Charity name: Nuneaton Lawn Tennis Club

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The advancement of the amateur sport of Tennis in Nuneaton/Bedworth for the public benefit by the provision of facilities for participation in the sport of Tennis.</p> <p>To provide or assist in the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.</p> <p>Our tennis club has been on its current site for around 80 years and is registered with the Charity Commission as a CIO. It is the only remaining LTA registered tennis club in the Nuneaton area. The club is run by a committee (CC trustees) consisting of club members who give their time on a voluntary basis. Additional to our 2 artificial grass and 3 tarmac courts we also have a clubhouse on the site. The site is owned on a freehold basis by Nuneaton Lawn Tennis Club (NTC). The club is members only with a current membership of around 210. Membership is open to all and we have tennis coaching available for both senior and junior members.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Our main income in FY2024 was from annual membership fees which is approximately £20,000 pa. For the past 3 years our membership numbers have stayed roughly level despite various initiatives to retain and increase membership. However in FY2024 we saw a drop in membership numbers in our junior sections. Whilst this does not greatly affect our income it is a concern as the junior sections are the future of the club and the sport.</p> <p>Our expenditure is focused on maintaining and improving the facilities of the club and making it a safe and pleasant place to play for all members. In FY2023 we resurfaced our 2 artificial grass courts at a cost of £63,000. This totally emptied our sinking fund and meant that FY2024 had to be a year of recovery and minimal expenditure as we try and rebuild our sinking fund. Expenditure summary:</p>

		<p>Courts 3 to 5 cleaning – £900. This work was essential to remove moss and debris to keep the courts safe</p> <p>Legal fees – £1100. To complete the transfer of the land ownership to NTC following the change in our legal status as a CIO</p> <p>Utility Bills – £6500. Electricity is our biggest outgoing, mainly due to the floodlights</p> <p>After the above expenditure was taken into account we managed to transfer £10,000 into our sinking fund</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>The club is run by a committee consisting of members who give their time on a voluntary basis. These committee members are the CIO trustees.</p> <p>The trustees are very focused on the club’s purpose of advancing the amateur sport of Tennis in Nuneaton/Bedworth for the public benefit. Our focus is on the provision of facilities for participation in the sport of Tennis.</p> <p>As a club we contribute actively to enable more people to play tennis more often, in a manner that it is safe, inclusive, and fair. This applies regardless of a person’s age, disability, gender reassignment status, sex, marital or civil partnership status, pregnancy or maternity, race, sex, sexual orientation, religion, race or sexual orientation, socio-economic status or any other background.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The club is very focused on the getting more people active and playing tennis. To that end we kept our FY2024 membership fee increases as low as possible with the objective of growing membership. In particular we recognize that the club juniors are the future of the club and the sport. Just over 50% of our current membership are juniors and we run a free of charge Junior Club Night every Friday night. Additionally we have relationships with a number of local schools which use our courts and coaching facilities on a regular basis.</p> <p>Also in FY2024 we took the decision to include floodlight usage as part of the membership fee - so floodlights are free to all members. This move was welcomed by our membership as the main opportunity to play for many people is in the evenings. Our aim in doing this is the retain current members and attract new memberships.</p> <p>As stated earlier the committee is always trying to improve the facilities of the club. After the expense of court resurfacing in the previous year FY2024 was always going to be a year of recovery and minimizing expenditure. However we have identified 2x main target improvements which we want to complete asap: Conversion of our floodlights to LED technology. They are currently metal halide burning 8KW per court. Conversion to LED technology will cut our carbon footprint and reduce our utility bills by 60% - the electricity bill is currently our largest annual expenditure Replacement of our stop netting on 2 sides of our courts. One side was completed in 2021 and we really need to complete this project</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>FY 2024, the club experienced a net surplus of £7,481, which represents a decrease of £3,497 from the FY 2023 surplus of £10,978 (excluding the £15,605 final payment for the resurfacing of courts 1 and 2 in FY2023)</p> <p>The weakened financial performance in 2024 is primarily attributed to the following factors:</p> <ol style="list-style-type: none"> 1. Increased utility costs: £1,686 additional expenditure on electricity and £412 on gas. 2. Legal fees: £1,194 spent on transfer of land title deeds into the name of Nuneaton Tennis Club. 3. Hard court cleaning: £900 for court maintenance. 4. Reduced membership fees: A decline of £482 in annual memberships. <p>The impact of these expenses was partially offset by:</p> <ol style="list-style-type: none"> 1. Deferred lawn maintenance costs: £600 in invoices not received during FY 2024 (expected in FY 2025). 2. Increased ball sales: Generating an additional £319 <p>In October 2024, the committee approved a transfer of £10,000 from the current account to the sinking fund. As of 31st October 2024, the total cash balance, including the sinking fund, stood at £23,869.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The club has 2 bank accounts. The first account is used for all day to day transactions. The 2nd account is a sinking fund which is used to build up funds for major facility improvement projects: Partial stop netting replacement (FY2021), resurface courts (FY2023). Target projects: Floodlight conversion to LED technology - estimated at £35,000, Stop netting replacement - estimated at £20,000</p>
