Annual Report
(Jan'24 – Dec'24)

Report of the Trustees

There has been no trading in the second accounting period which ended December 2024. This has been as a direct result of banks unwilling to open a bank account for the charity

This has been raised with the Charity Commission (CC) and it was acknowledged as a problem facing many charities. We have been informed by the CC that they are actively lobbying banks to improve their level of service and offering for the charity sector

Signed on behalf of the trustees
