Berkshire Lowland Search and Rescue

Trustees Annual Report 2025

This is the annual report from the Trustees of Berkshire Lowland Search and Rescue for 2025.

Berkshire Lowland Search and Rescue is a group of approximately 80 volunteers who are trained to be able to support Thames Valley Police (TVP) in searching for high risk, vulnerable missing people who have been reported to the police. This service is available free of charge to the police, and is available 24 hours a day, 365 days a year. Whilst most of our members are operational searchers, as identified below some of our volunteers conduct important support roles. In addition to supporting TVP the team also provide support to Royal Berkshire Fire and Rescue Service (RBFRS) in water rescue and providing drone capability at the scene of major incidents. In addition to these services the team are also able to provide support to Local Authorities and other statutory bodies such as the NHS.

The team currently have 99 members and in 2025 attended 43 incidents, and were involved in 145 events. Of these incidents there were 30 call outs.

Since becoming a CIO, the Trustees have ensured that the team operates on a secure bedrock of policies and practices in order to carry out their responsibilities. This is still work in progress as the Trustees continue to be involved with providing strategic oversight to the running of the team. The Trustees can report that for the financial year 1st April 2024 to 31st March 2025 the team is in a firm financial position with the team employing recognised practices to manage the team finances and to identify any challenges to this position.

Income for the team came from a variety of sources during 2025. These funding streams consist of grants, donations and money raised for services provided by the team such as medical and stewarding services. The majority of the money raised is spent on the operational costs of running the team. Extra income is spent on replacing, or enhancing existing equipment used by the team such as a mega-sled used for flood rescue and better equipped drones.

The most significant objective for the Trustees during this year has been recruitment to the Leadership Team. The Trustees are responsible for the process of identifying, and nominating to the membership suitable individuals to take up lead roles on the Leadership Team (LT), which manages the day-to-day operational running of the team. Early in the year at a Strategy Day it was identified that the vacancies on the LT were hampering the team's ability to carry out basic functions. Trustees visited several Volunteer Fairs and were able to recruit suitable volunteers to fill the identified roles. Importantly these individuals were recruited for their professional knowledge and experience, and not as operational searchers. This allowed the Trustees to make strategic appointments to roles such as Business Support,

PR and Marketing, Membership (HR) and a Project Officer. As a result, there are now no vacancies on the LT and this is already producing results.

Another significant objective for the Trustees has been progressing a new base for the team to operate from. The team has a fleet of vehicles and trailers, along with associated equipment which all requires secure storage. For the last few years, the team have been using premises owned by a Local Authority. We have now been informed that we need to move on and a new base identified. To give this project the urgency it requires a Trustee is now leading the search assisted by the Project Officer. They regularly report to the Trustees and LT regarding progress. Financially the team have significant reserves built up to offset major expenses related to a new base. This project is now making progress and the team should be housed in a new base later in 2026.

Section A Independent Examiner's Report

Report to the trustees/ members of

Berkshire Lowland Search and Rescue CIO

On accounts for the year ended

31 March 2025

Charity no (if any)

1202260

Set out on pages

1 - 4

(Remember to include the page numbers of any footnotes)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2025.

Responsibilities and basis of report

As the charity trustees of the CIO, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BERKSHIRE LOWLAND SEARCH AND RESCUE

England & Wales - Charity number 1202260

Accounts

Trustees Annual Report 2024 (CC)

Berkshire Lowland Search and Rescue (BLSAR), is a group of volunteers, about 70 strong, who support Thames Valley Police in searching for, and rescuing vulnerable missing people, mainly in Berkshire. These individuals are likely to be depressed or suicidal, living with dementia, or suffering from poor mental health. As part of a national organisation, Lowland Rescue, our members are trained to national standards which allows them to support teams in surrounding counties to undertake searches, and further afield when required. The training and resources of the team allow us to deploy searchers on foot, on or in the water including the use of sonar, and the use of drones (RPAS). Once the missing person has been found members of the team have been trained to provide a high level of medical care.

The training and resources also allow us to support Royal Berkshire Fire and Rescue Service (RBFRS) with water searches and provision of RPAS capability. In the past the team have assisted RBFRS with evacuation of homes in flood affected areas. We are also able to support other statutory agencies such as local authorities. Support has included the deployment of sand bags, and during the COVID crisis, the administration of vaccines.

BLSAR relies on several different funding streams to provide the necessary finances to keep the team running. These streams include: payment for services provided such as marshalling and first aid cover at events such as the Bracknell Half Marathon and Wokingham Fireworks; donations from members of the public through bucket collections and money raised by families who have benefitted from searches conducted by the team; we have also been successful with several grant applications which have financed capital for new equipment and vehicles.

The money raised is predominantly spent on the running costs of the team which currently runs at about £25,000 to £30,000 per annum. Purchasing of new, and replacement, equipment means that the team can provide the

services as mentioned above. The team are currently in the process of trying to locate a new base where vehicles and equipment can be stored. To this end a proportion of the team income has been ring fenced for any work that maybe required to make premises serviceable for our needs.

Section A

Independent Examiner's Report

**Report to the trustees/
members of**

Berkshire Lowland Search and Rescue CIO

**On accounts for the year
ended**

31 March 2024

**Charity no
(if any)**

1202260

Set out on pages

1 – 4

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/03/2024**.

**Responsibilities and
basis of report**

As the charity trustees of the CIO, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
