Statement of Trustees' Responsibilities

The trustees (who are also the charity's directors for CIO purposes) are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (Charities SORP (FRS 102) where relevant, or simplified receipts and payments basis for small charities).

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that its financial statements comply with applicable charity law. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps to prevent and detect fraud and other irregularities.

As a small charity, BEIT EZRA qualifies for exemption from independent examination under section 144(2) of the Charities Act 2011. The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Companies Act 2006 (for CIOs) and for preparing financial statements which give a true and fair view.

Approval of the Financial Statements

The financial statements were approved by the trustees and authorised for issue on 29.08.2025
