Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2025

2. Objectives and Activities

2.1. Introduction

The Shern Hall Methodist Church "The Church" is a Methodist church in the Forest Methodist Circuit. The church plays an integral role in the local community by hosting activities for residents. The congregation is ethnically diverse; however, we share one mission, and we work together to build god's kingdom here on earth.

The Shern Hall Church Mission and Vision

The Shern Hall Church mission statement is "We believe that God has called us to be a transforming, united Church of Jesus Christ's disciples, who are growing as followers, obedient to the word of God and with a passion to serve God's church and community."

2.2. Aims and organisation

The Church's purpose is to provide a place for Christian Methodist Worship at Shern Hall Street, Walthamstow. The Church Council meets at least twice each year to consider the work of God in the Church and the general management of the Church its business and buildings.

2.3. Purpose of the Church within the Methodist Connexion

The Church is an expression, over a lesser geographical area than a Circuit, of the Connexional character of the Methodist Church. The purposes of the Methodist church are and shall be deemed to have been since the date of the union the advancement of:

- a) the Christian faith in accordance with the doctrinal standards and the discipline of the Methodist Church
- b) any charitable purposes for the time being of any connexional, District, Circuit, local or other organisation of the Methodist Church,
- c) any charitable purpose for the time being of any society or institution subsidiary or ancillary to the Methodist Church,
- d) any purpose for the time being of any charity being a subsidiary or ancillary of the Methodist Church

3. Review of Progress and Achievements

3.1. Shern Hall Church Annual Report

During the church year ended 31st August 2025, Shern Hall Methodist Church (Shern Hall) benefited from the renewal of the Village Nest contract for the rental of the church annex to a family- owned pre-school. The rental cost was increased in line with the current CPI index.

Shern Hall has remained committed to its community outreach. On Sunday, September 29, 2024, a successful Harvest service was held and members of the congregation donated perishable goods. These goods were distributed to less fortunate residents in the London Borough of Waltham Forest.

Additionally, Shern Hall operated a weekly mission and outreach program, a chair-based exercise class that was facilitated by the Leyton Orient, under the leadership of Sis Cynthia Bonds. This activity catered to both members and non-members of Shern Hall. The attendees benefited from health talks from various subject matter experts in the health/medical field.

The congregation bid farewell to Revd Da Silva in July 2025 who had been at Shern Hall for 7 years and the Forest circuit for 12 years. The congregation prepared themselves to welcome Revd Kong Ching Hii in the upcoming church year.

The church council agreed that the window replacement project would be the main project during the year. Due to the high costs of this project, the church was unable to cover the overall cost of the project. The church successfully received grants from both the Methodist District Fund and the Forest Circuit. In response a church appeal was also launched, and members gave generously.

3.2. Future Plans

Shern Hall secured the funding for the window replacement project. However, the actual work will commence in September 2025 and will be completed in the first quarter of the 2025/26 financial year.

A new minister Revd Kong Ching Hii will be joining the Circuit in September 2025 with pastoral responsibility for Shern Hall and Woodford. The Congregation look forward to his new ministry.

4. Financial Review

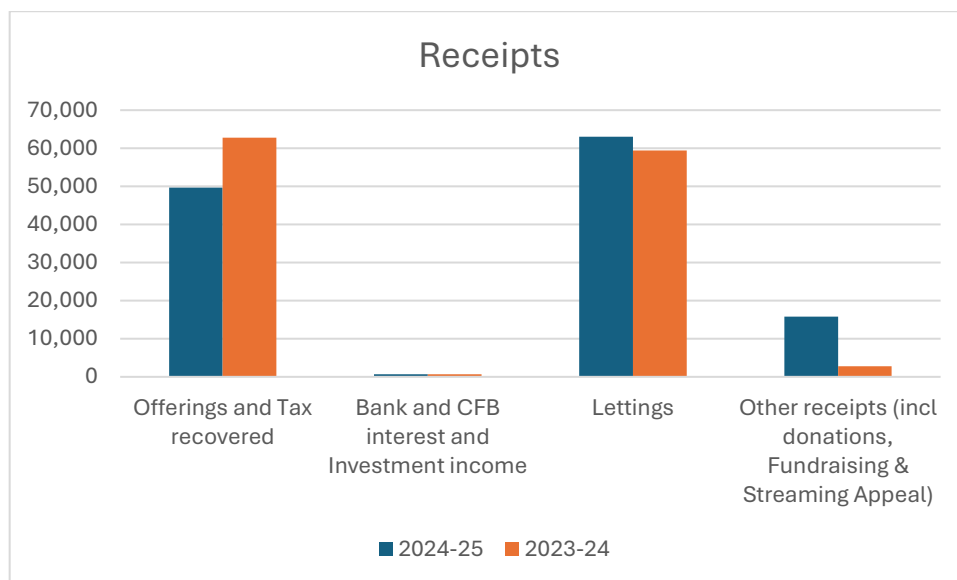

Receipts

The total receipts for the year were £129,223 which resulted in an increase of 2.8% on the previous year (23-24 £125,583).

Although an increase in receipts occurred it must be noted that £12,367 related to the Window Replacement Appeal Fund and is restricted for the Windows Replacement Project. £3,085 was received from fundraisings (23-24 £2,781).

Income from lettings rose by 6.1% to £63,025 (23-24 £59,400) whereas income from offerings reduced significantly by 20.8% to £49,683 (23-24 £62,741).

No gift aid was received in the financial year ended August 31, 2025, however Shern Hall is due to receive £9,349 in gift aid during the first quarter of the 2025-26 financial year.

Payments

The total payments for the year were £113,794 which indicated an increase of 6.3% on the previous year (23-24 £107,050).

The following expense categories contributed to the increase of 6.3%:

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2025

Salaries, admin, cleaning & Church Expenses

The overall Salaries, admin, cleaning & Church Expenses were £24,561 which reflected a 24.8% when compared to the previous year (23-24 £19,673).

Contribution to Salaries rose by 80.2% to £10,809 in comparison to the previous year (23-24 £6000). The reason for this was that the Office Manager (OM) was employed for the entire year in the financial year 24-25, and in 23-24 the OM worked for eight months.

Cleaning expenses increased by 21.7% to £7,480 from the previous year (23-24 £6,144). In May 2025, the Finance and Property Committee agreed to increase the cleaner's hourly rate from £16 to £18 in line with inflation taking into consideration that that hourly rate remained constant from October 2020 to May 2025.

Other payments (incl Exam. Charge)

Other payments for the year were £13,439 which indicated an increase of £11,835 when compared to the previous year (23-24 £1,604).

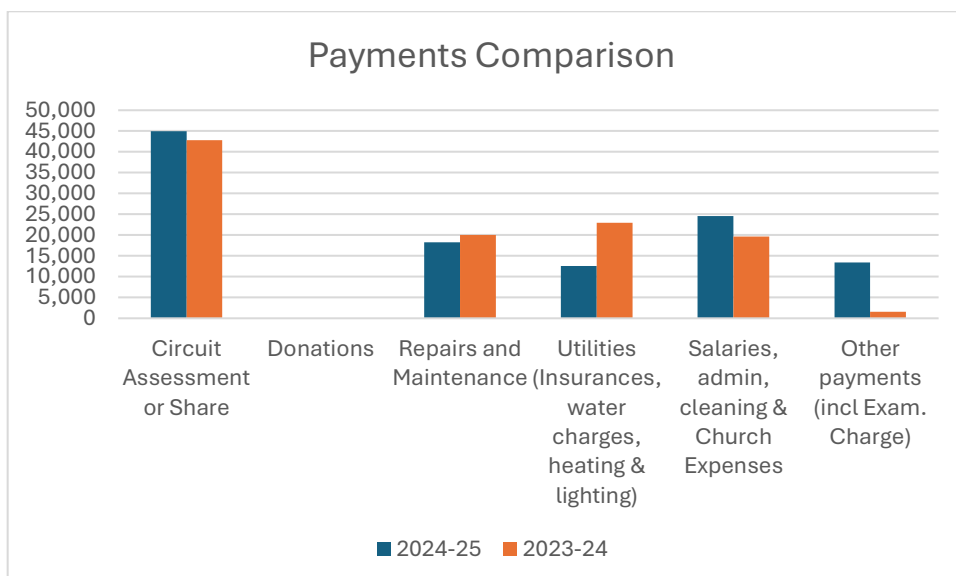

This increase was attributed to £10,793 which was designated to the windows project. This cost was covered by the monies collected from the windows replacement project.

Repairs and Maintenance

The repairs and maintenance reduced by £1,751 to £18,265 (23-24 £20,016), notable costs during the year included: In September 2024 new speakers and an amplifier was purchased for the church hall which amounted to £1,255, heating and valve upgrade in the amount of £4,560 in December 2024, installation of updated internet access cabling & equipment which cost £1,875 and during the year the church spent £3,305 on electrical works.

Utilities (Insurances, water charges, heating & lighting)

Utilities decreased significantly by 45.2% to £12,582 (23-24 £22,981). During the year the church opted to pay the water expense bi-annually.

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2025

5. Reserves Policy

The Church needs to maintain an operating reserve approximately equal to 6 months of annual expenditure, This would give a short time for the church to respond to an income reduction whilst still meeting immediate expenditure needs. This is currently approximately £57,000 inclusive of designated fund expenditure. Committed expenditure includes such items as: assessment to the circuit; church manager salary; utility bills; financial examination; etc.

At the end of the year the church had £55,064 assets of which £5,222 was restricted leaving £49,842. This is equivalent to over 5 months operating reserve, so particularly careful financial management of funds is needed.

The church's benevolent fund is a restricted fund and holds £4,354 at 31st August 2025.

6. Structure, governance and Management

6.1. Structure

Shern Hall Methodist Church is an unincorporated association and is governed by the Methodist Church Act 1976, the deed of Union and the Model Trust Deeds of the Methodist Church. It is part of the Forest Methodist Circuit. Overall regulatory authority rests with the Methodist Conference.

The Circuit Meeting passes regulatory control down to Church Councils for local implementation by the Presbyter, the Church Stewards, and other officers, and this regulatory authority is then exercised by Church Councils as Managing Trustees of their charity.

6.2. Governance

The Church operates within a statutory framework of regulation and seeks to ensure that it follows Methodist Standing Orders. It relies on the Forest Circuit, the London District, the Connexional Office and the Charity Commission to provide guidance on changes that could affect the Church.

Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by the order of the annual conference (CPD)

6.3. Management

Day to day management of Shern Hall Methodist church, between trustees meetings is undertaken by the Minister, Church Stewards, the Treasurers and a number of established committees: the Pastoral Committee, the Safeguarding committee and the Finance and Property Committee. These committees are appointed by the Church Council to act on behalf of the Church Council between Church Council Meetings.

7. Related Parties

Shern Hall Methodist Church is part of the Forest Methodist Circuit which is part of the London District of the Methodist church and is therefore also accountable to the Methodist Conference. The church's main source of funding is offerings from the congregation and income from rooms let.

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2025

The income is used to pay an assessment to the Forest Methodist Circuit, pay for the upkeep of the Church building and carry out the Church Mission.

The church now also shares the responsibility for the employment and cost of a Church Manager with Woodford Methodist church.

8. Public Benefit Requirement

The trustees had due regard to the guidance published by the Charities Commission in compliance with its duties under section 4 of the Charities Act 2011. This guidance sets out two key principles:

- The organisation must have an identifiable benefit.
- The benefit must be to the public or a section of the public.

The church exists to:

- increase awareness of God's presence and to celebrate God's love;
- help people to learn and grow as Christians, through mutual support and care; and
- be a good neighbour to people in need and challenge injustice.

The trustees consider that for these reasons the charity meets these public benefit requirements.

- c) ensuring financial statements are prepared for each financial year ending 31st August, that give a true and fair view of the Church's financial activities during the year and of its financial position at the end of the year

In preparing these financial statements, the Trustees must:

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) ensure accounts comply with the Charities SORP;
- d) prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2024

2. Objectives and Activities

2.1. Introduction

The Shern Hall Methodist Church "The Church" is a Methodist church in the Forest Methodist Circuit. The congregation is ethnically diverse, from e.g. the Caribbean, Africa, England, Wales, etc. We are all one family in Christ, and strive to love and respect each other. The church wishes to be seen as relevant to the local community. It is therefore imperative that we try to address this by making the church a central part of the community, not only by looking up to date and modern, but able to offer mission and ministry.

2.2. The Shern Hall Church Mission and Vision

The Shern Hall Church mission statement is "We believe that God has called us to be a transforming, united Church of Jesus Christ's disciples, who are growing as followers, obedient to the word of God and with a passion to serve God's church and community."

2.3. Aims and organisation

The Church's purpose is to provide a place for Christian Methodist Worship at Shern Hall Street, Walthamstow. The Church Council meets at least twice each year to consider the work of God in the Church and the general management of the Church its business and buildings.

2.4. Purpose of the Church within the Methodist Connexion

The Church is an expression, over a lesser geographical area than a Circuit, of the Connexional character of the Methodist Church. The purposes of the Methodist church are and shall be deemed to have been since the date of the union the advancement of:

- a) the Christian faith in accordance with the doctrinal standards and the discipline of the Methodist Church
- b) any charitable purposes for the time being of any connexional, District, Circuit, local or other organisation of the Methodist Church,
- c) any charitable purpose for the time being of any society or institution subsidiary or ancillary to the Methodist Church,
- d) any purpose for the time being of any charity being a subsidiary or ancillary of the Methodist Church

3. Review of Progress and Achievements

3.1. Shern Hall Church Annual Report

The Shern Hall and Woodford joint management team utilised professional HR expertise to follow the safer recruitment process to find a person to be part time church manager for the two churches. They were pleased to appoint Vanessa Rose, who started her role in January 2024.

Revd Da Silva was due a sabbatical in the year. He used part of this time to complete his walking pilgrimage to Compostela. Many of the church members were pleased to follow his progress through his posted photographs and brief meditations. These were shared more fully on his return with the Circuit as well as the church.

After negotiation and property preparation, the church felt blessed to agree a contract with Village Nest for the use of the Church Annex during the week for a Preschool. Village Nest is a local established family preschool organisation wishing to expand their organisation.

The Church Council reviewed a number of property project areas and carefully considered the priorities. A number of investigations were made and quotations for work obtained. Grant contributions to the cost were also explored. Ideally one big project would cover all aspects, but this proved too difficult to achieve. Therefore the priority order was considered. With health & safety in mind the focus was given to 1) making safe and exploring the use of the stables block followed by 2) replacement of the windows in the main church building, 3) Sorting out the car park drainage and resurfacing. Work on the stables began with a group of qualified church members organising a working group of professionals to clear a considerable amount of rubbish from the stables buildings and making it safe.

Unfortunately difficulties in relation to the land registry for the stables and carpark area have been uncovered. These need to be sorted out with lawyers before progress can be made.

The Church council agreed that a number of small projects could progress separately to the large projects, as funds allowed. The responsibility for actioning these was devolved to the Finance and Property Group. This allowed for progress on the smaller tasks between church Councils. These included: redecoration of the church hall with new blinds and lights, refurbishment of the lighting in the church sanctuary and around the church and initial work to try to improve the efficiency of the heating system. Action on the larger project /jobs need to be referred to the Church Councils.

A future Treasurer was identified, Ms Leandre Tuitt. Leandre will work with Hannah Roberts for 6 to 12 months till she is comfortable with all the aspects of the financial role, in an effort to smooth the handover process.

A Mission and outreach program was explored initially focusing on light exercise and Health & Wellbeing. Cynthia Bonds, liaising with the Leyton Orient Trust, set up pilot sessions which were well received.

In 2025 Revd Da Silva will have been at Shern Hall for 7 years and 12 years in the Circuit. His appointment was therefore subject to the Methodist Stationing process. Two representatives from the Church council were appointed to join the Circuit Stationing Committee.

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2024

3.2. Future Plans

The Church Finance and Property committee have already been reconsidering the priorities of the larger projects. This is likely to be focusing on the replacement of windows. As soon as quotes can be revisited, grant applications can be revised to organise funding. A resolution to the responsibility for the stables and car park will be explored in parallel. The projects in those areas can then be re-evaluated.

One of the Church Manager responsibilities is working on ensuring the church building is compliant in all areas. E.g. 24-25 is when full electrical inspections are due.

It is hoped that the decision will be made to continue the Mission and Outreach program - health and well being sessions on a regular basis other areas of activity will be explored.

Revd Da Silva will be leaving Shern Hall and the Circuit in the summer of 2025 to continue his ministry in the West Country. The church council and congregation are grateful for his care, commitment and expertise through a number of difficult times for the church, the covid pandemic, a flood, and financial difficulties to name but a few.

A new minister Revd Kong Ching Hii will be joining the Circuit in September 2025 with pastoral responsibility for Shern Hall and Woodford. The Congregation look forward to his new ministry.

4. Financial Review

The total receipts for the year of £125,583 were a further increase on the previous year (22-23 £116,674). The payments for the year £107,050 were less than last year of £115,746, as certain of the planned repair and maintenance work was not completed in the year. This gave a surplus for the year of £18,533, (22-23 £928).

The congregational offerings were maintained at the same level as last year £54,575, but the gift aid received was £8,166, slightly lower than last year (22-23 £9,184). The letting fees had been increased by 50% in the previous year due to energy costs. These were not further increased, but a significant full time letting of the Annex to a Preschool was agreed and started, which increased the lettings to £59,400, significantly more than the previous year (22-23 £30,992)

Energy prices increased by 70%, further than expected to £20,456 compared with the previous year (22-23 £12,064). Water rates were much less at £685 compared with the previous year (22-23 £6,541), as the debt which Castle claimed was due was paid off following threats to cut off the water. The debt was disputed, but it is unlikely this will now be refunded.

The management team were very pleased to be able to employ Vanessa Rose as the new Church Manager. This is a joint agreement with Woodford Methodist Church. Vanessa works 2 mornings at Shern Hall and two at Woodford. She has quietly and efficiently provided most effective support.

The repairs and maintenance of £20,016, (22-23 £23,494) included: £4,765 on heating system efficiency changes, with more due on this in October 2024; £8,000 was spent on a badly needed refreshing of the Hall decoration and new blinds.

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2024

5. Reserves Policy

The Church needs to maintain an operating reserve approximately equal to 6 months of annual expenditure. This would give a short time for the church to respond to an income drop whilst still meeting immediate expenditure needs. This is currently approximately £55,000. Committed expenditure includes such items as: assessment to the circuit; church manager salary; utility bills; financial examination; etc. However, the church also has significant work required to the fabric of the main church building, e.g. new windows are urgently required,

At the end of the year the church had £34,793 unrestricted assets. This is equivalent to just under 4 months operating reserve, so particularly careful financial management of funds is needed.

With slightly increased funds from the letting of the Annex to the preschool, the Finance and Property group should be able to address a few more of the small property jobs identified with little further detrimental impact on the church reserves. However grant funding urgently needs to be sought for all major property work required.

The church's benevolent fund is a restricted fund and holds £3,548 at 31st August 2024.

6. Structure, governance and Management

6.1. Structure

Shern Hall Methodist Church is an unincorporated association and is governed by the Methodist Church Act 1976, the deed of Union and the Model Trust Deeds of the Methodist Church. It is part of the Forest Methodist Circuit. Overall regulatory authority rests with the Methodist Conference.

The Circuit Meeting passes regulatory control down to Church Councils for local implementation by the Presbyter, the Church Stewards, and other officers, and this regulatory authority is then exercised by Church Councils as Managing Trustees of their charity.

6.2. Governance

The Church operates within a statutory framework of regulation and seeks to ensure that it follows Methodist Standing Orders. It relies on the Forest Circuit, the London District, the Connexional Office and the Charity Commission to provide guidance on changes that could affect the Church.

Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by the order of the annual conference (CPD)

6.3. Management

Day to day management of Shern Hall Methodist church, between trustees meetings is undertaken by the Minister, Church Stewards, the Treasurers and a number of established committees: the Pastoral Committee, the Safeguarding committee and the Finance and Property Committee. These committees are appointed by the Church Council to act on behalf of the Church Council between Church Council Meetings.

7. Related Parties

Shern Hall Methodist Church is part of the Forest Methodist Circuit which is part of the London District of the Methodist church and is therefore also accountable to the Methodist Conference. The church's main source of funding is offerings from the congregation and income from rooms let.

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2024

The income is used to pay an assessment to the Forest Methodist Circuit, pay for the upkeep of the Church building and carry out the Church Mission.

The church now also shares the responsibility for the employment and cost of a Church Manager with Woodford Methodist church.

8. Public Benefit Requirement

The trustees had due regard to the guidance published by the Charities Commission in compliance with its duties under section 4 of the Charities Act 2011. This guidance sets out two key principles:

- The organisation must have an identifiable benefit.
- The benefit must be to the public or a section of the public.

The church exists to:

- increase awareness of God's presence and to celebrate God's love;
- help people to learn and grow as Christians, through mutual support and care; and
- be a good neighbour to people in need and challenge injustice.

The trustees consider that for these reasons the charity meets these public benefit requirements.

9. Church Trustee Responsibilities

9.1. General Responsibilities Include:

- formulation and promotion of policies which will advance the mission of Shern Hall Methodist Church
- constantly being aware of the public benefit guidance issued by the Charity Commission

9.2. Financial Responsibilities include:

- a) ensuring that sufficient accounting records are kept which disclose with reasonable accuracy at any time the financial position of Shern Hall Methodist Church and enables them to ensure that the financial statements comply with the law and Standing Orders of the Methodist Church.
- b) safeguarding the assets of the Church and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.
- c) ensuring financial statements are prepared for each financial year ending 31st August, that give a true and fair view of the Church's financial activities during the year and of its financial position at the end of the year

In preparing these financial statements, the Trustees must:

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) ensure accounts comply with the Charities SORP;
- d) prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

Shern Hall Methodist Church - Trustees' Annual Report For the year ended 31st August 2024

9.3. The Shern Hall Church Council

The Church Council meets at least 2 times a year to deal with routine and exceptional matters. It seeks to think strategically about the work of the Church and carry out administrative matters. Its key functions have been:

- a) to encourage the Church to consider its Vision, and enable it to achieve its Goals
- b) to monitor the life and mission of the whole Church
- c) to identify and advocate strategic policy directions
- d) to oversee formal authorisations and approvals
- e) to ensure essential appointments are made and compliances met

9.4. The Church Finance and Property Committee

This sub-committee have been authorised by the Church council to act in an executive capacity in relation to Financial and Property matters requiring decisions and action between meetings of the Church Council Trustees. All actions taken being reported to the following Church Council meeting.

10. Risk Management

The church council has responsibility for considering the various risks facing the church, the impact and the likelihood of issues occurring. This is managed between Church Council Meetings by the Church Safeguarding Committee. Guidance is received from the Forest Circuit, the London District of the Methodist Church and the Methodist connexion. The headings under which the risks are being categorised include:

- a) Safeguarding Risks
- b) Governance Risks including Trustees' Responsibilities
- c) Financial Risks
- d) Operational Risks including Resources, People and Property
- e) External Risks and Legal Risks

11. Report Approval

10/6/2025
