Founded by Swindon's Bangladeshi Community in 1999, The Hazrath Shajalal Central Mosque was formally established and a Charitable Incorporated Organisation (CIO) on 17th May 2023. The mosque aims to advance the religion of Islam through various services including worship, education, and community support. REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST DECEMBER 2024

ACHIEVEMENT AND PERFORMANCE

Investment performance

On 7th January 2025 we have had properties donated to it, being 136-139, 140 and 143 Manchester Road donated with a combined value of £600,000. During 2024, ahead of the transfer of deeds, we received the rental property income by way of donation from the two properties. Also during 2024 we have made a significant investment converting 143 Manchester road from a singular occupancy rental property into a house of multiple occupancy in order to increase capacity and therefore investment income generated.

FINANCIAL REVIEW

Financial position

For the year ended 31 December 2024 the charity had total income of £131,229 (2023: £24,088). Of the donations, £60,088 came from community donations and £24,959 came from religious festival donations.

The total expenditure was £94,833 (2023: £13,930) with the main elements consisting of the running costs of the mosque £39,374 and cost of running the prayer services £42,506.

This gives a net surplus for the year of £36,396 of which £750 is restricted income. The restricted income relates to the total donated in 2024 for the 'build our mosque' fund and no costs have been incurred in respect of this during 2024.

Principal funding sources

Our principle funding sources have come from or congregation and the wider community, we have not received any government grants or contracts within the 2024 financial year.

Reserves policy

The charity, aims to maintain a reserve that covers at least six months of operating costs, ensuring stability in the face of unforeseen circumstances. We believe this to equate to around £24,000 and is continually reviewed by the trustees.

The trustees recognise that there are more unrestricted reserves than the charity's policy. These excess reserves will be used as part of the mosque expansion.

FUTURE PLANS

We still have our plans to expand our facilities in order to accommodate our growing congregation and to enhance our educational programs. Additionally we aim to increase our outreach efforts, fostering greater understanding and co-operation within the wider community of Swindon. During 2024, we launched our fundraising campaign whereby we have been raising funds for the Mosque expansion, this is something we will continue to do in 2025.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Mosque is governed by a Board of Trustees, who are responsible for the overall management and decision-making processes. Regular meetings ensure the charity's objectives are met and that activities are inline with our mission,

The Board consists of dedicated individuals who bring diverse skills and experience to the management of the mosque. There were no significant changes in the Board during 2024.

Public Benefit Statement

The trustees have had due regard to the public benefit guidance published by the Charity Commission. All activities carried out by the mosque are aimed at benefiting the public by providing religious services, education, and community support.
