Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To promote and protect the health of parents, siblings and families affected by neonatal death, stillbirth or miscarriage in particular but not exclusively by the provision of memory boxes, support packs and by providing emotional support.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit and regularly reviewed this at trustee meetings. Our work continues to focus on supporting families affected by baby loss, with a particular emphasis this year on sibling bereavement.</p> <p>During the year, we provided 139 sibling bereavement support packs, 128 comfort bears, and 123 storybooks free of charge. These were distributed to United Lincolnshire Hospitals' maternity department, Nottingham University Hospitals' maternity and neonatal intensive care units, and directly to individual families.</p> <p>To raise awareness and strengthen our connection with the wider community, we took part in public events such as the Lincoln Baby Loss Week Lantern Walk and the Bumps, Babies and Beyond events. These awareness stands helped us share our work, reduce stigma, and reach more families in need.</p> <p>Additionally, we have invested in volunteer training to further develop and expand our peer support service.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees for Edison's Light have had regard to the guidance issued by the Charity Commission on public benefit

Contribution made by volunteers	Para 1.38	<p>Over the past year, we've been incredibly grateful for the support of a small group of dedicated volunteers. Their time, energy, and commitment have been essential in helping us run events and stay active within the community.</p> <p>Although we have found it challenging to recruit additional volunteers this year, the efforts of our existing team have been outstanding.</p> <p>Twelve volunteers have gone above and beyond to raise both money and awareness for Edison's Light. They've taken part in a variety of fundraising activities including the Lincoln Santa Fun Run, personal challenges like running 500 miles in a year, the Lincoln 10k, the London Landmarks Half Marathon, the London Marathon, the Edinburgh Half Marathon, and the Edinburgh 10k. Many have also supported us by volunteering at community events.</p> <p>Their dedication has made a real difference not only in raising funds, but also in helping us reach more people and share our message more widely. As a fully volunteer run charity our volunteers are at the core of everything we achieve.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>This year, Edison's Light has continued to make a meaningful difference to families affected by baby loss, with a strong focus on supporting grieving siblings.</p> <p>After listening to feedback from families who have been through these incredibly difficult experiences, we made important changes to the two sibling bereavement support packs we offer. We created our own <i>Thoughts and Feelings</i> journals and an <i>Emotions Workbook</i> for younger children to help them better express and understand their feelings. These new resources are designed to offer children age-appropriate ways to cope and help adults support them through their grief.</p> <p>Over the past 12 months, we provided 139 sibling bereavement support packs, 128 comfort bears, and 123 storybooks free of charge. These were given to United Lincolnshire Hospitals' maternity department, Nottingham University Hospitals' maternity and neonatal intensive care units, and directly to individual families. The feedback we've</p>

		<p>received shows these resources have offered comfort, understanding, and vital support during one of the hardest times a family can face.</p> <p>We've also worked hard to raise awareness about the impact of baby loss on families. By attending various public events and running information stalls, we've been able to talk with members of the public, help break the silence around baby loss, and give people the chance to share their own stories. These events also allowed us to guide people towards other sources of support when needed.</p> <p>Through our work this year, we've not only supported families directly, but also helped to increase understanding and compassion within the wider community around baby loss and its lasting impact.</p>
