Volunteer Testimonials

Testimonial 1: Anoushka – Hatchlings Coach & Girls' Lead

“Being part of the CPD programme this year has been one of the most valuable aspects of my coaching journey. Working with the Hatchlings and coaching mixed age groups means I’m constantly adapting, and the CPD sessions have given me the tools to do that with confidence. I’ve learned so much about player development, communication, and how to create sessions that work for children at very different stages.

As Girls’ Lead, the training has also helped me strengthen the pathway for our female players, ensuring they receive the same quality of coaching and opportunities as everyone else. The hours I’ve added to my coaching portfolio this year reflect not just time spent learning, but genuine growth. The CPDs have made me a more thoughtful, better-prepared coach, and the benefits are clear in how the children respond and progress each week.”

Testimonial 2: Olu – U11s & U12s Mixed Coach

“The CPD opportunities offered through the club have had a huge impact on my development as a coach. Working with two mixed teams at U11s and U12s brings a wide range of abilities and personalities, and the training sessions throughout the year have helped me understand how to support each player more effectively. I’ve gained new ideas, new approaches, and a much deeper understanding of how young people learn the game.

The CPDs have also allowed me to build a strong coaching portfolio, with significant hours dedicated to improving my practice. Every session I attend gives me something I can take straight back onto the pitch. Seeing the players benefit from that learning, in their confidence, teamwork, and enjoyment is what makes the whole experience so rewarding.”
