Note 1 Basis of preparation

This section should be completed by all charities .

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014

and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The Trustees have considered the risks to the charity, and as part of this consider the charity to be able to meet its financial obligations for the foreseeable future and as such have prepared the accounts on a going concern basis.

1.3 Change of accounting policy

The accounts present a true and fair view and the accounting policies adopted are those outlined in note 2. The accounts were prepared on a cash basis in the prior year, and the accounting policy changed to an accruals basis for the current year. This change in accounting policy has had no effect on the prior year figures.

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period (3.46 FRS 102 SORP).

Note 2 Accounting policies

INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. ☒	☒	☒						
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☒</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☒	☒

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2025.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	CIO
Trustee selection methods (eg. appointed by, elected by)	Appointed by the Board of Trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;

- trustees' consideration of major risks and the system and procedures to manage them.

Kineara Charity was established in March 2022, with three independent Trustees. The charity is connected to Kineara CIC, a social enterprise that works with vulnerable households, for example those in insecure or temporary accommodation.

For the first year of operation, the charity has focused on developing its strategy, and the Trustees have identified the key risks being:

- ability to fundraise sufficient amounts to deliver its strategy
- safeguarding of vulnerable adults and children
- attracting and retaining talented people to work for the charity
- managing its relationship with Kineara CIC

The Trustees have established governance processes to manage these risks, including Safeguarding policies and procedures, Conflict of Interest policy, and bringing in fundraising expertise.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are, for the public benefit:

The relief of those in need through financial hardship, and the prevention and relief of poverty for people who are homeless, at risk of becoming homeless, or living in adverse housing conditions in the UK, in particular but not exclusively by:

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

1. Providing them with specialist support;
2. Advancing research and promoting awareness on issues around housing and homelessness

For the first year of Kineara Charity, the Trustees have, for the public benefit, started fundraising activities – including a winter appeal – and developed key relationships within the sector.

The charity has also begun fundraising for its activities, especially towards providing new services to vulnerable households in South London.

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit when deciding on the strategy and activities for the charity for the year.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Kineara Charity has benefitted from voluntary support and pro bono support from individuals as well as from Kineara CIC, particularly on administration and governance.

Summary of the main achievements of the charity during the year

The main achievements during 2023 to March 2024 were:

- Running a winter appeal, which raised awareness of the challenges faced by vulnerable households and those in temporary accommodation, and raised £620 for supporting these beneficiaries in the future
- Obtaining a grant of £3,000 from Taroe Trust Ltd, which is unrestricted for Kineara Charity's charitable purposes
- Starting fundraising activities and building relationships with organisations such as Impact on Urban Health and with the National Lottery Community Fund
- Establishing key governance policies and processes, and holding regular Board meetings

Section E Financial review

Brief statement of the charity's policy on reserves

The charity aims to hold sufficient reserves to cover its core administration costs for three months – as the charity has only just been established this level is still under review by the Board.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

For the first year, the principal sources of funding have been individual donations and grants. As these amounts were raised towards the end of the financial year, no expenditure has been committed by the year end; in the next financial year it is planned to raise more funding and begin support activities in South London initially.
