REVIEW OF THE YEAR

The Charity started operations as a charity with effect from 1 July 2023 having previously provided care services to the local community through a limited company. The Spirit of Care limited company has now been dissolved and ceased trading on 30 June 2023. During the year the Charity continued to provide its community care service and day care service to adults with special needs.

TRUTEES'S RESPONSIBILITIES

The Charity Law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those financial statements the Trustees are required to

- a) Select suitable accounting policies and then apply them consistently
- b) Make judgments and estimates that are reasonable and prudent
- c) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which are disclosed with reasonable accuracy and to enable them to ensure that the financial statements comply with the Charities Act 2022. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
