REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the Charity.

During the year, we committed and dedicated ourselves to complete various overseas projects. The projects we supported included:

FINANCIAL REVIEW

Reserves & Financial Performance

The Charity raised £366,085 (2024: £456,711) in income for this period and have distributed £314,652 (2024: £382,064) to worthy causes.

At the end of the year, the Trust has a reserves of £786,488 (2024: £735,055) to be carried forward, out of which £404,058 (2024: £336,643) were unrestricted reserves and £382,430 (2024: £398,412) were restricted.

The charity has sufficient reserves to cover expenses for more than six months. The Charity has minimized overheads and has sufficient general reserves to continue as a going concern.

The charity's main focus was centred on providing emergency humanitarian aid and on supporting the poor and needy around the world by providing a large number of food distributions. We also created much needed water wells in areas where water is in short supply. In addition, educational and training support provided for children with disability and women needing work skills in order to provide for their families.

FUTURE PLANS

The Trustees are confident that the Charity can continue functioning and meeting its charitable aims. However it is realised that funds collection by personal visits is becoming less sustainable and more modern methods are necessary. With this in mind the Charity's website is being brought up to standard to encourage more effective on-line communication and encourage higher on-line donations.

Food distribution and water well commissioning has taken place in Africa in the last couple of years. Contacts have been established with charities in Gambia, Kenya, Uganda, Tanzania and Sudan and the Trustees look forward to continue working in these areas in the future.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity governing document is a CIO foundation model constitution registered with Charity Commission on 15th March 2023.

The charity is controlled by its governing document, a deed of trust and constitutes a Charitable Incorporated Organisation (CIO) as defined by Charities Act 2011.

The old Trust transferred all its assets and liabilities to the new CIO on 1st April 2023.

Recruitment and appointment of new trustees

The existing Trustees are responsible for the recruitment of new Trustees. In selecting new Trustees, we seek to identify people who are committed individuals whose views are aligned to the charity's vision in addition to being able to offer relevant skills and experience.

Potential Trustees are invited to attend Trustees' meetings to meet the Trustees and have an informal interview and are given more details about the charity's aims and activities and, if all agree, they are then proposed as new Trustees at the subsequent Trustees' meeting.

This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Organisational structure

The charity Trustees are responsible for the general control and management of the charity. The Trustees meet regularly as a body and are responsible for the overall governance of Majlis Al-Falah Trust and to oversee the management and day to day running of the charity. One Trustee resigned for health reasons. Two new Trustees have been appointed to strengthen the Board and the charity now has a full complement of Trustees. A number of volunteers also are critical in helping the charity with administration and general support for which the Trustees are extremely grateful.

Induction and training of new trustees

Following appointment, the new Trustees are introduced to their new role and given copies of the governing document, a copy of the most recent, "The Essential Trustee' guidance booklet, and a guide to the policies and procedures adopted by our charity.

A number of publications from the Charity Commission are also provided including the guidance on charities and public benefit and on the advancement of religion for the public benefit.

This ensures that new Trustees are aware of the scope of their responsibilities under the Charities Act. Initially, new Trustees work with an existing trustee assisting on particular activities and projects run by the charity. After satisfactory feedback from existing Trustees, they are given the task of leading a particular activity or project, reporting progress at trustee's meetings.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MAJLIS AL-FALAH TRUST (UK)**

Independent examiner's report to the trustees of Majlis Al-Falah Trust (UK)

I report to the charity trustees on my examination of the accounts of Majlis Al-Falah Trust (UK) (the Trust) for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 Jan 2019 which has since been withdrawn.

The financial statements have been prepared under the historical cost convention.

Statutory Information

Majlis Al Falah Trust (UK) is a charitable incorporated organisation (CIO) registered with Charity Commission in England and Wales. The registered office address can be found at the information page.

Going Concern

The Board is confident that they have sufficient funds to carry out all their charitable activities under the CIO for the next twelve months. As a result, the accounts have been prepared on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised once the Charity receives them.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Investment property

Investment property is shown at fair value. Any aggregate surplus or deficit arising from changes in fair value is transferred to a revaluation reserve.
