## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>During the financial year ending 30 September 2025, Prince Bishops Hospital Radio received total income of £5,776.00, primarily from fundraising events such as Indian Nights and donations. Expenditure for the year totalled £7,983.75, resulting in a deficit of £2,207.75. This was largely due to the costs of going onto DAB. Despite this, the charity remains in a stable financial position with year-end reserves of £1,274.40 held in the bank with additional income due in the next financial year.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The charity aims to maintain sufficient reserves to cover at least six months of core operating costs, including licensing, insurance, and communication expenses. This policy ensures continuity of service in the event of unforeseen income shortfalls or</p>

		emergency expenditures.

Details of fund materially in deficit	Para 1.24	There are no funds materially in deficit.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no material uncertainties regarding the charity's ability to continue as a going concern.
The charity's principal sources of funds (including any fundraising)	Para 1.47	The principal source of income during the year was the ongoing partnership with the Spice Lounge Indian Restaurant, which hosts regular fundraising events. While this has been a reliable source of funding, the trustees recognise the risk of over-reliance on a single income stream. As such, efforts are underway to diversify income sources to ensure long-term financial sustainability.
