<p>Achievements against objectives set</p>	<p>Within the Charities 10 Year Development Plan: Priority 3: To promote the community football club within Horden to engage children, young people, girls, boys, adults, ladies, and men to participate in physical sport and activities in particular football.</p> <ol style="list-style-type: none"> a. Creation and development of a Junior Academy and its infrastructure – Junior Academy officially opened on 5 July 2022. b. Introduced Ladies football within our community in September 2022. A girl's section was created in September 2024 within the Junior Academy set-up, creating a pathway for school aged girls to develop. c. The Junior Academy membership and participation rates increased to 111 school aged children with a further 15-20 mini-dribblers participating on an ad-hoc basis. d. The number of volunteer FA Level 1 coaches and volunteer sessional support workers increased to over 31. e. The number of Junior Academy teams increased to 9 teams by end of March 2025.
<p>Performance of fundraising activities against objectives set</p>	<p>Over the last financial year the community football club [charity] received £24,469 through direct grant funding awards.</p> <p>Through fund-raising initiatives and charitable activities the charity raised a further £53,389 to support its work within its community.</p> <p>Several local businesses have provided funding and sponsorship for the men's, women's, and Junior Academy teams for the purchase of football strips, and weatherproof training tops and jackets</p> <p>The grant funding and internal fund-raising initiatives enabled the charity to purchase a whole range of football and sports equipment to support the activities of the charity.</p> <p>The charity introduced additional football training and coaching sessions for the disadvantaged school children. The Junior Academy teams were able to train for 48 weeks of the year utilising outdoor grass training fields, in-doors sports facilities and 3G football pitches.</p> <p>Through grant funding the charity hired UEFA C licence qualified coaches to deliver bespoke coaching sessions to individual teams and the school aged children throughout the year, and providing mentoring to the volunteer FA Level 1 coaches and volunteer sessional support workers.</p> <p>The cost-of-living crisis continues to provide a challenge and is having a massive impact on the charity with £16,217 being</p>

Financial Review

Review of the charity's financial position at the end of the period	<p>The charity finished the financial year with a reasonable financial position and with no significant liabilities. The cash flow for this year indicates a net inflow of £2,225. With cash at bank of £6,035 and cash in hand of £1,659.</p> <p>The cost-of-living crisis is having an impact on expenditure with the charitable activity costs and overheads increasing to £56,366.</p> <p>During these very challenging times, the charity kept the Junior Academy monthly subscription fees to £5 per child per month, enabling disadvantaged school aged children to continue having access to football training and coaching sessions throughout the year. However, the charity recognises the monthly subscription fees will increase during the next financial year to ensure the charity remains sustainable for the future.</p>
Statement explaining the policy for holding reserves stating why they are held	<p>Cash reserves should be raised to a minimum of £6,000 to ensure the charity is sustainable and to cover core operational running costs and day-to-day expenditure.</p> <p>All planned expenditure including the roll-out of 10-year Development Plan and the Junior Academy Development Plan need to take into consideration any cash reserves, ensuring cash reserves do not fall below the £6,000 threshold.</p> <p>All new project initiatives to be planned well in advance, and not undertaken until funds are secured and firmly in place.</p>
Amount of reserves held	£7,694

Investment policy and objectives including any social investment policy adopted	Not applicable
A description of the principal risks facing the charity	The continued impact of the cost-of-living crisis. Any significant increase in the core operational running costs e.g. annual ground rent, utility costs, training facility venue hire costs etc would have a significant impact of the work we do within our community. This may result in a decrease in service provision and reduction in access to facilities and resources for the disadvantaged school aged children and young people within our community.

Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity’s work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	<p>The grassroots community-based football club and Junior Academy (charity) continues to grow and develop. Initially the club consisted of a men’s team, and since September 2022 it has increased to include a women’s section and a Junior Academy Section. We currently have 7 Junior Academy Teams (5–15-year-olds).</p> <p>Significant increase in the number of disadvantaged children, young people and adults participating in weekly football training, coaching and physical exercise activities and sessions. Increasing from 35 in 2022 to 150+ by March 2024.</p> <p>The charity obtained direct grant funding of £38,649 (during this financial year) via local, regional, and national organisations and charities to support the work we do within the community. Furthermore, over £150,000 has been spent by Horden Parish Council & Horden Recreation Ground Trust [520826] on replacing the old covered stand (storm damage) with a 102 covered modular seating system via funding from a Football Foundation grant award of £50,000.</p> <p>The charities income and expenditure for this financial year reinforces its commitment to provide its community with improved facilities and resources; ensuring we meet the demands of increasing community engagement in football, football training and coaching provision; and to support the disadvantaged school aged children and young people reach</p>

<p>Achievements against objectives set</p>	<p>PRIORITY 3: To promote the community football club within Horden to engage children, young people, girls, boys, adults, ladies, and men to participate in physical sport and activities in particular football.</p> <ol style="list-style-type: none"> a. Creation and development of a Junior Academy and its infrastructure – Junior Academy officially opened on 5 July 2022 with an initial membership of 35 disadvantaged school aged children b. Introduce Ladies Football within our community – established in September 2022 with a membership of 25 women c. Membership and participation rates have significantly increased from 35 to over 150 since July 2022. d. Increase in the number of FA Level 1 or higher qualified volunteer coaches. Initially 3 volunteer coaches in the Junior Academy, and this has increased to 12 volunteer coaches (FA Level 1) by end of March 2024. e. Increase in the number of Junior Academy teams from 2 in July 2022 to 7 teams by end of March 2024. With 85+ disadvantaged school aged children and young people
<p>Performance of fundraising activities against objectives set</p>	<p>Over the last financial year the community football club [charity] received £38,649 through direct grant funding awards.</p> <p>This has enabled the charity to purchase a whole range of football and sports equipment to support the activities of the charity. Furthermore, the funding has enabled the charity to provide additional football training and coaching sessions for the disadvantaged children during Summer, Autumn, Winter, and Spring months (use of in-door training facility due to the adverse weather conditions during September 2023 and March 2024) and providing additional coaching sessions delivered by a UEFA C and UEFA B licence qualified coaches. Internal funding raising initiatives have been successful in ensuring all the disadvantaged children have football strips, weather proof jackets and access to high quality facilities, and quality structured training and coaching sessions, delivered by our volunteer coaches.</p> <p>The cost-of-living crisis has had a massive impact on the charity with £18,777 being spent on core operational running costs e.g. utility costs, annual ground rent, grass field hire, 3G pitch hire and in-door training facility scale charges. Some of the planned activities and events have had to be scaled back.</p>
<p>Investment performance against objectives</p>	<p>PRIORITY 4: To re-develop the existing community-based football club main stand and seating area (funding via Horden</p>

	<p>Parish Council and Horden Recreation Ground Trust, Charity Number 520826]).</p> <p>Over £150,000 has been spent by Horden Parish Council and Horden Recreation Ground Trust on replacing the old covered stand (storm damage) with a 102 covered modular seating system via funding from a Football Foundation grant award of £50,000. This has significantly improved the facilities and resources within the football ground.</p>
Other	<p>During Easter 2023, we provided the disadvantaged children within our community (5-15-year-olds) with the opportunity to participate in an Easter Camp, “a day of fun, activities, events, competitions, football, penalty shoot-out and prizes”. 29 children attended on a cold, wet and windy day and they enjoyed the event.</p> <p>During the 2023 summer school holidays, the charity in association with the Coalfields Regeneration Trust [1074930] delivered 3 days of fun, competitions, and games for the disadvantaged school aged children of Horden. A FREE event including a packed lunch and refreshments. Over 120 children attended the event.</p>

Financial Review

Review of the charity’s financial position at the end of the period	The charity finished the financial year in a sound and reasonable financial position and it has no significant liabilities. The cash flow for this year indicates a net inflow of £1,667. The income of the charity increased this year, however, due to the cost-of-living crisis expenditure has significantly increased.
Statement explaining the policy for holding reserves stating why they are held	<p>Cash reserves should be raised to a minimum of £5,000 (unrestricted cash reserves) to ensure the charity is sustainable and to cover core operational costs and day-to-day expenditure for several months.</p> <p>All future and planned expenditure including the 10-year Development Plan need to take into consideration any cash reserves, ensuring cash reserves do not fall below the £5,000 threshold.</p>
Amount of reserves held	£1,667 in reserve (bank balance at the end of March 2024 of £6,728)
Reasons for holding zero reserves	Not applicable
Details of fund materially in deficit	Not applicable
Explanation of any uncertainties about the charity continuing as a going concern	Not applicable

Set out on pages

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2024.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
