Para 1.20	The charity exists to support the activities of a particular religious order and its members. This depends, to a very great extent, on the availability of a suitable property for the said community to live and from which to operate. Consequently, during the period of this report, the charity has been inactive. We still await donations suitable to the purchase of the necessary property.

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity is relatively new, being formed in March 2023 and exists to support the activities of a particular religious order and its members. This depends, to a very great extent, on the availability of a suitable property for the said community to live and from which to operate. Unfortunately, due to a number of factors unrelated to the charity and beyond our control, promised benefactions and donations intended to purchase an appropriate property have, as of yet, been unforthcoming. Consequently, during the period of this report, the charity has been practically inactive. We await the promised donations and the opportunity to commence our work fully. Limited donations have been received in order to purchase specific items related to the future operations of the charity and have been spent for that purpose.
