AIMS AND PURPOSE/OBJECTIVES

The ASANTEMAN UK was set up to, among others, to bring all people of Asante heritage together. The principal activities of the Charity include:

1. *TO ADVANCE THE EDUCATION OF THE PUBLIC IN THE ARTISTIC AND CULTURAL HERITAGE OF ASANTEMAN CULTURE, PARTICULARLY BY PROMOTING WORKSHOPS, CONCERTS AND FESTIVALS THAT CELEBRATE THE CULTURAL HERITAGE AND MUSIC OF ASANTEMAN.*
2. *TO ACT AS A RESOURCE FOR YOUNG PEOPLE LIVING IN WEST AFRICA BY PROVIDING ADVICE AND ASSISTANCE AND ORGANISING PROGRAMMES OF EDUCATIONAL AND OTHER ACTIVITIES AS A MEANS OF: A. ADVANCING IN LIFE AND HELPING YOUNG PEOPLE BY DEVELOPING THEIR SKILLS, CAPACITIES AND CAPABILITIES TO ENABLE THEM TO PARTICIPATE IN SOCIETY AS INDEPENDENT, MATURE AND RESPONSIBLE INDIVIDUALS; B. ADVANCING EDUCATION; C. RELIEVING UNEMPLOYMENT.*

OBJECTIVES, AIMS AND PRINCIPAL ACTIVITIES

ASANTEMAN UK is committed to enabling as many people as possible to access the Charity's programmes and activities. The Trustees and the Charity's volunteers review community needs and seek to unite people, create opportunities and meet those needs by the Charity's charitable objectives.

When planning our activities for the year, the Board of Trustees has considered the Charity Commission's guidance on public benefit, particularly the specific guidance on charities that preserve the cultural heritage of the people.

A summary of the result of ASANTEMAN UK's activities during the period is given in the Statement of Financial Activities on page 16. The charity's total income amounted to £16,650. The income was spent judiciously to achieve the Foundation's objectives.

Volunteers

Without our volunteers' selflessness, hard work and dedication, we couldn't have achieved our aims and objectives. The volunteers contribute significantly to running the Foundation and enable it to fulfil its objectives.

Financial Review

The book values of the assets held at the year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Our principal source of funds comes from the generous donations of committed individuals and organisations. Total receipts of £16,650 were spent to promote the Charity and charitable activities.

Reserves Policy

The Trustees have identified the need for reserves to be held. Developing a reserves policy will assist in strategic planning, such as considering how new projects or future activities will be funded. To ensure sustainability and continuity of funding future activities, the trustees plan to have unrestricted funds to cover at least three months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Foundation.

Investment Policy

The Trustees can invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide high security and liquidity and maximise returns whilst adopting a conservative approach. This policy is not yet implemented.

Grant Making Policy

As part of our charitable objectives of providing aid to the needy, grants are not made but donations are given in the form of gifts to needy people who find themselves in some form of financial difficulty.

During the year under review, ASANTEMAN UK successfully delivered activity against its charitable purpose by adapting delivery models and refocusing our programmes to support beneficiaries in the UK and overseas, most especially in Ghana.

REFURBISHMENT TO MANHYIA MATERNITY WARD

ASANTEMAN UK, as part of its charitable activities for the year, organized a Dinner Dance and Fundraising event in support of Otumfuo's drive to refurbish the Maternity Ward of the Manhyia Hospital in Ghana.

SUPPORT OF NEEDY CHILDREN IN AFRICA

Children with special needs and medical conditions are sometimes overwhelmed by hospital bills. ASANTEMAN UK, as part of its charitable activities for the year under review, also supported several needy children in Africa by helping pay off their hospital bills and presented food items and clothing for their upkeep. A mother with twins who were born with genital deformity was introduced to our charity. We helped financially and medically. The twins now receive the initial medical treatment they need to live fulfilling lives.

COMMUNITY HEALTH SCREENING AND COVID-19 RELIEF SUPPORT

During the unprecedented COVID-19 pandemic, ASANTEMAN UK successfully delivered COVID-19 relief items to those in need. Due to lockdown restrictions, most of our programmes, particularly our health awareness campaigns targeted at minority ethnic communities, were delivered virtually through our social media platforms. ASANTEMAN UK also sought opportunities to increase impact and support COVID-19 relief work in disadvantaged communities.

INDEPENDENT EXAMINERS' REPORT FOR THE YEAR ENDED 31/12/2024

We have examined the financial statements on pages 13 to 16 for the year ended 31/12/2024, comprising the statement of financial activities. The financial statement was prepared under the historical cost convention and accounting policies.

The report is made solely to the Charity's Trustees as a body, in accordance with Section 44 of the Charities Act 1993. The charity's trustees are generally of the opinion that an audit is not required in accordance with Section 43(2) of the 1993 Act and have opted for an independent examination instead.

Respective responsibilities of trustees and independent examiners

The Trustees are responsible for preparing the Trustees' Report and the Financial Statements by applicable law and United Kingdom Accounting Standards. These are set out in the Statement of Trustees' Responsibilities in the Trustees Report.

Our responsibilities as independent examiners of the charity are:

1. to examine the books and accounts of the charity in compliance with Section 43 of the 1993 Act;
2. to strictly adhere to the general directions provided by the Charity Commission under Section 43(7)(b) of the Charities Act 1993; and
3. to state whether particular matters have come to our attention during our examination.

We report to you whether the United Kingdom has properly prepared the financial statements Generally Accepted Accounting Practice, the Companies Act 2006, and the Charities Act 1993.

We also report whether the information in the Trustees' Report is consistent with the financial statements. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statement

In addition, we report to you if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our work, or if information specified by law regarding trustees' remuneration and other transactions with the charity is not disclosed.

Basis of opinion

Our examination was carried out by the General Directions provided by the Charity Commission. It includes reviewing the books, documents, and other accounting records kept by the charity and comparing these with the accounts presented.

Our examination also includes consideration of any unusual disclosures or items in the accounts, and seeking explanations from the Trustees. It is imperative to state here that the procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view'. Our report is therefore limited to the statements below:

Independent examiners' statement

In connection with our examination, we report that no matter has come to our attention, which gives cause to believe that the following have not been met:

1. Keeping proper accounting records in accordance with Section 386 and 387 of the Companies Act 2006.
2. Preparing accounts which accord with the underlying accounting records and which are in compliance with the Companies Act 2006, the United Kingdom Generally Accepted Accounting Practice (UK GAAP), the Statements of Recommended Practice (SORP) - Accounting and Reporting by Charities and the Charities Act 1993.

1 *ACCOUNTING POLICIES*

The principal accounting policies which have been adopted are set out below: -

2 *BASIS OF ACCOUNTING*

The financial statements have been prepared under the historical cost convention and by applicable accounting standards, and the Statement of Recommended Practice, "Accounting and Reporting by Charities" (SORP 2005) was issued in January 2005.

3 *INCOMING RESOURCES*

Voluntary income includes grants that provide core funding or are of a general nature and is recognised in full in the Statement of Financial Activities in the year in which they are receivable, except when the donors specify that the grant given must be used in a future accounting period. In that case, the income is deferred until those periods.

Incoming resources from charitable activities include income received under contract or where entitlement to grant funding is subject to specific conditions to deliver and is recognised, whereas the service is provided.

Other income is accounted for on a cash basis.

4 *RESOURCES EXPENDED*

Expenditure is recognised when the liability is incurred.

- Cost of generating funds is those incurred in attracting voluntary income
- Charitable activities include expenditures associated with the delivery of services and include both direct costs and support costs relating to each service
- Governance costs include the costs of the charity, including strategic planning for its future development, independent examination, any legal advice and all costs of complying with the constitutional and statutory requirements, such as costs of Trustees and the preparation of statutory accounts.
- Support costs include overhead and other costs not directly attributable to a particular function and apportioned over the relevant activity on the basis of management estimates consistence with use of the resources e.g., staff cost by time spent, property costs by floor space and other costs by their usage.

5 TAXATION

The organization is a charitable institution with exemption from UK taxation under section 505 of the Income and Corporation Taxes Act 1988.

6 TANGIBLE NON-CURRENT ASSETS

The organisation's non-current assets include musical instruments, and they are depreciated on straight-line basis

7 FUND ACCOUNTING

Unrestricted funds are grants, donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Restricted funds can only be used for specific purposes as laid down by the donor. Expenditure that meets this criterion is charged to the fund, together with a fair allocation of management and support costs.

Designated funds are funds set aside by trustees out of unrestricted general funds for specific future purposes or related to grants explicitly given for purchasing assets where the use is not restricted. The aim and use of each of the designated funds is set out in the notes to the financial statements.

1 ACCOUNTING POLICIES

The principal accounting policies which have been adopted are set out below: -

2 BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and by applicable accounting standards, and the Statement of Recommended Practice, "Accounting and Reporting by Charities" (SORP 2005) was issued in January 2005.

3 INCOMING RESOURCES

Voluntary income includes grants that provide core funding or are of a general nature and is recognised in full in the Statement of Financial Activities in the year in which they are receivable, except when the donors specify that the grant given must be used in a future accounting period. In that case, the income is deferred until those periods.

Incoming resources from charitable activities include income received under contract or where entitlement to grant funding is subject to specific conditions to deliver and is recognised, whereas the service is provided.

Other income is accounted for on a cash basis.

4 RESOURCES EXPENDED

Expenditure is recognised when the liability is incurred.

- Cost of generating funds is those incurred in attracting voluntary income
- Charitable activities include expenditures associated with the delivery of services and include both direct costs and support costs relating to each particular service
- Governance costs include the costs of the charity, including strategic planning for its future development, independent examination, any legal advice and all costs of complying with the constitutional and statutory requirements, such as costs of Trustees and the preparation of statutory accounts.
- Support costs include overhead and other costs not directly attributable to a particular function and apportioned over the relevant activity on the basis of management estimates consistent with use of the resources e.g., staff cost by time spent, property costs by floor space and other costs by their usage.

5 TAXATION

The organization is a charitable institution with exemption from UK taxation under section 505 of the Income and Corporation Taxes Act 1988.

6 TANGIBLE NON-CURRENT ASSETS

The organisation's non-current assets include musical instruments, and they are depreciated on straight-line basis

7 FUND ACCOUNTING

Unrestricted funds are grants, donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Restricted funds can only be used for specific purposes as laid down by the donor. Expenditure that meets this criterion is charged to the fund, together with a fair allocation of management and support costs.

Designated funds are funds set aside by trustees out of unrestricted general funds for specific future purposes or related to grants explicitly given for purchasing assets where the use is not restricted. The aim and use of each of the designated funds is set out in the notes to the financial statements.
