Objects

According to the charity's governing document, its objects are "To advance in life and help young people in accordance with a Christian ethos through: (a) the provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life; (b) providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals."

Public benefit The Trustees confirm that they have paid due regard to the Charity Commission's guidance on public benefit when planning activities of the charity.

Risk The Trustees have considered the risks to which the charity is exposed. They have taken appropriate measures and implemented appropriate controls by way of mitigation.

Reserves policy In the longer term the Trustees aim to hold 4 months of staff costs in reserves at all times. While the charity seeks to build capacity and a sufficient and sustainable level of income the trustees aim to hold £25,000 in reserve.

Activities and achievements During the period Wildfire has created safe spaces for young people to encounter God's love in ways that transform their lives and equip them to reach their potential.

The charity has engaged with young people through delivering:

- sessional youth work within church settings
- after school drop in sessions
- in school wellbeing courses
- in school lunchtime activities
- in school individual mentoring sessions
- a residential weekend for youth from across the Winchester District
- city wide youth events

Engagement has been delivered by Wildfire staff, church youth workers from across the Winchester District, and volunteers.

Through its wide range of church and outreach activities, Wildfire is growing in a way that facilitates a great network of support for youth workers in the area.

Subsequent to the year end, additional staff resource has been appointed. This is because the charity continues to look to expand the number and range of activities, including delivery of school assemblies, developing and training youth workers, and working in partnership with churches and organisations
