intro

We launched the charity in 2023 after a visit from a charity leader who heads up a small team in Tanzania. There was a need and it was recognised there were folk who wanted to make a difference by donating to different projects in the form of grants.

The grants are made with an agreement between the Trustees of the Charity and the receiving charity. This is monitored to ensure that the funds are spent for the purpose they were sent.

Trustee meetings have mostly remained online due to the desire to avoid unnecessary travel for in-person meetings. We will continue to meet online, and in person when this is deemed to be appropriate.

As regards public benefit, the charity is focused on meeting the needs of those living in Tanzania and living in poverty. It the relief of this we are focused upon and aiding the next generation to have more opportunities to make a pathway away from poverty.

Activities & Achievements

Over the past year we have been able to help a charity in Tanzania with several different projects

The Good Shepherd's House – until October 2025 when it had to close in October 2025 due to new government restrictions.

The children were relocated. Whilst in operation the funds were sent on a monthly basis *covering the following needs:-*

- Education for children (i.e. school contributions, and supplies.)

- Food needs at the House - Electricity bills and water - Allowances for the helpers.

- Clothes and Shoes - Recreational tours. - Medical (including deworming, etc.)

Impact (outcomes) of the Project, included:-

- Children growing stronger and healthy; with improved performance in School.

- Other children and people in the community felt the Good Shepherd's House was a good place for everyone to enjoy the environment and services offered.

From January 2026 funds have been directed towards the Good Shepherds Outreach Programme.

- The Good Shepherd's Community Outreach has become a regular Saturday ministry, bringing together between 30 and over 70 children from the surrounding community for Bible study, worship, games, fellowship and discipleship activities.

- The distribution of school bags and exercise books to thirty (30) needy children has encouraged school attendance and provided practical support to vulnerable children.

- The newly purchased thirty (30) hymn books have strengthened worship and encouraged active participation during singing and praise sessions.

- The play equipment continues to attract children from surrounding community, creating opportunity to share the Gospel and building relationship with them.

- The Good Shepherd's Community Outreach has become a growing platform for reaching children, develop positive Christian values, friendship, a sense of belonging and laying a strong spiritual foundation for the next generation.

April 25 to end of March 26 Ongoing work on the Hub –

- Plumbing works, including installation of the water supply and waste-water systems.

- Construction and installation of the septic tank for toilet facility.

- Preparation and installation of interior door frames.

- Preparation of interior wooden doors for installation upon completion of the plastering works.

Plastering has begun and we hope to see this project completed in the next year. some trustees will visit in 2027 on completion of the Hub.

Future Plans.

We will continue to support the Community Hub project which will serve the community long term.

Other projects may be considered if they are in line with our objects.

As Trustees we are really pleased with what has been achieved. We will continue to connect with others who have the heart for supporting those in need in Tanzania so that we can make a difference in their lives.

Independent examiner's report on the accounts

Report to the trustees/ members of	Together 4 Him		
On accounts for the year ended	5th April 2026	**Charity no (if any)**	1203027
Set out on pages	1 and 2		

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention .

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
   - to keep accounting records in accordance with section 130 of the Charities Act; and
   - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

   have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
