proud of every one of them.
- At the District Cross Country event in March 2025, all four sections were represented. Every Squirrel, Beaver, Cub, and Scout who took part gave it their all – well done! Thank you also to the volunteers and parents who helped marshal on the day.
- We recently installed new benches in our outdoor covered area – a much-needed and safer upgrade. Thank you to Tesco for generously funding this improvement along with the Joyce family who donated one in memory of Tony.
- We've also secured funding to update some of our essential equipment and were thrilled to receive brand new tents, just in time for the District Camp in May 2025. Thank you to the Richard Kirkman trust for donating the money to purchase.

These are just a few of the many things our group has achieved over the last year.

We're always on the lookout for support – whether through fundraising, helping within sections, or assisting with maintenance. If you're able to lend a hand in any way, please don't hesitate to speak to me.

We're incredibly proud of everything the 13th has accomplished, and we're excited to see what the next 12 months will bring!

YIS – Amanda Wallace – Group Lead Volunteer.

Chairman's Report

Our Group has now been going for over 65 years and continues to grow and offer ever more opportunities and experiences. This can only happen with the dedication of our Leadership Team and their hard work put in every week. Behind the scenes our Trustees Board oversee the finances and governance of the Group. Our Maintenance Team keep the grass cut and are involved with the upkeep of the site and equipment. At the head of our Group is Starfish, Mandy. Her drive and unlimited energy and enthusiasm continue to make the Group the success it is. I know you will join me in thanking all of our wonderful volunteers for the time they commit to our young people.

The main fundraiser this year, the Christmas Fayre, raised over £2,000 which was absolutely fantastic. We have a small Fundraising Team who as well as helping on the day, also contact local businesses for donation of raffle prizes. We always need extra help to set up the night before and help on stalls on the day. Please note this year's Christmas Fayre will be on Saturday 22nd November, so if you can help, please let me or one of the Leaders know. It's events like the Christmas Fayre which help pay towards the cost of major projects such as the store roof which had to be replaced this year. The previous one had been in place for over 45 years. This was essential to keep our kit and equipment safe and dry.

Finally, I would just like to thank you all for supporting the Group and look forward to seeing you at future events.

Kerry Budd (Coral)

Group Chairman

Squirrels

What a Year It's Been for the Squirrels!

What an incredible year the Squirrels have had—full of adventure, learning, and laughter! From earning badges and going on exciting trips to camping out and creating unforgettable memories, it's been a year to remember. Here's a look back at just some of the fun we've had.

Growing Together

On 24th April 2024, the Squirrels began their Let's Grow badge by planting pumpkin seeds—kicking off a project that would span the seasons. By May, the seedlings were re-potted, and by late June, they were strong enough to be planted in the ground. All summer long, the Squirrels tended to their plants, watching them grow until harvest time in October. Each Squirrel proudly took home a pumpkin to carve. Witnessing the full journey from seed to harvest was truly special—and we couldn't be prouder of their hard work and care.

Farmyard Fun

In June, the Squirrels had a fantastic day out at Longdown Activity Farm. They fed calves, goats, ducks, and even cuddled baby chicks! The bumpy tractor ride and time in the play park were definite highlights. It was a day full of smiles and new experiences.

Campfire Celebrations

July brought our much-loved group campfire night, filled with song, laughter, and celebration. We proudly presented our Squirrel of the Year award and three prestigious Acorn Awards—the highest honour a Squirrel can achieve. Huge congratulations to all our recipients!

District Summer Camp Adventures

In August, the Squirrels joined the Beavers for a fun-packed weekend at the District Summer Camp in Wilverley, New Forest. From archery and axe throwing to bread twists, badge-making, woodland hikes, circus skills, a campfire singalong, and even a silent disco—it was non-stop excitement! So many wonderful memories were made.

Honouring and Giving Back

In November, the Squirrels created a beautiful poppy wreath for Remembrance Day and laid it during the service, looking incredibly smart and respectful. We were so proud of every one of them. They also spread festive cheer by making Christmas cards for a local care home.

Festive Fun

December was full of joy with our Christingle service on the 4th, Christmas crafts, and a special visit from Santa at our Christmas party on the 18th. A magical way to end the year!

A Fresh Start

The new year brought new challenges and achievements. In January and February, the Squirrels worked on their Be Active, Feel Good, and Navigator badges. Activities included learning how to use a map and compass, designing board games, exploring healthy living, exercising, and even building dens! We also said a fond farewell and heartfelt thank you to Turtle, one of our amazing volunteers—we're so grateful for her support.

Spring Highlights

March was full of action! Several Squirrels took part in the District Cross Country at the local sports centre, doing an incredible job—well done to everyone who took part! We also enjoyed a pizza-making night and a cozy campfire evening.

Thank You to Our Volunteers

None of this would be possible without our fantastic team of volunteers. A huge thank you to Nemo (Izzy), Mowgli (Clarke), Coral (Kerry), and all the adults who've lent a hand. Special thanks to Neptune (Rex), Tech (Harry), and Wings (Jon) for their continued support—you make all the difference.

Can You Help?

We're looking to grow our Squirrel volunteer team! If you'd like to get involved and be part of this amazing journey, we'd love to hear from you.

Here's to another fantastic year of fun, learning, and adventure!

Amanda Wallace – Squirrel Lead Volunteer.

Beaver Scouts Annual Round-Up – A Year of Fun, Adventure & Achievement

What an incredible year it's been for our Beavers! Since April 2024, our young adventurers have taken part in a wide range of exciting activities, all while working hard to earn badges and, for our older Beavers, striving toward their Chief Scout Bronze Awards. We're so proud of everything they've achieved, and it's all thanks to our fantastic Beaver leadership team who have delivered a fun-filled and diverse programme.

Spring Highlights

In April, we were thrilled to see one of our Beavers, Bradley, perform in this year's Roverang show, *The Imaginarium*—a magical journey through a costume shop like no other, full of jungle animals, elves, superheroes, and spooky ghouls. What a fantastic achievement! The rest of the colony also had a great time watching the performance with the other sections.

Learning and Laughter

May saw the Beavers working on their World and Health & Fitness badges. They sampled food from different countries, explored global traditions, and took part in the Great Beaver Biscuit Dunk-Off—a hilarious evening that was enjoyed by all!

In June, we focused on water safety, with an evening dedicated to learning what to wear and how to stay safe near water. While we're still searching for a permanent home for water-based activities, the Beavers did brilliantly in completing their Personal Challenge Badge.

Summer Adventures

July was all about the outdoors! We made the most of the great weather by spending every meeting outside. Beavers learned how to light fires, set up tents, and developed their campcraft skills. At our group campfire, we proudly awarded seven Chief Scout Bronze Awards and presented Oliver with the Beaver of the Year Award—a huge well done to all our achievers!

Beavers also joined the Squirrels at a fantastic joint District Camp, camping out for two nights. The weekend was packed with fun—den building, soft archery, tomahawk throwing, frisbee golf, bread twist cooking, hiking, and more. It was a wonderful camp full of laughter and new experiences.

Giving Back & Celebrating Community

In October, the Beavers planned a shopping list of essentials to support the local foodbank. The following week, they brought £1 each and headed to Tesco, purchasing items to donate—a fantastic demonstration of kindness and teamwork.

In November, our Beavers joined the group for the Remembrance Service at St Peter's Church. They created a wreath in advance and looked incredibly smart on the day. Their respectful behaviour made us all so proud.

Festivities and Fun

December was a busy month! We were honoured to receive the Chairman's Challenge Cup on December 5th, having raised the most money on our table at the Christmas Fair in November—amazing effort from everyone! We're already planning how to top it next year.

In January 2025, Beavers enjoyed our annual District Panto Trip at The Point in Eastleigh, Rapunzel was great fun and the cast delighted the crowd.

In March, we wrapped up the winter with our District Cross Country Event. A huge congratulations to all our Beavers who completed the course, and a heartfelt thank you to the parents who volunteered as marshals on the day.

Looking Ahead

We're already busy planning an exciting programme for the next 12 months, filled with even more adventures, badges, and memories. None of this would be possible without our dedicated leadership team. A massive thank you to **Pufferfish (Lisa)**, **Flounder (Kathryn)**, and our amazing young leaders, **Dolphin** and **Squid**. Your time, energy, and passion make all the difference.

Here's to another brilliant year of Beavering ahead!

Yours in Scouting

Angelfish

It has been another great year with the Pack continuing to be around 25 on roster. We have welcomed new Cubs from Beavers and in turn have seen many Cubs continue their journeys moving onto Scouts. The vast majority of Cubs have progressed to Scouts with their Chief Scouts Silver Award.

We have a young pack, and it has been fun getting to know our new cubs.

Our young leader Mateusz 'Kaa' left us mid-year but the rest of the team is unchanged. Clarke 'Mowgli' continues to be a great young leader working well with cubs and adults while leading on activities and games.

Cubs made poppies for their wreath and attended Remembrance Day parade looking very smart on the day.

Cubs also learnt knots to make key rings raising money for the Group at the 13th Christmas Fete.

The Cubs have been involved in district events attending the carol service at St James Church in Shirley in December, the cross-country event in the Sports Centre, as well as the annual chess competition and cooking competition.

Cubs also attended the Archery Competition winning the event, with Starfish awarding trophies on the following evening.

Finally, and by no means least, Cubs had a great time at the District Summer Camp at the New Forest Show ground. This was from Friday evening to the afternoon of the Bank Holiday Monday with very kind weather. The Cubs had fun staying in tents and were kept fuelled by the cooking team!

Events included archery, laser tag, petting zoo and movie night, as well as flag break. The cubs had the chance to show their moves at the silent disco! On the Monday morning cubs joined with scouts to take part in the Swaythling Challenge including wellie throwing and egg and spoon races. Cubs had the chance to meet and make friends with other cubs in the district.

Cub leaders continue to attend and represent 13th Cubs at district meetings to meet other leaders and see what events are taking place. Potential upcoming events are a Cub day trip and athletics evening as well as survival camp.

Cubs have been making use of the outdoor seating and covered area including an enjoyable evening using the pizza oven with thanks to Starfish and Neptune!

Cubs have achieved Air Activities level 1, Emergency Aid level 3 thanks to Doc, Gardening and Chef badges. We have also worked on our Book Reader, Communicator, Pioneering, Backwoods Cooking and Astronomer badges. Cubs also enjoyed two evenings of archery in preparation for camp and the competition.

Before the summer break it is hoped we will get on the water and will be doing our Paddle sports badge in preparation.

As always, my personal thanks to the Cub Team for their support and giving up their time so the Pack can enjoy all the fun of Cubs.

Thanks also to other leaders in the Group who have given up their time to support us on evenings and weekends allowing Cubs to attend events and evenings to take place.

Finally, thanks to Starfish who continues to lead the 13th supporting all of us.

We are all looking forward to the coming year and to keep having fun experiences!

Clarke, Justin, Kelly, Mali & Pete.

Mowgli, Akela, Hathi, Baloo & Shere Khan.

~~ Sea Scouts ~~

Since the last report we have had a full and varied programme of activities and challenges.

We ran our first NSRA Youth Proficiency Scheme camp (YPS) at the Scout HQ where 12 Scouts took part in a training weekend to give them more knowledge and experience in Air Rifle Shooting. They learnt lots of new skills and it was a great opportunity for our leaders to spend more time refining the Scouts shooting ability. This is something that Wings is going to lead on with more YPS camps in the future.

All of the Scouts passed the course and achieved a staged badge at the end of the course which was decided by a Shooting competition at the end of the course. The badge they received was dependant on the score at the end of the competition.

We took a group of Scouts who attended the District Scout section Christmas Camp at Ferny Crofts where they took part in activities and had Christmas Dinner with the other Scouts in the district.

In February we completed our first Expedition Challenge badge Camp. Scouts had to plan and walk a route from Southampton Central Train Station to Ashurst on the train then walk from there to Wilverley. We stayed overnight in the cottage and then walked back to Brokenhurst and then took a train back to Southampton Central.

We had 7 Scouts attend the weekend as well as 2 Scouts from the 9th Southampton unit. All 9 completed their expedition challenge badge. This will most likely become a yearly occurrence to help our Scouts achieve this Challenge badge so they can complete their Gold Award.

Doc was also able to achieve his indoor Nights away permit during this weekend and will be completing his Camping permit later in the year.

The summer term saw us again having problems with our afloat nights. The continuing problems at Priory Hard meant we had to use other venues for our afloat nights.

We attended Woodmill as took part in an open canoe session which was lead by our leaders and help from the 25th Enterprise Explorer unit.

We also had an afloat night at the 25th Enterprise Explorers where we took part in a Pulling session with their two gigs (Large Rowing boats with four 5 metre oars!). The Scouts got to experience rowing a Home Counties Gig and even managed a race from Woolston side of the Itchen bridge back to Cross House Slipway.

Scouts gained time on the water and paddlesport badges for these sessions as well as parts of their pulling badge.

Our Autumn activities included night hikes, indoor pioneering, various badge work and our Christmas Fayre project of wooden reindeers.

Over the year we have worked towards various clauses of the Challenge Badges and proficiency badges for all of the Scouts. Many of the older Scouts only needed a few items ticked off to be able to finish all of their badges, and to then be able to achieve their Chief Scouts Gold award. This is something we continue to work on each term.

We had two of our Scouts take part in Roverang again this year (one was a Cub but is now a Scout). Roverang is the local Scout and Guide Gang show that has taken place in Southampton for over 50 years. This year's show was based on an idea called "The Acorn" an AI based home helper that connects to everything electronic! The Scout section attended the Saturday show this year and really enjoyed the performance.

Our troop numbers have been up and down over the last year but in the last few months we have had an influx of Cubs increasing the number of Scouts on the books to 25 with more Cubs arriving between now and Christmas and then more next year. We have also been recruiting from the district wating list and have had a few walk in on a Monday night but the majority of our new scouts have come up from our own Cub section.

I would like to thank Wings, Tech, Torps and Starfish for their continued support with the scout section, especially when I have been pulled away due to family or work commitments.

I would also like to thank the Cub leaders and parent helpers for their support over the last year. Without you saying yes, sometimes at short notice to requests for help, our troop would have not been able to run.

I hope that in the coming year we will be able to maintain our good numbers and that we can continue to provide an active and varied programme for them to enjoy. We will continue to work towards giving each Scout the opportunity to learn new skills and to allow them to work towards their challenge, staged and proficiency badges so that they can achieve their Chief Scouts Gold Award.

Michael Coomer (Doc) – Sea Scout Leader

Section A Independent Examiner's Report

**Report to the trustees/
members of**

13th Southampton Sea Scout Group

**On accounts for the year
ended**

31st March 2025

**Charity no
(if any)**

1302227

Set out on pages

1 to 5

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/3/2025.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

**Independent
examiner's statement**

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

	11	Thanks Badge presentation	Chairman Kerry Budd presented Keith Greenaway with a Thanks Badge for supporting the group as our accounts examiner for 15 years from 2008 to 2022.
	12	Any other Business	Amanda thanks the committee and leaders for their hard work over the year
	13	Close Meeting	Kerry closed the meeting

Group Scout Leader's AGM Report

Every year I start with I can't believe another year gone but here we are again, as they say time flies when you're having fun.

I am very pleased to say that our pizza oven is now up and running, all sections have had some great evenings using it. It's an amazing activity and we can't wait to see what we can cook next.

Rex, Tony and Terry (Our maintenance team) have been busy working hard to keep our ground in top shape ready for our section night for all our young members to enjoy. They have also been working hard on developing our new campfire area.

In August 2023 we had our group summer camp at Wilverley. We had over 75 young members attend from all sections. We had lots of fun and adventurous activities along with an amazing silent disco on the Saturday night. I would like to thank all the leaders and helpers for supporting a great camp.

In November all sections attended the Remembrance Day service at St Peter's Church. We had a fantastic turn out and all our members look smart and did us proud.

We had our Christmas Fayre in December. The event was very well attended, we raised a record £1907. The Chairman's Challenge was won by the Cub team with a whopping £347. We would like to thank all our parents and local community for coming along and supporting. A massive thanks to Kerry our chairman and her team for organising. Five of our young people took part in Roverang this year and the Group went to support them at the Saturday matinee. Well done to them all.

I would like to take this opportunity to thank all the adults that volunteer at the 13th. As a group we have no paid staff, the group is fully run by volunteers that work hard week in and out to offer our young members amazing not only section evenings but additional events and camps. Without them we wouldn't have a group, so can I please ask you to remember to thank them for giving up their valuable time.

I would like to introduce you to the team:

Squirrels – Starfish, Coral and our young leaders – Nemo, Mowgli and our newest leader Turtle.

Beavers – Section Leader, Angelfish and supported by Pufferfish, Flounder, our young leader Dolphin and our newest young leader Dory.

Cubs - Section Leader Akela, supported by Shere khan, Hathi, Baloo and our young leaders Mowgli and Kaa.

Scouts –Section Leader Doc supported by Wings, Tech and Torps.

Board of Trustees – Our Committee work behind the scenes to support the group. Chairman Kerry Budd, our treasurer Rex Budd, our group secretary Laura Coles and our committee members – David Barclay, Jo Williams, Vicky Gray, Davina Aburrow and Arthur Ashton.

Maintenance Team – Rex Budd, Tony Kench and Terry Coles.

We held our group awards campfire in July, we had the District Commissioner and the District Cub and Beaver leads come along to present Chief Scout Acorn, Bronze, Silver and Gold awards. These are the highest award each of the sections can achieve. We are so pleased so many young members received them.

We have lots planned over the next 12 months, we have several camps and trips and are continuing to develop our grounds.

Yours in Scouting

Amanda Wallace – Group Scout Leader

Chairman's Report 2023-24

It has been another great year for Scouting at the 13th. The number of young people in each section remains high and this can only be attributed to the varied and fun activities provided by each of the section teams. I know you will join me in thanking all of the leaders for giving up their time for our young people, not only creating diverse programmes, but also helping to nurture skills for life and long-lasting friendships. In our "tech heavy" world it's great to be outside and having fun!

I can never thank Mandy (Starfish) enough for all her work, support and dedication to our Group and beyond. Her strong leadership is definitely the key to our Group's success. Thank you Starfish!

Our Group Trustees Board (previously known as the Executive Committee) continue the behind the scenes work to carry out the governance of the Group, whether it be good financial practice, or ensuring the HQ is in good working order and the equipment we need is available. Thank you to my fellow Trustees.

We have a small fundraising committee whose main job this year has been to support the Christmas Fayre. It is our main fundraiser each year and this time raised £1,907. The reason we are able to keep subs low is because of support at our Christmas Fayre etc. When the call goes out in the Autumn, please consider helping with the set-up before the day, or on a stall at the event. It doesn't take a lot of time and it's great fun.

Helping to keep our costs low, we have a Tuesday afternoon team (and Friday afternoons April to October). Rex (Neptune), Tony and now Terry, another grandparent from the Group, make up this team but if you know of someone who would enjoy helping with grass cutting and general maintenance of the site, please let us know. Please also help at our working party days, usually twice a year. Our maintenance team are fantastic, but I know some of you must have skills to help on these days. If you have specific practical skills, or just a willingness to help, let us know.

Our Group is now 65 years old and continues to go from strength to strength, offering more activities and developing our outside area. With this in mind, we will shortly be replacing our picnic benches under the shelter for sturdier ones. This has been made possible by grants from Tesco's and the Richard Kirkman Trust.

Finally, thank you to all the parents and carers for your continued support.

Kerry Budd (Coral)

Group Chairman

Squirrels

It has been another 12 months of fun packed adventure for the Squirrels. It's hard to believe that we celebrated 5 years of this section in February this year. It has been an amazing journey so far and the adventure continues.

I would like to take this opportunity to introduce you to our Squirrel team, the section is led by Starfish and supported by Coral, we have welcomed our newest leader Turtle who has joined the team and not forgetting our amazing young leaders Nemo and Mowgli. We do need another few helpers in this section, so if this is something you are interested in, please speak to Starfish.

The Squirrels have been working hard on their badges over the past 12 months and as part of this they have visited the library, gone on a hike and visited Sainsburys where they bought food for the local food bank. They have built dens, fires, and bug hotels. They have cooked pizzas, done soft archery, soft axe throwing and much, much more. We have awarded 8 Acorn awards, which is the highest award a Squirrel can achieve, we are very proud of all our Squirrels.

In May the Squirrels had a sleepover at the scout hall. They did lots of fun activities including slack lines, tree shaking and rockets. After a day packed with adventure, we had a campfire followed by fish and chips and a movie. A great time was had by all.

In June we attended the first ever Southampton City Squirrel fun day along with all the other dreys in our district. There were so many activities to do, including leaf bashing, bubbles, rockets and circus skills. It was a very hot day, so we all cooled down with some well earned ice lollies.

On the 2nd of July we held our very first Squirrels afloat, we had 10 squirrels join us on the water. They had a fantastic time, and we would like to thank all the leaders that supported on the water for the day. It was a great success, and we hope to do again this year.

In July we had our annual group end of term campfire and awards evening. Well done to Annie who was awarded Squirrel of the Year.

In August, 7 of our Squirrels joined our other sections, Beavers, Cubs and Scouts at our group summer camp at Wilverley. They cooked bread twists, played frisbee golf, built dens in the woods, went on a hike and much more. It was a great camp, and I think everyone would agree the highlight was the silent disco on the Saturday evening.

In September we attended the County Squirrel fun day at Ferny Crofts. We joined with nearly 300 Squirrels from across the County; we came together for a day of adventure. There were so many activities available. We did the climbing wall, crazy golf, inflatables, go carts, crafts, open fire cooking and this were just a few to name. We look forward to attending the next one in 2024.

Our next biggest group event was Remembrance Day service at St Peter's Church. The Squirrels attended along with all the other sections in the group. The Squirrels made a wreath in group in the week leading up to the service and then laid it on the day. They all looked very smart and were so well behaved, we were so proud of all of them.

In March 24 we attended the district cross country event at the sports centre. We had seven Squirrels enter and did such a great job they came 1st. We look forward to even more Squirrels entering in 2024.

Above is only a snapshot of what the Squirrel get up to, they have such an amazing, adventure and diverse program, but I would like to say none of this would be possible without the hard work and planning for the leaders and young leaders and all the support from our adult helpers.

We are extremely excited for the next 12 months as we have already planned in several camps and days out so our Squirrel adventures will continue.

The Squirrel Team

This AGM greets us with another full, fun-packed year for the Beaver Section. We continue to grow in numbers, and definitely have a large, active colony!

Another busy year has been enjoyed by the Beaver section with more opportunities for badges and adventure.

Nights away have been completed with Wilverley for 2 nights and the Beaver Christmas sleepover. Wilverley was an action packed filled weekend with a theme of 'I'm a Beaver, get me out of here' pushing the Beavers with challenges including bug eating and survival skills. Another nights away opportunity occurred with the annual Beaver Christmas Sleepover, lots of crafting was involved and a Christmas feast cooked by Mumma Starfish! The nights away that the Beaver section have been able to offer would not be possible without Starfish. We now look forward to Summer Camp, Christmas Sleepover and District Camp 2025 for more nights away opportunities!

Our regular Thursday nights have been as busy as ever, we have completed our Navigation badge, Fitness, Communication, Craft and Emergency Aid stage 2 and Book Reader. We have enjoyed celebrating Chinese New Year, Easter and Mother's Day as well as Star Wars day combined with the Kings Coronation (Big thanks to Lee Stewart aka Darth Vader for getting the Beavers to understand May the 4th!). Badges continue to be big part of our Beaver programme and we are looking forward to completing Paddle Sports and Time on Water in the coming weeks.

This year we have seen more Squirrels come up to the section and have also seen the last of the original Hedgehogs move on to Cubs; I cannot wait to see what adventures they continue to have through the sections.

Leadership wise I continue to be supported by Starfish, Pufferfish, Flounder and our young leader Dolphin and this year we have welcomed a new young leader, Dory, into the Beaver Team. We continue to be supported by parents some evenings when needed. As I said above there are some opportunities the Beavers have that would not be possible without the dedication of Starfish, for which myself and the Beaver section will always be grateful.

From a District point of view the Beavers have enjoyed Paultons Park again this year and we also attended the Pantomime at the Point with the District. We also had a team compete in the District Loggerheads competition. . Ideally the competition is for teams of 6 but a dreamteam of 3 represented the 13th and through skill and teamwork they were able to achieve 1st place!!! This is a huge achievement of which they should be immensely proud; I know we, as a leadership team could not be prouder; congratulations Jed, Benjamin and Rosalie!

As the year comes to an end, I yet again find myself looking forward to the next Scouting year. So many opportunities to be had and even more badges to be earned. Thanks to on-going support and opportunity provided by the group the Beavers will continue to thrive in 2024/2025.

Yours in Scouting

Angelfish

It has been a great year with Cubs growing to 25 on roster. We have welcomed new Cubs from Beavers and in turn have seen many Cubs continue their journeys moving onto Scouts, including the first 'Hedgehog' moving through all 4 sections. We have enjoyed getting to know our young Pack and seeing them swap their blue jumpers for green. The adult leader team remains unchanged. Our young leader Clarke 'Mowgli' has continued to go from strength to strength and has been joined by Mateusz 'Kaa'. They have developed good relationships with both leaders and cubs while leading on activities and games as well as taking registers.

Cubs had a great time at the 13th Summer Camp at Wilverley. It was fun staying in tents and cubs had the chance to show their moves at the silent disco while mixing with Squirrels, Beavers and Scouts.

Some cubs also had the opportunity to take part in the survival camp in September.

October and November were busy working on our DIY and Environmental Conservation badges and two nights of knife skills run by Doc as well as poppy making for Remembrance Day parade. The Cubs looked very smart at parade and represented the 13th at poppy selling the day before at Sainsburys Portswood in support of the Poppy Appeal.

The Cubs also enjoyed their Halloween party.

The Cubs have been involved in district events attending the carol service which returned to St James Church in Shirley in December.

Cubs attended the County cross country event in the Sports Centre, as well as the annual chess competition.

By the time of the AGM a cub team will have attended the Totem Pole competition.

Cub leaders continue to attend and represent 13th Cubs at district meetings to meet other leaders and see what is taking place.

Despite what has been at times awful weather this year Cubs have been making use of the outdoor seating and covered area and with the warmer weather having fun on the grass with wide games. We even had our own Highland Games. Cubs and Leaders also had an enjoyable evening using the pizza oven with thanks to Starfish and Neptune!

As well as the badges above cubs have worked on their Communicator, Pioneering, Backwoods Cooking and Gardening badges. Cubs also completed their Fire Safety badge with a visit to Redbridge Fire Station hosted by Blue Watch. This was a great evening looking around the station, learning about the Fire Service and of course trying the fire hoses!

There was a night hike from the Happy Cheese in Ashurst with another hike planned before the summer break.

Before the summer break it is hoped we will get on the water and will be doing our Paddle sports badge in preparation.

As always, my personal thanks to the Cub Team for their support and giving up their time so the Pack can enjoy all the fun of Cubs. Thanks also to other leaders in the Group who have given up their time to support us on evenings. Finally, thanks to Starfish who continues to lead the 13th supporting all of us. We are all looking forward to the coming year and to build on the successes of this one.

Yours in Scouting,

Clarke, Mateusz, Justin, Kelly, Mali & Pete.

Mowgli, Kaa, Akela, Hathi, Baloo & Shere Khan.

~~ Sea Scouts ~~

Since the last report we have had a full and varied programme of activities and challenges.

As a troop we took on a large-scale pioneering project of building a monkey bridge. The project involved the scouts pulling together to make "A" frames and tensioning ropes between them to make a strong and sturdy structure for them to hang from and walk across. It was a steep learning curve for both scouts and leaders and everyone had a huge sense of achievement once the project was completed.

In the summer term saw us having afloat nights at Priory Hard where scouts gained time on the water and paddlesport badges.

Unfortunately, this year's afloat sessions have been hit with some water quality issues. In March 2024 a local group started testing the River Itchen at various points along the river and found out there were extremely high E.Coli readings. This has meant that paddling from Priory has had to be put on hold whilst the ongoing water testing is going on.

This has meant that we have had to think creatively for our afloat nights looking for activities on top of rather than in the water.

We started off with a paddling session in open canoes on the lake at Woodmill, and have recently used the gigs at the 25th Southampton Sea Scouts. Both sessions have had positive reactions from the scouts with most wanting to repeat these sessions again.

Our Autumn activities included night hikes, indoor pioneering, various badge work and our Christmas Fayre project of wooden reindeers and Swedish torch fires.

Over the year we have worked towards various clauses of the Challenge Badges for all of the Scouts. Many of the older Scouts only needed a few items ticked off to be able to finish all of their badges, and to then be able to achieve their Chief Scouts Gold award. This is something we continue to work on each term.

We had one of our Senior PLs (Ben) take part in Roverang again this year. Roverang is the local Scout and Guide Gang Show that has taken place in Southampton for over 50 years. This year's show was based on an idea called "The Imaginarium" based in a magical costume shop! The scout section attended the Saturday show this year and really enjoyed the performance.

Our troop numbers have been up and down over the last year between 14-21 Scouts on the books. We have been recruiting from the district waiting list and have had a few walk in on a Monday night but the majority of our new scouts have come up from our own Cub section. This has meant that since September we will have been moving scouts around the patrols to find new Patrol Leaders and Assistants and to try to develop the best teams in each patrol. In the last few weeks we have invested four new members into the troop bringing our numbers up to 23.

I would like to thank Wings, Tech, Torps and Starfish for their continued support with the scout section, especially when I have been pulled away due to family or work commitments.

I would also like to thank the Cub leaders and parent helpers for their support over the last year. Without you saying yes, sometimes at short notice to requests for help, our troop would have not been able to run.

I hope that in the coming year we will be able to build the troop back up to good numbers again and that we can continue to provide an active and varied programme for them to enjoy. We will continue to work towards giving each Scout the opportunity to learn new skills and to allow them to work towards their challenge, staged and proficiency badges so that they can achieve their Chief Scouts Gold Award.

Michael Coomer (Doc) – Sea Scout Leader

Section A Independent Examiner's Report

Report to the trustees	13th Southampton Sea Scout Group		
On accounts for the year ended	31 st March 2024	Charity no (if any)	1202227
	Set out on pages 1 to 5		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2024.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

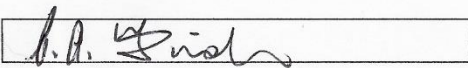

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
