Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	Our charity's purpose as set out in the objects contained with the governing documents (CIO Foundation document) are: The prevention or relief of food poverty in Market Harborough and the surrounding area by providing food parcels and other access to food to individuals and families in need.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Donations of food and money are made by individuals and organisations such as schools, churches and businesses. At least 3 days of non-perishable food is given to households and individuals referred by reputable organisations such as Citizen's Advice and local churches. Vouchers are given for the fruit and vegetable and meat stall at the indoor market. Hot meal vouchers are also available for people who are homeless (on the street or in temporary accommodation).

		Food is sorted and then delivered to referral agencies and collection points. The foodbank supports people in challenging circumstances such as: homelessness, low income, change in family circumstances or work, benefit delays and difficulty accessing food. Eligibility criteria is used to support referrers in their assessment of need. The trustees meet monthly to ensure that funds and donations in kind are used appropriately and for the public benefit. The trustees review the way the food bank is organised to meet the charitable objects. In 2024 Jubilee Foodbank provided enough food for 55,713 meals that helped 308 Households in food poverty. This was the fifth consecutive year we have helped over 300 Households and provided over 50,000 meals. Demand remains high. We used donations and financial reserves, as well as volunteers' time and energy to ensure we were able to meet the demand.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees consider public benefit in their decision making and meetings following the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Jubilee Foodbank Market Harborough seeks to reach as many people as possible in Market Harborough and the surrounding area if they are in food poverty. Our main achievement is providing food for every referral given by reputable organisations in the Market Harborough area. Behind every referral is a family or individual in need of food. Apart from the circumstances already mentioned, Jubilee Foodbank Market Harborough also provided food for refugees, people who suffered domestic abuse and people who are self-employed, pensioners, people in ill health, people with dietary needs and people on zero-hour contracts. Jubilee Foodbank Market Harborough works with many organisations that support families and individuals. By providing food through these referral agencies, it helps to develop relationships and give opportunities for more support by the appropriate organisation. For example, one of the referrers is Turning Point and another Home-Start. It is hoped that by referring to us a closer link is made between the referral agency and the people they support, helping to support the organisation's work. Jubilee Foodbank is conscious of the need for people in food poverty to find ways to improve their situations. Therefore, we signpost wherever we have contact with people needing food support and include information about local and national organisations that can support in food parcels. Social media and the website are also used to guide people towards relevant support. We also have a newsletter with current financial information and signposting that can support referral agencies and people who need help.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Jubilee Foodbank Market Harborough is in a strong financial position, total income for the year ending 31 December 2024 was £316,378 generated from donations. This includes both monetary donations and estimated values for the donation of goods. The total resources expended were £322,069 and represented costs incurred to enable the food bank to carry out its operations, as well as food parcels given out in kind to those in need. Donations in kind (food donations) are estimated to be £278,565 from generous donations from the local community and organisations particularly during Harvest and Christmas but also due to charitable events and food drives during the year. Jubilee Foodbank has a wide network of supporting organisations and individuals in Market Harborough and surrounding villages. We are incredibly grateful for their support. Jubilee Foodbank Market Harborough made a deficit for the year of £5,691. However, this was possible using reserves.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	In 2024, Trustees consider it appropriate to hold unrestricted cash reserves equivalent to 12 - 18 months of operating expenditure (excluding donated goods) to provide a level of working capital that protects the continuity of the work of the Jubilee Foodbank Market Harborough. The level of reserves will take into consideration future strategy and the potential for unforeseen expenditure or unanticipated loss of income. This is reviewed annually in conjunction with the budget setting process.
Amount of reserves held	Para 1.22	As of 31 December 2024, Jubilee Foodbank Market Harborough had total unrestricted reserves of £96, 259 of which £92, 894 were held in cash. This represents approximately 26 months of operating expenditure excluding food donations in kind, which is higher than the top end of the range specified in the reserves policy. The Trustees have taken account of this during the budget setting process for the next financial year (ending 31 December 2025) and have considered how the additional funds can be used to further the objective of the food bank without committing to levels of expenditure which cannot be maintained in the long-term.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>✓</td><td>✓</td><td>✓</td></tr> </table>	Yes	No	N/a	✓	✓	✓

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2024**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
