Together 4 Him
Charity no 1203027
Trustee's Report
& Financial Statement Year Ending April 2024
(March - 2023 - April 5th 2024)

Charity: Together 4 Him

Charity Number: 1203027

Together 4 Him was registered on May 10th 2023 and this is the first Annual Report.

Objects

The objects of the CIO are to advance the Christian faith and to prevent or relieve poverty in Tanzania by making grants to charities with such charitable purpose

Trustees

Mrs Angela Fox (Chair)

Dr Xenia Tyler

Mr Trevor Fox

Mr Andrew Barnard

Treasurer

Mr T Fox

Intro

We launched the charity in 2023 after a visit from a charity leader who heads up a small team in Tanzania. There was a need and it was recognised there were folk who wanted to make a difference by donating to different projects in the form of grants.

The grants are made with an agreement between the Trustees of the Charity and the receiving charity. This is monitored to ensure that the funds are spent for the purpose they were sent.

Trustee meetings have mostly remained online due to the desire to avoid unnecessary travel for in-person meetings. We will continue to meet online, and in person when this is deemed to be appropriate.

As regards public benefit, the charity is focused on meeting the needs of those living in Tanzania and living in poverty. It the relief of this we are focused upon and aiding the next generation to have more opportunities to make a pathway away from poverty.

Activities & Achievements

Over the past year we have been able to help a charity in Tanzania with a number of different projects

Completed Projects

Electricity project

Impact of the Project, includes:-

After a year of no proper lighting at the Good Shepherds House the connection to the local electricity grid has enabled children to do their school homework in the evenings.

Electronic equipment can easily operate in the House and be recharged.

It also allows other projects to have power such as water pump for the Water Project and the Community Hub.

Water project

This project began after funds were raised to drill a bore hole for the site.

We were very disappointed when they drilled four holes with no success of finding water underground even after two surveys.

We then had to reassess and explore other alternatives as the need for water is great.

It was decided that a water harvesting system would be a good option.

The Good Shepherd's House will be able to harvest 20,000 litres of rain water from the roof to the two new tanks, and the two existing 5,000 litre tanks will be located higher up the hill to supply the house gravity fed. Gutters all around the roof are in place to collect the water and direct to the two large storage containers. A pump has been purchased to pump the water.

Water will be used by the community for the washing of clothes, cooking, and garden use. Helping the children by not having to walk up to three kilometres to fetch water and reducing the cost of bringing water in by tractor.

Construction work (of i.e. Community Hub) will be easier and offset the costs during the Hub construction. Water will not have to be purchased offsite.

Two ongoing Projects

The Good Shepherd's House

Generally funds were sent in monthly basis and has been used on to cover the following needs:-

- Education for children (i.e. school contributions, and supplies.)
- Ongoing food needs at the House
- Electricity bills and water
- Allowances for the helpers.
- Clothes and Shoes
- Recreational tours.
- Medical (including deworming, etc.)

- Christmas gift (sharing meal and moment with community members)

Impact (outcomes) of the Project, includes:-

- Children are growing stronger and healthy; improved performance in School.

- The home is well maintained and become more useful for the children and adults.

- Other children and people in the community feel the Good Shepherd's House is a good place for everyone to enjoy the environment and services offered.

- Community felt involved and part of beneficiaries when meals were shared together with children at the Good Shepherd's House during Christmas.

- All of children are now feeling they have a home and calling it family after years of being vulnerable.

The Hub Building Project

Funds have been raised for phase 1 of this project which will see the walls built up to roof level. The builders are in place to complete this phase.

Future Plans

We hope to continue funding projects with charities in Tanzania especially The Good Shepherd's House which is a long term project supporting a number of children long term.

We will continue to support the Community Hub project which will serve the community long term.

Other projects may be considered if they are in line with our objects.

As Trustees we are really pleased with the first year of the charity and what it has achieved. We will continue to connect with others who have the heart for supporting those in need in Tanzania so that we can make a difference in their lives.

Finances

Please see the financial statement for the end of the year and the Independent examiners report attached.

Independent examiner's report on the accounts

Report to the trustees/ members of	Charity Name: Together 4 Him		
On accounts for the year ended	6th April 2024	**Charity no (if any)**	1203027
Set out on pages	1 and 2 (remember to include the page numbers of additional sheets)		

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention .

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
   - to keep accounting records in accordance with section 130 of the Charities Act; and
   - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

   have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
