

Annual Return to 2nd December 2023 for
Normandy Dean Green CIO
Charity Registration Number 1202594

Report of the Trustees

During the period the sole objective of the Trustees was to work towards obtaining a contract with Bury Council for the management of the plot of land bordering Dean Street and Normandy Crescent in Radcliffe, Manchester. The Trustees are satisfied with the progress that has been made: a firm offer is now expected from Bury Council towards the end of 2024 or early in 2025. The Trustees decided it would be problematic to start raising money until they had received a firm offer from the Council, so no money was raised during the period. Given that the sole activity during the period has been negotiating with Bury Council the Trustees have done all the work themselves, each covering their own expenses.

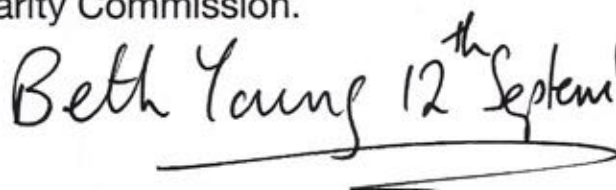

Annual Accounts

Since its inception the Charity has neither received any income nor made any expenditure. At the end of the period it had no assets or liabilities.

This annual report and accounts was approved by Trustees on 12th September 2024 and the Chair was authorised to sign and submit it to the Charity Commission.
