

**ZERO**  **LIMITS**  
where anything's possible

## **2023/4 IMPACT REPORT**

**AT ZERO LIMITS WE BELIEVE IN THE IMPOSSIBLE!**

*We turn the won't into will and can't into can.*

# WELCOME FROM OUR FOUNDER & CHAIR

On behalf of the children, families, volunteers, and community partners at Zero Limits, I want to express my heartfelt gratitude for your continued support. Thanks to you, children with additional needs and their families no longer just cope – they thrive.

In 2024, we saw extraordinary growth in our programs, reaching more families and empowering more children than ever before. None of this would have been possible without our dedicated volunteers, generous community partners, and the unwavering commitment of our supporters.

As we move into 2025, we are more determined than ever to meet the challenges of a cost of living crisis, all while ensuring we remain a safe haven for families who rely on our services. Together, we are committed to providing high-quality, tailored programs that truly make a difference.

At Zero Limits, we continue to believe in the impossible.  Nothing is achievable.

Thank you for being a part of this journey.

*Mr. Avrohom Moshe Rabinowitz, Founder*

## OUR VISION

We believe in the impossible!  
We turn won't into will and can't into can.

## OUR MISSION

Our mission is to **provide full-day programmes and activities during school holidays and half term breaks for children 5-18 with special educational needs and disabilities.**

With Zero Limits, instead of dreading the holidays, **families and children can look forward to a calm and peaceful break**

*My son loves going to Zero Limits. He is very happy there; looks forward to every single day!*

# THE CHILDREN WE SUPPORT

## UNDERSTANDING SPECIAL EDUCATIONAL NEEDS & DISABILITIES (SEND)

Zero Limits works with children aged 5-18 with a range of special educational needs – from moderate to severe.

A child or young person who requires special health and education support due to a learning difficulty and/or disability is considered to have special educational needs and disabilities (SEND). A child or young person's difficulties may be caused by recognised conditions such as:

- 💡 Autism/ Autism Spectrum Disorder (ASD)
- 💡 Dyslexia and/or Dyspraxia
- 💡 Attention Deficit Hyperactivity Disorder (ADHD)
- 💡 Physical disability e.g. Cerebral Palsy
- 💡 Hearing and/or visual impairment
- 💡 Learning disability e.g. Down's syndrome
- 💡 Medical conditions e.g. epilepsy<sup>1</sup>

SEND can affect a child or young person's ability to learn in multiple ways. Some examples include challenges with socialising, reading and writing, ability to understand things, concentration levels and physical abilities.<sup>2</sup>

My son's additional needs mean that he struggles with impulsivity and anger. He doesn't even realise he is doing it. For example, he might shriek in someone's ear or take their things; other children misunderstand and think he is deliberately being aggressive. At home, situations can quickly escalate to what we call whirlpool level!

<sup>1</sup> <https://www.sendandyou.org.uk/about-us/send-info/>

<sup>2</sup> <https://www.gov.uk/children-with-special-educational-needs>

## WE DON'T JUST FILL GAPS, WE BRIDGE CHASMS.

Zero Limits bridges a crucial gap in care for SEND children from a low-income minority group, the local Jewish community in Gateshead, Tyne and Wear. This **4000-strong group** is in an area of high deprivation where many families simply cannot afford extra carers and need culturally sensitive provision. Research by community anchor body, JCCG, showed that **95% of community households** worried their income was insufficient for current or future needs.

While SEND children are supported during term time with school and after school activities, when the holidays arrive, **there are no programmes** to support them to maintain the consistency and routine they vitally need.

Jewish holidays, summer and winter breaks, half term... on average these holidays amount to around **3000 hours**. That's over **25% of one year**.

Holidays should be a time of joy and celebration, but without external support, they can quickly spiral into periods of extreme stress for parents. Children with SEND require a high level of day-to-day planning and emotional and physical support, which can be overwhelming for parents and families to provide by themselves at home. Arranging ad hoc outside care can be difficult and costly.

*Before Zero Limits, holidays were a nightmare. We would have to make patchy arrangements with a string of individual carers. There is nothing else for us. I don't know what we would do without Zero Limits.*

Parents and siblings struggle to get the rest they need during breaks and SEND children return to term-time dysregulated and frustrated. A lack of respite can lead to long-term consequences such as family dysfunction and mental health issues for parents.

## A MOTHER'S STORY

Zero Limits was born when Founder, Mr. Rabinowitz, received a heartbreaking phone call from a mother who had reached her limit. At the end of another nightmare school holiday trying to care for both her son with SEND and her wider family she was at the brink and facing an impossible decision.

Everyone was suffering. Her son was dysregulated, distressed and behaving dangerously. His siblings were struggling with the chaos this created. Emotionally and physically exhausted, his mother was facing increasing pressure from friends and wider family, who said her son should no longer live at home...an agonising choice she never thought she'd have to make.

Zero Limits was founded to save her and others from reaching this point.

**When everyone else steps out, leaving families isolated and desperate,  
Zero Limits steps in.**

# ACHIEVEMENTS AND PERFORMANCE

Zero Limits provides **full day programmes and activities during school holidays**, half term breaks and Jewish holidays for children with SEND.

Activities support SEND children to **develop and thrive** in a **safe environment**, to have fun, be themselves and feel unlimited.

We support residents of Gateshead, Tyne and Wear, **spanning the 3 wards** of Saltwell, Bridges, and Lobley Hill & Bensham

My son is quite sensory with food and they went out of their way to get what he likes.

# PROGRAMMES AND ACTIVITIES

Delivered by experienced SEND practitioners and trained volunteers, each programme provides a structured routine of holistic care including:

- ◆ Nutritious meals and snacks
- ◆ Sensory activities
- ◆ Educational outings
- ◆ Games
- ◆ Social skills groups
- ◆ Crafts
- ◆ Life skills sessions
- ◆ Music and song

## 100% OF PARENTS SAY:

- ◆ Their child is happy at Zero Limits
- ◆ The environment feels safe and secure
- ◆ Zero Limits meets their child's needs

Zero Limits is a positive environment which builds my son up. At home, he often needs to be told what he can't do – Zero Limits is his own space and boost his confidence.

# PROGRAMME HIGHLIGHTS 2023/2024

## EVERY CHILD UNIQUE

We restructured our programme to include two divisions. These cater for different types and levels of needs. This ensures that each child gets the resources, support and environment that they need to thrive.

## COMMUNITY

We have increased community engagement. More people have taken part in fundraising and volunteering than ever before. We are advocating for our SEND children to be heard in the community.

## VOLUNTEERING

We have expanded our volunteering programme and developed a new training provision. We now have more volunteers with higher skill levels.

## PARENT SUPPORT

We have increased our support to parents. We collaborate on programme design. We have also provided advice about other services and sources of support for their families.

My child's favourite activities were the petting zoo, choir and the outing!

# 'OUR YEAR IN NUMBERS'

Zero Limits is a game-changer. However positive their outlook when they entered the holidays, every family with a challenging child used to come out of it extremely worn, extremely pressured and extremely stressed. Zero Limits means that these families can now exit these periods refreshed and revitalised. The difference is colossal.

- Mr Avrohom Moshe Rabinowitz, Founder

- 🔥 **38** SEND children supported
- 🔥 **12** holiday programmes
- 🔥 **795** hours of activity provision
- 🔥 **155** volunteers engaged
- 🔥 **14,000** hours of volunteering
- 🔥 **103** people participated in the Zero Limits annual sponsored bike ride
- 🔥 **39** people took part in a sponsored rock climb
- 🔥 **180** immediate family members benefited

# THRIVING LIVES FOR SEND CHILDREN

Zero Limits programmes ensured that 38 SEND children:

- Kept learning and developing every day of the year.
- Maintained consistent routines, decreasing stress and dysfunction.
- Reduced dysregulation at school.

The programmes help my child to keep up his skills in the holidays.

He is so calm and settled when he comes home.

## WE ASKED PARENTS:

How does your child come home from Zero Limits?

HAPPY TIED GALM CONTENT  
CONTENT HAPPY GALM HAPPY  
TIED GALM GALM GALM HAPPY  
CONTENT HAPPY  
EXCITED

The greatest benefit of Zero Limits is the consistency and routine. This means the world to a SEND child; we'd be lost without it.

# BETTER QUALITY OF LIFE FOR FAMILIES

- 💡 Reduced pressure to organise holiday support.
- 💡 Much-needed respite.
- 💡 Increasing quality time for siblings.
- 💡 Alleviated financial hardship

## HOW PARENTS DESCRIBE ZERO LIMITS IN WORD:

BRILLIANT  
LIFESAVER  
LIFESAVER AMAZING  
LIFESAVER FUN  
LIFESAVER LIFESAVER  
VERY HELPFUL

My child comes home in a good mood; which lasts a while. This benefits the whole family.

My child realises that her behaviour bothers her siblings sometimes, but she can't control it and then feels guilty. When they have time apart, they all feel better about themselves.

# YOUNG PEOPLE EMPOWERED VIA VOLUNTEERING

Local volunteers aged 16-25 from disadvantaged backgrounds:

- 🔥 Gained confidence and grew a peer support network.
- 🔥 Learned teaching, mentoring and education skills.
- 🔥 Developed leadership skills.
- 🔥 Took part in an annual sponsored bike ride.

- 🔥 **75%** of volunteers made new friends
- 🔥 **91%** said they had a rewarding experience
- 🔥 **96%** would recommend volunteering to others
- 🔥 **100%** felt well supported in their role

The community has stood behind Zero Limits to demonstrate the power of each person playing their part.

- 🔥 **103** crowdfunding teams
- 🔥 **£75,300** raised
- 🔥 **2049** individual donations

There is nothing more rewarding than giving!

I have gained so much from Zero Limits!

# COMMUNITY

Zero Limits was born out of the concern and care of a committed community member and continues to grow because of the generosity and engagement of its volunteers, partners and wider community. To connect with SEND children, Zero Limits receives referrals from schools, synagogues and healthcare professionals in the community, as well as directly from families.

Community partners include:

- Local mainstream schools (Keser Girls School, Keser Torah Boys School, The Gateshead Cheder, Gateshead Jewish Nursery)
- Haskel (local SEND school)
- SPLASH (after school programmes for SEND children)
- Gateshead Local Authority
- Community Anchor Body: The Jewish Community Council of Gateshead
- Connected Voice

## VOLUNTEERS

Volunteers are integral to delivering Zero Limit's mission. Working as counsellors, activity leaders, drivers, cooks and across a range of other roles, they truly make the impossible possible. Our team of 130 volunteers are mostly 16-25 year olds from the local community, often from disadvantaged backgrounds.

The volunteers are so positive. They come back and say how gorgeous our child has been - they bring out the best in every child.

My son has connected with the volunteers very nicely - making friends is hard for him with his autism. Some of the volunteers have been particularly outstanding and he can feel that.

# OUR TEAM

The Zero Limits leadership team has extensive experience working with children with SEND.

Our trustees contribute a wealth of personal experiences, professional expertise and a strong dedication to community work:

- 🔥 **Mr Rabinowitz**, Founder, is Lead Governor at the QE Hospital Gateshead Health NHS Foundation Trust. He is a board member and Patient Advocate in The DASH Group.
- 🔥 **Mr Sugarman MBE**, Trustee, is the founder of Haskel - a SEND school he created when his son was diagnosed with global developmental delay.
- 🔥 **Mr Lobenstein**, Trustee, is a teacher in a local school and has a child with additional needs.
- 🔥 **Mr Jonathan Klajn**, Trustee, is a dedicated champion of the community's needs via his role as Projects Director at The Jewish Community Council Gateshead.

# THANK YOU

We're hugely grateful to our volunteers, friends and supporters. We cherish the partnerships we have built with supportive funders this year.

## FUTURE PLANS

Zero Limits has quickly established itself as a prominent and impactful community led organisation. Accordingly, our vision for expansion is ambitious and informed by the needs of the families and communities we serve. With increased funding and continued community support, we envision:

- Higher quality of care and personalised plans for each child.
- Expansion of services to include more support for mainstream children.
- Expansion of our volunteer cohort and delivery of enhanced training.
- Engaging more community members in our activities and volunteering.
- Supporting families to access further services that they struggle to access due to cultural barriers.

The whole family is calmer...my child has support to fulfil his potential...

Zero Limits has changed our lives.

----------------------	--

Structure, governance and management

Zero Limits Wap was incorporated on the 8th of July 2021 as a company Limited by Guarantee with company number 13500461. It was registered as a charity with the Charities Commission after the year end on the 16th of May 2023 governed by its Memorandum and Articles. The charity registration number is 1203079.

Objectives and activities

The objects of the Charity are to provide or assist in the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

### Directors' Annual Report (Incorporating the Director's Report) *(continued)*

#### Year ended 31 July 2024

##### Achievements and performance

During the past year, we provided a range of holiday programmes and activities during school holidays and half term breaks for children 5-18 with special educational needs and disabilities. These activities supported SEND children to develop and thrive in a safe environment, to have fun, be themselves and feel unlimited. The activities also provided respite for the parents and siblings.

We engaged local young people to volunteer as activity leaders, photographers and even fundraisers by taking part in a sponsored bike ride.

Next year we plan to expand our provision to ensure that SEND children are cared for every day of the year. We plan to introduce a residential programme once a year and engage higher numbers of volunteers.

##### Financial review

The company received funds of £139,653 during the period by way of: donations; grants; and voluntary parental contributions. All funds received were used to further the objectives and there was a small surplus of £655.

##### Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The directors' annual report was approved on 24 April 2025 and signed on behalf of the board of trustees by:

Mr S Lobenstein  
Director

### Independent Examiner's Report to the Directors of Zero Limits WAP

#### 31 July 2024

I report to the directors on my examination of the financial statements of Zero Limits WAP ('the charity') for the year ended 31 July 2024.

##### Responsibilities and basis of report

As the directors of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

##### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or the financial statements do not accord with those records; or the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 July 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 24 April 2025, and are signed on behalf of the board by:

Mr S Lobenstein  
Director

## Company Limited by Guarantee

### Notes to the Financial Statements

#### Year ended 31 July 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 93-95 Bewick Road, Gateshead, NE8 1RR.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the directors for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

# Zero Limits WAP

## Company Limited by Guarantee

### Notes to the Financial Statements (continued)

#### Year ended 31 July 2024

3. Accounting policies (continued)

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

# Zero Limits WAP

## Company Limited by Guarantee

### Notes to the Financial Statements

#### Year ended 31 July 2024

#### 3. Accounting policies (continued)

##### Financial instruments (continued)

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

#### 4. Limited by guarantee

The Company is limited by guarantee and does not have share capital. In the event of winding up, the members are liable to an amount not exceeding £10.
