TRUSTEES' ANNUAL REPORT For the year ended 31 December 2024

The Trustees present their report and financial statements of the Charity for the period 1 January 2024 to 31 December 2024.

STRUCTURE, GOVERNANCE AND MANAGEMENT

PSBC was established as a CIO on 26 April 2023 with a financial year ended 31 December. PSBC, as a previously unincorporated body, continued to operate up until 31 December 2023. The CIO started operations once the assets transferred on 1 January 2024 and therefore did not report any income or costs or recorded assets in 2023.

The transfer of assets from the previous unincorporated body consisted of fixtures and fittings, office equipment (overall net book value of £1,188) and cash reserves of £128,662 resulting in total net assets of £129,850 being acquired. These values are reflected as "Transfers in" within the financial statements and supporting notes.

The properties utilised by PSBC are held in Trust by the Baptist Union of Great Britain and not reflected in these financial statements.

The Trustees manage the church in accordance with our constitution and meet a minimum of 6 times a year. Trustees include the Pastor, who chairs the meetings, with others appointed from the membership at the AGM and the November Meeting of Church Members. The appointment of Trustees is public, clear and open, enabling members to prayerfully consider who should be appointed and with notice of forthcoming elections. Candidates are nominated, and elected by secret ballot of the church members. There is an opportunity for postal votes to be made in advance. Members meetings take place 5 times a year.

All members are encouraged to take an appropriate part in the spiritual and practical tasks involved in the furtherance of the charitable objectives.

Relevant matters may be submitted to the Church meeting by the Trustees for guidance or may be raised by members in the Church meeting for further consideration by the Trustees. Though the Constitution permits decisions to be made at Church meetings by appropriate majorities, the Church seeks to work by consensus wherever possible.

Public benefit

We have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees review risks for the church and action plans for addressing the risks are reviewed annually. Safeguarding policies are in place to minimise risk to the congregation and visitors with established health and safety policies which are subject to periodic review.

AIMS AND PURPOSES

The principle purpose of the charity is the advancement of the Christian faith according to the principles of the Baptist denomination, including the advancement of education, community service and such other general charitable purposes in such parts of the United Kingdom and the world as the Church shall determine. The aim of the charity is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

CHARITABLE ACTIVITIES

Central to the work and witness of the Church is the provision of regular public services of Christian worship. Sunday services continue to be held at the Church premises and streamed online at 10:30am and are accessible to those who are church members and anyone else who would like to watch. The Christmas services were very well attended this year, including our Carols and Candles Service. Notice sheets are emailed to members and friends and are also made available at the church for those who cannot access them electronically.

We have continued to run a number of Home Groups in various locations this year, as well as a parent & toddler group and a meeting for the elderly which both meet weekly at the Church. In addition, we have run a number of Family Connect meetings on a Saturday morning, which are open to families from our community who have young children. We have also run a weekly Friday Social, offering hot drinks and games and the opportunity to socialise and make new friends from the Church and from the local community. Additionally, we began Called to Greatness, a new group aimed at young people, which aims to create a safe, loving and fun environment where young people can spend time furthering their faith together.

CHARITABLE ACTIVITIES (continued)

Systems are in place to ensure that all those working with children, young people and vulnerable adults at risk have appropriate DBS clearance and regular safeguarding training. We have internal systems in place to safe-guard children, young people, and vulnerable adults at risk and those working with them.

In the spring, we supported the Christian drama group, Saltmine, as they visited a number of local schools. In the summer, we held our first Church Weekend at Home, benefiting from great worship and teaching, as well as lots of opportunities to socialise and build friendships. We also held a Light Party at the end of October and a New Year Party at the end of the year.

The Church actively supports the Baptist Union Home Mission Fund and BMS World Mission, along with other agencies and missions locally, nationally, and internationally.

ACHIEVEMENTS AND PERFORMANCE

For the Church, achievement and performance cannot be measured by merely considering numerical concerns, whether attendance or in financial terms. Less tangible areas such as fellowship and inspiration are important too. 2024 was a good year in the life of the Church both in terms of spiritual growth and in practical service. Members of the Church and the local community were supported in a variety of ways, encouraging them and helping them spiritually, emotionally and practically.

FINANCIAL REVIEW

The financial review below compares 2024 to 2023 (i.e prior to the transfer of PSBC assets to the newly established CIO on 1 January 2024). The Charity did not operate from inception on 26 April 2023 until the asset transfer took place. As a result nothing is reported in the financial statements themselves for 2023.

Income for the year increased to £94,360 (2023: £82,856) largely driven by legacies of £9,450 and an increase in interest received of £1,884 whilst donations remained broadly in line with prior year.

Park Street Baptist Church

TRUSTEES' ANNUAL REPORT (continued)

For the year ended 31 December 2024

FINANCIAL REVIEW (continued)

Expenditure in 2024 was reduced at £84,278 (2023: £86,837) largely as a result of professional fees incurred in the prior year in relation to establishment of the CIO. Other than the impact of inflation, most other costs remained in line with prior year, albeit 2024 incurred expenditure in relation to its biennial church weekend and increased support to mission activities.

At the end of 2024 reserves stood at £139,932 which compared to £129,850 in 2023, reflected in an increase in unrestricted reserves in 2024, largely resulting from the aforementioned legacy received in 2024. An analysis of designated and restricted reserves can be found below in notes 15 and 16.

POLICIES

Reserves

The Trustees have determined that the charity should aim to hold unrestricted cash of no less than 6 months unrestricted expenditure so that the charity could continue to operate should income and/or expenditure vary adversely. It is not the policy to hold onto excess funds but the Trustees consider current conditions and future objectives to determine how excess funds should be managed and utilised.

Investments

The trustees ensure that funds which are not required in the short-term are placed into 1 year bonds or fixed deposit accounts which allow withdrawals with notice periods (typically greater than 3 months but not greater than one year). No such single arrangement is funded for an amount greater than £80,000 to ensure that, with interest added, the amount deposited remains below the £85,000 guaranteed under the Governments Financial Services Compensation Scheme.

GOING CONCERN

At the time of approving the financial statements, the Trustees have a reasonable expectation that PSBC has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

For the year ended 31 December 2024

STATEMENT OF TRUSTEES RESPONSIBILITIES

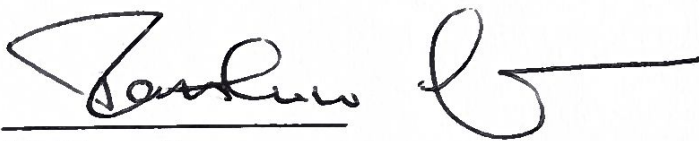

The Trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources for the financial year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 26 October 2025 and signed on their behalf by:

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2024

1. Statutory information

Park Street Baptist Church is a charity registered with the Charity Commission in England & Wales. The charity's registered number and principal address can be found on the Charity Information page.

2. Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Park Street Baptist Church meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value except unless otherwise stated in the note(s) to these accounts.

Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that PSBC has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Judgements

The trustees have not made any judgements in the process of applying the entity's accounting policies that have had a significant effect on the amounts recognised in the financial statements.

Key sources of estimation uncertainty

There are no key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

NOTES TO THE FINANCIAL STATEMENTS (continued)

for the year ended 31 December 2024

2. Accounting policies (continued)

Income

Voluntary income including donations, gifts and legacies that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Gift aid

Gift aid income is recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Investment income

Interest income is recognised on an earned basis with interest earned but not received at the Balance Sheet date accrued. Rental income on the Bungalow is recognised for each period under the terms of the contract.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be reliably measured. All expenditure is accounted for on an accruals basis. All expenditure, including support costs and governance costs are allocated to the applicable expenditure headings. Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support cost. Support costs are those costs incurred directly in support of expenditure on the objects of the Charity. The charity is not registered for VAT and therefore all expenditure is shown inclusive of VAT.

Governance costs

The Independent Examiner provides his service free of charge.

Park Street Baptist Church

NOTES TO THE FINANCIAL STATEMENTS (continued)

for the year ended 31 December 2024

2. Accounting policies (continued)

Debtors

Debtors are included in the settlement amount due. Prepayments are valued at the amount prepaid.

Liabilities

Liabilities are recognised where the charity has a present obligation at the Balance Sheet date arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Tangible fixed assets

Individual fixed assets costing £1,000 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Cash at bank and in hand

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Short-term investments

Short term investments relate to the placement of available cash, not immediately required, into a bond with a maturity date 1 year at inception.

Pensions

The charity offers a defined contribution pension scheme to every employee. The assets of the scheme are invested and managed independently of the finances of the Charity. Employees are automatically enrolled into the pension scheme, if they are paid above a certain value, and are entitled to opt into the pension scheme if paid below the threshold. The Charity pays an agreed contribution to a separate entity, relieving it from any liability for future payments.

All expenses paid to Trustees are for reimbursement of expenditure incurred on behalf of the Church except for the Pastor who occupies the Manse (see Staff costs note 9).

17. Controlling party

The Charity was under the control of the Trustees throughout the period under review as described in the Annual Report.

18. Taxation

The charity is exempt from taxation on its activities because all its income is applied for charitable purposes.

INDEPENDENT EXAMINER'S REPORT

I report to the Trustees on my examination of the accounts of the Charity for the year ended 31 December 2024 on pages 8 to 20 following, which have been prepared on the basis of the accounting policies set out on pages 11 to 14.

Responsibilities and basis of report

As Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

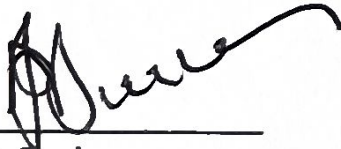

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
