Achievements & Performance

Worship Services

Morning Gatherings continue every week and we have often had new people attending. Evening Gatherings continue to be popular and include times of discussion and group prayer. Our monthly outreach evenings, in a neutral, venue continue to run. One baptismal services has been held and three people have been baptised. During the period, seven funerals have been conducted by the Minister. We held a Good Friday service (including breakfast) and All Age Easter Celebration during Easter, and have held our annual Remembrance Sunday service gathered around our war memorial in November. During the Christmas season we ran several outreach services, including an All Age Celebration, Carols by Candlelight and Christmas Day services – all of which were attended by new visitors as well as regulars.

Children's Ministry

Every Friday evening during term time we continue to run Revel for Primary aged children and Revolution for Secondary aged children. We have also continued Jelly Tots every Tuesday during term time, for toddlers and their carers. All the groups have drawn a number of children from the community, including new faces this year. During the spring half term we held a holiday club, bringing in a significant number of children from the local community, with some of those beginning to attend our weekly groups. In July we hosted a BBQ for all the families connected to these groups attracting a large number of people. The church has been involved in leading assemblies in the local Primary School and was specifically asked to be involved in their harvest celebration which focussed on the work of Food banks as well as hosting a carol service for the school. We also ran a Neon Party on 31st October, as a Halloween alternative, which was open to the community and a number attended. As part of our All Age Christmas Celebration, the Jelly Tots toddlers participated in a nativity play and the children from Revel sang a song, bringing in a significant number of parents, relatives and carers.

Ministry Groups

The monthly coffee mornings continue to grow, attracting people from the local community as an opportunity for social connections. The women's coffee morning has also included baking

demonstrations and a meal out. The Board Games club continues to meet monthly, bringing several people from the local community together on a Saturday afternoon. Monthly Life Groups are increasingly well attended and often those who are new to the church find themselves more integrated into church life through attending.

Community Care Ministry

The church continues to collect food for the Food Bank on a regular basis. Whenever there is a need we have highlighted and encouraged more donations in addition to our annual focus during September. The church also continues to support a refugee family from Ukraine who we support with housing and advice, as well as assisting through language and cultural barriers. We have also had a refugee family from Afghanistan who we have supported with practical, cultural and language advice. We have set up a Simple English Bible Class to support these and others for whom English is a second language.

Mission Support

10% of our income is set apart to be given to those working for the advancement of the Christian faith in other parts of the world. This year we have given grants to organisations as follows: a training college, an open air outreach, work amongst students in universities and colleges and a Christian relief agency. We have also given to a couple who were working in Serbia but now in Derby to share the faith, and an individual working in Thailand who coordinates short term mission.

Pastoral Visiting

The Pastoral Visiting team continues to ensure members and others we have contact with as a church are taken care of and given visits and support, particularly when they are sick, in hospital or housebound. The group typically makes several visits every week. In addition to this, the Minister carries out other visits on a weekly basis and the elders likewise as and when they are able.

Outreach Events

A Quiz Night was held in the run up to Easter, with a good turnout, including a good number from the locality. We have run a few new craft sessions with mixed response – some have struggled for numbers. Our Fun Day in September was very well attended, making contact with a number of people in the community in order to establish a connection and inform of all our regular groups and meetings, likewise the Bonfire night in November. We ran a wreath making event during the Christmas period, which included a message about the Christian faith and was very popular. Though we had planned a Christmas Fun Day, this had to be cancelled last minute due to adverse weather conditions.

Evangelistic Courses

During this year, owing to demand, we have run the Christianity Explored course in the Summer term, and the 321 course in the autumn term. Both proved very popular and clearly helped people understand the Christian faith in greater depth.

Structure, Governance & Management

The church is a CIO governed by a constitution and handbook, based on the former CUA's original trust deed of 1815 and the Fuller Trust. The church is a member of the Fellowship of Evangelical Churches. Trustees are by default the elders of the church, elected by members of the church, in accordance with the process set out in our constitution, and hold office for three years (with the exception of any trustees who are staff members) before requiring re-election.

Church Membership

During this period, we had 13 new members added to the membership and three existing members have died. By the close of this period, our total active membership was 91 with four additional members under the age of 18 and two inactive members.

Financial Review

We consider the church to be in a healthy financial position and have no concerns about the ongoing viability of the church from a financial perspective.

During this period the pre-existing Excepted Charity transferred its assets to the CIO. This transfer took place on 31st July 2024.

Income and Fundraising

The income of the church is predominantly through the donations of members and attendees of the church. At events, donations boxes are available as well as online giving. All are entirely voluntary.

In addition, some external grants were received during the period, amounting to £11,000 for the Boiler Replacement Project and £8,054 for General Funds.

Reserves Policy

The target minimum reserve will be agreed annually when the budget is agreed. The level will be set at 6 months expenditure less 3 months predicted income (to allow the Church to continue operating at its current level in the event that income drops 50% for 6 months).

In addition to this General Reserve, the trustees have created a number of Designated Reserve Funds to cover areas of less predictable expenditure. These are for: Property Repairs, Defibrillator and Audio Visual/Information Technology. The level of reserve to be held in each of these funds is reviewed as part of the annual budget, and the funds are topped up (or reduced if appropriate) from the General Fund on January 1st each year.

The reserves held by the CIO at the close of this period were £85,008.

Achievements & Performance

Worship Services

Morning Gatherings continue every week and we have seen an increase in people from the local community attending. Our recently reintroduced Evening Gatherings have been popular and include times of discussion. Newly established monthly outreach evenings have engaged a committed core group. During the period, four funerals have been conducted by the Minister and we have held our annual Remembrance Sunday service gathered around our war memorial in November. During the Christmas season we ran several outreach services, including an All Age Celebration, Carols by Candlelight, Christmas Eve and Christmas Day services – all of which were attended by new visitors as well as regulars.

Children's Ministry

Outreach groups continue to run every Friday evening during term time – Revel for Primary aged children; Revolution for Secondary aged children. Both groups have drawn a number of children from the community. In July we hosted a BBQ for all the families connected to these groups attracting a large number of people. The church has been involved in leading assemblies in the local Primary School and was specifically asked to be involved in their harvest celebration which focussed on the work of Food banks as well as hosting a carol service for the school. We also ran a Neon Party on 31st October which was open to the community and a number attended.

Ministry Groups

The monthly coffee mornings continue to grow, attracting people from the local community as an opportunity for social connections. The women's coffee morning has also included baking demonstrations and a meal out. A recently launched Board Game club has brought several people from the local community together every Saturday for a few hours. One of the group has also started coming to worship services on a regular basis. Monthly Life Groups are increasingly well attended and often those who are new to the church find themselves more integrated into church life through attending.

Community Care Ministry

The church continues to collect food for the Food Bank on a regular basis. Whenever there is a need we have highlighted and encouraged more donations in addition to our annual focus during September. The church also continues to support a refugee family from Ukraine who we support with housing and advice, as well as assisting through language and cultural barriers.

Mission Support

10% of our income is set apart to be given to those working for the advancement of the Christian faith in other parts of the world. This year we have given grants to organisations as follows: a training college, an open air outreach, work amongst students in universities and colleges and a Christian relief agency. We have also given to a couple who were working in Serbia but now in Derby to share the faith, and an individual working in Thailand who coordinates short term mission.

Pastoral Visiting

The Pastoral Visiting team is a newly established team for within this period. The aim is to ensure members and others we have contact with as a church are taken care of and given visits and support, particularly when they are sick, in hospital or housebound. The group has formed well and typically makes several visits every week. In addition to this, the Minister carries out other visits on a weekly basis.

Events

Our Fun Day in September was very well attended, making contact with a number of people in the community in order to establish a connection and inform of all our regular groups and meetings, likewise the Bonfire night in November. During Christmas, we ran a wreath making event which included a message about the Christian faith and was fully booked for the two evenings. We also took the opportunity to take over a market stall in Cwmbran and wrap Christmas presents for people as a free service, taking the opportunity to advertise our regular groups and meetings as well as collecting donations for the Food Bank.

Structure, Governance & Management

The church is newly established as a CIO governed by a constitution and handbook, based on the former CUA's original trust deed of 1815 and the Fuller Trust. The church is a member of the Fellowship of Evangelical Churches. Trustees are by default the elders of the church, elected by members of the church, in accordance with the process set out in our constitution, and hold office for three years (with the exception of any trustees who are staff members) before requiring re-election.

The figures presented do not include the accounts of the pre-existing charity, which is due to be closed during 2024 when all its assets will be transferred to the CIO.

We consider the church to be in a healthy financial position and have no concerns about the ongoing viability of the church from a financial perspective.

of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's
statement

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]. Delete [] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination ~~(other than that disclosed below*)~~ which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
