## Section C

## Objectives and activities

Summary of the objects of the charity set out in its governing document

The Charity is for the public benefit to promote humane behaviour towards dogs in the UK and in particular, the breeds known as West Highland Terriers and Scottish Terriers, by providing appropriate care, protection, treatment and security for dogs which are in need of care and attention by reason of sickness, maltreatment, poor

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We have 'rescued' and/or rehabilitated 76 dogs during the course of this reporting period. Dogs have been fostered and re-homed and in some instances have undertaken behavioural programmes prior to re-homing or within original homes. All dogs rescued have had full health assessments by our vets. Circumstances or ill usage, rehoming such dogs where possible and providing education to owners of such dogs relating to responsible dog ownership.

Additional details of objectives and activities (optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We operate in line with the Code of Practice for the welfare of dogs (Dec. 2017) and with reference to the Animal Welfare Act 2006 (Section 9). All diagnoses and treatment of the dogs is carried out in accordance with the Veterinary Surgeons Act (1966). In transporting the dogs we make reference to the Welfare of Animals (Transport) England) order and/or Welfare of Animals (Transport Wales) Order 2007, as well as Rule 57 of the Highway Code. As per UK fundraising practice we follow the relevant legislation set out in the Charities Acts. Trustees are aware of and comply with Charity Commission Guidance CC3a,

## Section D

## Achievements and performance

Summary of the main achievements of the charity during the year

and ensure we are acting in the Rescue's best interests, and refer to the 6 principles as stated in Charity Commission Guidance 20 (Charity Fundraising: a guide to trustees' duties). We operate the Charity Commission's 'Know your donor' principle.

Having gained Charity Status in April 2023, the Charity has continued to grow its 'membership' / 'followers' to a current number of over 3.5K to date.

During the course of this reporting period (28/04/2023 - 25/01/2024) we have rescued and re-homed 76 dogs. All have been health checked and policies put in place to ensure none of these dogs will be used for breeding - they have all gone to carefully chosen loving homes where they are living their best lives, without fear and where they have learnt how it feels to be the focus of the family, loved and adored.

## Section E

## Financial review

Brief statement of the charity's policy on reserves

We do not fundraise for the sake of fundraising. We generate funds to carry out work for the welfare of the dogs, in pursuit of our charitable and strategic objectives. The vast majority of the Charities costs are Veterinary fees, so we need to keep our reserves 'topped up' as we just never know what dogs' needs are

Details of any funds materially in deficit

round the corner. Our vet Bills from this reporting period amounted to £11,572.24  
We strive to 'be there' for any dogs who need care and attention

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The majority of our funds are realised through Raffles, Auctions and Donations (monthly and one off donations). All money raised is used for the benefit of the dogs who need help and/or, re-homing. It means they receive necessary veterinary treatment and health checks and assessments to ensure they are well and 'ready' to be adopted; sometimes the dogs are adopted by the Rescue and stay if it is felt to be the most appropriate / suitable for the dogs' needs & health.

## Section F

## Other optional information

The dogs' needs are always at the forefront of what we do. The dogs who are re-homed remain supported by the Rescue as do their families.

In September 2023 the Rescue entered a Charity / Rehoming Partnership with Agria Pet Insurance, which means that all dogs adopted through the Rescue receive 5 weeks free Insurance, regardless of their age.
