### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

---

The Trustees present their annual report, together with the financial statements of Bluebase Foundation for the year ending 31 March 2025.

#### **OBJECTIVES AND ACTIVITIES**

To provide grant funding for wholly Charitable purposes to support Charities/Non-Profit organisations and amateur sports clubs.

#### **MAIN ACTIVITIES**

To facilitate the establishment of a hospice in Hungary for the benefit of cancer patients and their families. To provide financial support to other Charities and amateur sports clubs primarily, but not necessarily exclusively, in and around the West Midlands.

#### **PUBLIC BENEFIT**

All actions/decisions taken during the year by the Trustees have been in regard to the guidance issued by the Charity Commission on public benefit.

#### **ACHIEVEMENTS AND PERFORMANCE**

The Charity's overseas work focuses on establishing a hospice in Hungary to provide end-of-life care for patients. To date, the loans granted have been used to fund the initial property purchase, cover associated acquisition fees, and support general operating costs.

#### **Financial figures**

At the end of the last financial year, Bluebase Foundation received a significant donation, which has shaped the focus of activities during the current year. This funding has enabled the Charity to make substantial contributions to local initiatives and advance its overseas development goals.

#### **Grants to Local Charities and Sports Clubs:**

A total of £120,250 was allocated to support local Charities and amateur sports clubs around the Stourbridge Area.

Black Country Boxing Academy was established to offer children/young adults structure and focus by providing them with a safe location to meet, to help build their confidence, and support with their mental health by using boxing as a way to express their anger and frustration. The donation from Bluebase Foundation has been used to fund new equipment to enhance the training facilities.

Side by Side Theatre offers drama, dance and other interactive arts to adults with physical and/or learning difficulties, thereby providing structure, learning and pushing back boundaries, challenging the perception of learning disability.

The theatre operates out of a disused Church having utilised a significant part of the Charity's reserves (including grant funding) bringing the property into good repair. Their final "big ticket" item costing will be the replacement of the heating system. The £100,000 contribution from Bluebase Foundation will facilitate the replacement of the heating system and leave in reserve funds for future liabilities.

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

---

The Fine Collective aims to facilitate projects, and raise funds to support and educate people within the local community. Working closely with children, families and groups they provide opportunities around nature connection, cooking and life skills. Bluebase Foundation's grant was used to fund an eight week wellbeing project in Schools, involving a four week cooking course, eight week forest school course, and a Green finger course.

#### **Funding**

Bluebase Foundation's investment in the Stourbridge area demonstrates a strong commitment to community development, mental health support, and inclusive education. These initiatives will have a lasting positive impact on the local residents.

#### **Hungarian Hospice Development:**

The Foundation continued its overseas funding by acquiring loans totalling £838,139 to support the establishment of a hospice in Hungary. These funds have been used to acquire the property, cover associated fees and support the general operating costs of the non-for-profit organisation. The development and completion of the Hospice will require further funding in due course.

#### **Loan Interest:**

Interest incurred from the Hungarian loans is accrued and whilst not payable until 2030 it will remain with the Hospice.

#### **Operational Expenditure**

Operational costs for the year included advertising aimed at increasing awareness of Bluebase Foundation within the local community, as well as expenses related to the annual audit.

#### **Community Engagement**

The Foundation has placed significant emphasis on creating awareness and building relationships within the local community. This is demonstrated by the diverse range of Charities that have benefited from donations, reinforcing the organisation's role as a trusted partner in social development.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

#### **CONSTITUTION**

Bluebase Foundation is a registered Charity, number 1202277, and is a Charitable Incorporated Organisation governed by its constitution dated 9 March 2023.

#### **METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES AND TRAINING POLICIES**

Every Trustee must be appointed by a resolution passed at a properly convened meeting of the Charity Trustees.

#### **FINANCIAL REVIEW**

The Charity is holding funds in both Sterling and HUF currencies to use when requested.

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

---

#### GOING CONCERN

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operation existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

#### RESERVES POLICY

The Charity's intention is to hold reserves and use when requests for grants or awards by Charities/Non-Profit organisations and amateur sports clubs are approved by the Trustees and for the continual funding of the Hungarian Hospice when required.

At 31 March 2025 the total funds comprised:

Unrestricted: designated funds	£1,007,468
Unrestricted: other	<u>£99,879</u>
	<u>£1,107,347</u>

#### Designated funds

The designated funds has arisen from the Charity taking over the loan provided to the Hungarian Hospice, the Trustees have therefore decided to designate these funds.

#### General funds

Charitable funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

#### RISK MANAGEMENT

The Trustees believe that the Charity is not exposed to significant external risk. Internal risks are minimised by the implementation of procedures for authorisation of all transaction and projects and to ensure consistent quality of delivery for all operational aspects of the Charity.

#### INVESTMENT POLICY

There is currently no investment policy in place, the Trustees are planning on reviewing this matter.

#### FUNDRAISING

The Charity was not involved directly or indirectly in any fundraising for its own benefit during 2025. The Charity has not fundraising activities requiring disclosure under S162A of the Charities Act.

#### PLANS FOR THE FUTURE

To continue to facilitate the establishment of a hospice in Hungary for the benefit of cancer patients and their families. To provide financial support to other Charities and amateur sports clubs primarily, including a boxing club in the West Midlands.

#### FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The Charity does not hold any such funds on behalf of any other organisations.

**TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to Charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**Independent examiner's report to the Trustee of Bluebase Foundation ('the Charity')**

I report to the Charity Trustee on my examination of the accounts of the Charity for the year ended 31 March 2025.

**Responsibilities and basis of report**

As the Trustee of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**BLUEBASE FOUNDATION**

**INDEPENDENT EXAMINER'S REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2025**

---

This report is made solely to the Charity's Trustee, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustee those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustee as a body, for my work or for this report.

**BLUEBASE FOUNDATION**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**1. Accounting policies****1.1 Basis of preparation of financial statements**

Bluebase Foundation is an unincorporated Charity registered with the Charity Commission for England and Wales registration number 1202277. The Charity was setup on the 9 March 2023.

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Charities Act 2011.

The financial statements have been prepared to give a true and fair view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Bluebase Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Charity's functional and presentational currency is British Pound Sterling (£) and is rounded to the nearest pound (£).

The following principal accounting policies have been applied.

**1.2 Going concern**

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

This consideration has taken into account the expected impact of the current economic environment on the Charity, as far as it can be determined, and the Trustees remain satisfied that the going concern principle remains appropriate.

**1.3 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are accounted for when they are received.

---

**BLUEBASE FOUNDATION**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**1. Accounting policies (continued)****1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on Charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**1.5 Taxation**

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a Charitable Company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to Charitable purposes.

**1.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

---

**BLUEBASE FOUNDATION**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**1. Accounting policies (continued)****1.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustee in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustee for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

**2. Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

### TRUSTEES' REPORT FOR THE PERIOD ENDED 31 MARCH 2024

---

The Trustees present their annual report, together with the audited financial statements of Bluebase Foundation for the period 9 March 2023 to 31 March 2024.

#### OBJECTIVES AND ACTIVITIES

To provide grant funding for wholly Charitable purposes to support Charities/Non-Profit organisations and amateur sports clubs.

#### MAIN ACTIVITIES

To facilitate the establishment of a hospice in Hungary for the benefit of cancer patients and their families. To provide financial support to other Charities and amateur sports clubs primarily, but not necessarily exclusively, in and around the West Midlands.

#### PUBLIC BENEFIT

All actions/decisions taken during the period by the Trustees have been in regard to the guidance issues by the Charity Commission on public benefit.

#### ACHIEVEMENTS AND PERFORMANCE

This was the first period for the Charity. Besides the setting up of the functional day-to-day administration and financial processes, the Charity also established a website, branding and logos, and an advertising hoarding at the local Rugby club with the focus of creating awareness within the local community. Initial donations were received by the Charity at the end of the period. The first grants to local beneficiaries took place after the period end.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

##### CONSTITUTION

Bluebase Foundation is a registered Charity, number 1202277, and is a Charitable Incorporated Organisation governed by its constitution dated 9 March 2023.

##### METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES AND TRAINING POLICIES

Every Trustee must be appointed by a resolution passed at a properly convened meeting of the Charity Trustees.

##### FINANCIAL REVIEW

The Charity received its first large donation at the end of the period, therefore is in a healthy position for the following year.

##### GOING CONCERN

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operation existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

##### RESERVES POLICY

The Charity's intention is to hold reserves and use when requests for grants or awards by Charities/Non-Profit organisations and amateur sports clubs are approved by the Trustees.

**TRUSTEES' REPORT (continued)  
FOR THE PERIOD ENDED 31 MARCH 2024**

---

At 31 March 2024 the total funds comprised:

Restricted	£Nil
Unrestricted: designated funds	£838,139
Unrestricted: other	£346,933
	<u>£1,185,072</u>

**Designated funds**

The designated funds has arisen from the Charity taking over the loan provided to the Hungarian Hospice, the Trustees have therefore decided to designate these funds.

**General funds**

Charitable funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

**RISK MANAGEMENT**

The Trustees believe that the Charity is not exposed to significant external risk. Internal risks are minimised by the implementation of procedures for authorisation of all transaction and projects and to ensure consistent quality of delivery for all operational aspects of the Charity.

**INVESTMENT POLICY**

There is currently no investment policy in place, the Trustees are planning on reviewing this matter.

**FUNDRAISING**

The Charity was not involved directly or indirectly in any fundraising for its own benefit during 2024. The Charity has not fundraising activities requiring disclosure under S162A of the Charities Act.

**PLANS FOR THE FUTURE**

To continue to facilitate the establishment of a hospice in Hungary for the benefit of cancer patients and their families. To provide financial support to other Charities and amateur sports clubs primarily, including a boxing club in the West Midlands.

**POST BALANCE SHEET EVENT**

The Charity signed an agreement to provide funds to the Hungarian Hospice Charity of £838,139 in April 2024.

**FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS**

The Charity does not hold any such funds on behalf of any other organisations.

**TRUSTEES' RESPONSIBILITIES STATEMENT**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

---

**BLUEBASE FOUNDATION**

---

**TRUSTEES' REPORT (continued)  
FOR THE PERIOD ENDED 31 MARCH 2024**

---

The law applicable to Charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the Board of Trustees and signed on their behalf by:

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLUEBASE FOUNDATION**

---

**Opinion**

We have audited the financial statements of Bluebase Foundation (the 'Charity') for the period ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Trustee are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

---

**BLUEBASE FOUNDATION**

---

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLUEBASE FOUNDATION (CONTINUED)**

---

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustee's Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of Trustees**

As explained more fully in the Trustee's Responsibilities Statement set out on page 4, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

---

**BLUEBASE FOUNDATION**

---

---

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLUEBASE FOUNDATION (CONTINUED)**

---

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- obtaining and understanding of the legal and regulatory frameworks that the Charity operates in, focusing on those laws and regulations that have a direct effect on the financial statements;
- enquiring of management and Trustees around known or suspected instances of non-compliance of laws and regulations and fraud;
- discussing among the engagement team regarding how and where fraud might occur in the financial statements and any potential indications of fraud;
- reviewing Financial Statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations; and
- performing audit work in relation to the risk of management override, including testing of journal entries and other adjustments for appropriateness and reviewing accounting estimates for bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's report.

**Use of our report**

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and its Trustees as a body for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 31 MARCH 2024**

---

**1. Accounting policies****1.1 Basis of preparation of financial statements**

Bluebase Foundation is an unincorporated Charity registered with the Charity Commission for England and Wales registration number 1202277. The Charity was setup on the 9 March 2023, therefore the financial period is for 13 months to 31 March 2024.

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Charities Act 2011.

The financial statements have been prepared to give a true and fair view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Bluebase Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Charity's functional and presentational currency is British Pound Sterling (£) and is rounded to the nearest pound (£).

The following principal accounting policies have been applied.

**1.2 Going concern**

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

This consideration has taken into account the expected impact of the current economic environment on the Charity, as far as it can be determined, and the Trustees remain satisfied that the going concern principle remains appropriate.

**1.3 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are accounted for when they are received.

---

**BLUEBASE FOUNDATION**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 31 MARCH 2024**

---

**1. Accounting policies (continued)****1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on Charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**1.5 Taxation**

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a Charitable Company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to Charitable purposes.

**1.6 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.7 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.8 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1. Accounting policies (continued)**

**1.9 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustee in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustee for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

**2. Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
