Objectives and Activities

The board of trustees of Cylch Meithrin Pont y Gof Charity present their annual report and audited accounts for the year ended 31st of March 2024 and confirm they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102).

Summary of our aims:

We aim to provide quality Welsh-medium sessional and early years care to children between the ages of 2 and school nursery age. Cylch Pont Y Gof's main initiative is the happiness and safety of every child. The best possible care is provided in a happy and nurturing environment. There is an opportunity for every child to learn through play and develop to their full potential. Activities are presented for children over the age of 2 that promote the Curriculum for Wales. This will ensure that the children will get the best possible start in every aspect of their education. We put specific attention on planning the outdoor playing area so that we can provide opportunities and put an emphasis on stimulating activities for our children using the outdoors.

Our Objectives:

- Supporting children to achieve the best possible outcomes through care, learning and play: We offer toys and resources of the highest standard, appropriate to the children's needs, development, and ages. Children over the age of 2 are introduced to activities which promote the Curriculum for Wales to ensure the best possible start to their education. We plan our outdoor play areas carefully, in order to create opportunity and place emphasis on outdoor activities.
- supporting children to feel valued, safe, healthy, and confident: Our priority is the happiness and safety of each child – our homely and happy environment offers the best possible care, and the chance for each child to learn and to develop to its full potential. Children will feel secure and confident.
- ensuring the quality of care, you offer is continuously improving and that children and parents / carer's voices are heard: Our staff attend regular training, and we ensure that staff have the appropriate qualifications. We work with the Mudiad Meithrin support officers and officers from the Council and develop and improve the provision regularly as a result of training, advice and new regulations.

In setting our objectives and planning our activities our Governors have given careful consideration to the Charity Commission's public benefit guidance.

Achievements and Performance

This year we have continued to work in partnership with the local authority to provide childcare opportunities from the age of 2 up to the age of 11. By working together effectively with Mudiad Meithrin and Clybiau Plant Cymru the Cylch has improved the service during the year.

Pupil numbers and fees:

At the beginning of September 2023 there were 30 children on the register, this has increased to 43 children by April 2025.

We were able to offer our services at the following price throughout the period under consideration:

9.00-11.00	£10.50 per session
9.00-3.30	£36.00 per session
9.00-5.30	£42.50 per session
11.00-3.30	£28.00 per session
3.30-5.30	£10.50 per session

Future plans:

We hope to continue to thrive and provide good quality Welsh-medium sessional and early years care to all children between the ages of 2 and school nursery age

Given that the minimum wage will increase in the next year, we are considering increasing our fees and will do this in line with financial forecasts.

Financial Review

The members of the governing committee strongly believe in investing in hard-working, conscientious staff. Our reserves policy states that we use any reserve funds to improve the level of staffing, improve the working conditions of the staff and invest in any staff training required to improve the quality of service. This money will be kept back to ensure the future staffing.

Grants

The management committee has been very successful and has managed to receive a number of grants for developing the provision during the year.

SAS grant was given to establish new provision and to ensure staffing costs while the Cylch was being established.

Lottery grant to ensure outdoor provision for the wider community.

Capital grant and Initial Grant from Gwynedd Council in order to ensure high quality safety measures for the children and for suitable resources to develop the Welsh language within the district.

Clybiau Plant Cymru grant to provide suitable plant resources for 7- 11 year olds.

Moondance grant from clybiau Plant Cymru in order to offer provision for children who would benefit socially from the experience.

Grant Degwm for providing resources for the outside area.

Grant Glyndwr to buy outdoor clothing for the children to enjoy the outside provision.

Adra Grant was used to purchase a mud kitchen and sand pit to improve facilities in outdoor play area.

Structure, Governance and Management

The charity trustees are responsible for the overall management and control of Cylch Meithrin Pont y Gof and aim to meet at least once per term. All trustees give up their time freely and no remuneration or expenses were paid in the year.

The implementation of most policies and the day to day running of the setting is delegated to the leader. The Leader undertakes the key leadership role overseeing the care, education and administrative functions. The day to day administration for the setting is undertaken within the policies and procedures approved by the trustees which provide for only significant expenditure decisions and major capital projects to be referred to the trustees for prior approval. The trustees are responsible for the recruitment of all practitioners. The leader is invited to attend trustee meetings.

The trustees are responsible for the overseeing of the risks faced by the setting. Risks are identified, assessed and controls established throughout the year. We aim to manage risks through safeguarding policies, staff recruitment policies, and active identification and resolution of health and safety related issues.

While our board of trustees has been consistent and stable since establishing the charity, it is recognised that new trustees might need to be recruited in the future of situations were to change. When recruiting new trustees the important attribute is a passion for the aim of our setting. New trustees are appointed by the existing board.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended DD / MML / YYYY.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
