

Annual Return to 2nd December 2024 for  
Normandy Dean Green CIO  
Charity Registration Number 1202594

## Report of the Trustees

During the period the Trustees obtained an informal offer of a contract with Bury Council for the management of the plot of land bordering Dean Street and Normandy Crescent in Radcliffe, Manchester. The Trustees are not confident that the terms offered can be met by Normandy Dean Green. The Trustees are consulting those interested in the CIO before reaching a final decision as to whether to try to continue or whether to wind up the CIO. Given that the sole activity during the period has been negotiating with Bury Council the Trustees have done all the work themselves, each covering their own expenses.

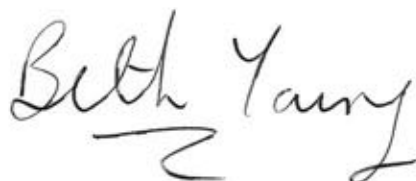

## Annual Accounts

Since its inception the Charity has neither received any income nor made any expenditure. At the end of the period it had no assets or liabilities.

This annual report and accounts was approved by Trustees on 12th August 2025 and the Chair was authorised to sign and submit it to the Charity Commission.
