GOLDINGS CHURCH
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2023

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 December 2023.

Objects of the Charity

The purposes of the Church are:

- (1) The advancement of the Christian faith in accordance with the Basis of Faith primarily but not exclusively within Loughton, and the surrounding neighbourhood; and
- (2) such other charitable purposes as shall in the opinion of the charity Trustees further the work of the Church.

Government

Goldings Church was established in 1889 and was constituted as a CIO on 19th May 2023. The CIO constitution determines that all church officers (elected elders and deacons) are Trustees. The Pastor and the ministry support team are dedicated to maintaining a strong connection with the spiritual needs of the church community. They aim to hold weekly informal meetings to foster open communication and allow them to address any immediate concerns. Official meetings with all Trustees are held at least 3 times a year and provide a structured environment for making important decisions. This balanced approach helps to ensure that both the spiritual and administrative aspects of the church are well-managed.

The weekly accounting and banking of donations received by the church, including Sunday offerings and other contributions, is overseen by the Trustees and led by a longstanding church member who is our treasurer. The treasurer provides a financial summary outlining the current financial status for every official meeting of the Trustees. Additionally, the treasurer presents a comprehensive report to the entire church membership prior to every members' meeting.

Church members meetings are held at least three times a year at which the Trustees report to the members concerning the ongoing running of the Church. New Trustees are

appointed following a private ballot of Church members and existing Trustees stand for re-election every 3 years.

Summary of the charity's main activities and achievements

The church exists as a body of believers in the Lord Jesus Christ who are committed to each other in Christian fellowship. We seek to encourage each other in the faith as it is laid out in the Bible and to share the truth about Christ with those around us.

The Church has held services of worship every Sunday, including preaching and Bible studies. Online streaming has continued to maximise accessibility: The Sunday services are broadcast live via the Church's 'YouTube' channel, accessible to all via the Church website <https://www.goldingschurch.co.uk> and links to catch up on missed services are sent to the regular attendees via email after the service. The Church has been pleased to welcome newcomers on a regular basis. Throughout the year age-related activities for children and young teens have continued to be provided. The website provides a insight into the work of the Church (www.goldingschurch.co.uk) along with 'YouTube' links to Sunday Services. The church is pleased to support missionary work both in the UK and abroad and during 2023 gave 5.3% of its general income to this work. The leadership team continue to seek to fulfil their responsibilities. The Trustees remain very grateful to all involved in the fellowship for the different ways in which they assist the church in fulfilling its calling. During 2023 the church held a number of baptisms and two weddings for members of the congregation. The Church was also pleased to welcome new Deacons Susan Fell and James Roe into the ministry team.

Financial Review

The Church continues raising the funds needed to carry on its activities from within its membership and congregation with occasional donations from outside of the core church. No wider public appeal was made for funds during the year. Income in 2023 increased from £68,000 in 2022 to £115,000. The most significant expense this year was a refurbishment of the church's 30-year-old fixtures and fittings costing approximately £30,978. The Church is heavily dependent on its membership working as volunteers in all aspects of the church's activities, many of which run with little or no impact on the church's expenditure, but contribute substantially to the achievement of the church's objectives. Total expenditure of £81,246 in 2023 was only a marginal increase of £156 on the total expenditure of 2022. The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

Reserves Policy

The Trustees have determined that the charity should aim to hold unrestricted cash of no less than £15,000 in (which equates to about three months of routine unrestricted expenditure) so that the charity could continue to operate should income and /or expenditure vary adversely. Trustees have determined that the appropriate level of reserves is in the range £15,000.

Risk Statement

The charity is exposed to various risks – be they operational, financial or reputational. the Trustees review the charities activities regularly to identify significant risks and, where possible, they take appropriate measures to mitigate those risks. We have added a Vulnerable Adult Safety Policy to our existing Child Protection Policy.

Responsibilities of the Trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the charities act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

Approval

This report was approved by the Trustees and signed on their behalf by:
