

Trustees Report

For the period of 2023 to 2024 , there are no activities, no donations , no grants and no account statements .

The trustees just open account of recent and activities are just about to begin as we have trying to do internal structuring , build strategies and come up with the strategies to reach out to the people and how to get grants

There are no major reports and accounts in the last one year

The charity is just starting and activities is just beginning
