BILL QUAY JUBILEE TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 5 APRIL 2025

The trustees present their annual report and financial statements for the year ended 5 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Bill Quay Jubilee Trust's objects are the prevention or relief of poverty together with religious activities. Operation as a CIO was considered more appropriate in terms of funding the Trust's debt centre work.

The Trust is involved in a number of activities to promote the advancement of the Christian religion.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Significant activities and achievements against objectives

This is the first full-year report for Charitable Incorporated Organisation, Bill Quay Jubilee Trust.

Our work has many aspects but in terms of finance, our biggest single activity is our work with Christians Against Poverty (CAP) as a debt centre. This is supported by a grant from The National Lottery Community Fund. This grant pays the salary of our manager who operates the centre with support from additional volunteers. We continue to support an increasing number of people in the local area by establishing relationships and helping them to work through their problems. As part of our commitment to the debt centre we pay CAP for their services in supporting our Debt Centre Manager and the cost of this is significant. The National Lottery grant that we received will ensure that this project is sustainable for the immediate future as it provides funding until 2026. Some underspend of the grant has been carried over into the next financial year.

Other important work we do includes outreach projects which includes the Connect group who, through the charity Junction 42, support offenders in prison and upon their release.

We host external community groups who use the building regularly such as WI, Pilates, Scouts, Toddlers and Operatic Society. Also, Bill Quay Singers, a community choir, continues to increase in popularity and has attracted a number of people from the local area. They put on a summer and Christmas concert enjoyed by many in the community.

Part of the Bill Quay Jubilee Trust is Bill Quay Community Church which hosts Sunday church services and midweek meetings. The Christingle Service in December included the participation of the choir from the local primary school with whom we have strong links.

As a church, we support several Christian charities through regular giving. Recipients include Junction 42, Tearfund, NE Youth for Christ, Oasis Aquila Housing and CARE.

BILL QUAY JUBILEE TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

We are responsible for maintenance of the building which is owned by The Methodist Church. We employ a local company to clean the building and a gardening contractor to maintain grass and flowerbeds. Future spending plans include some refurbishment of the building.

Our church is led by a team of six, who provide practical and spiritual leadership. The CIO is under the management of the six Trustees. We are delighted to welcome Jon Kitson and Judy McCartney as new trustees.

Financial review

The accounts show an excess of income over expenditure of £67,772 (2024 £17,001). The money held at the bank was £80,036 (2024 £17,841).

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Structure, governance and management

The charity is a Charitable Incorporated Organisation (CIO) set up by a trust deed dated 31 May 2023

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr J Ward

Mr D Jackson

Mrs Jane Roberts

Mr Christian Roberts

Mr Brian Askwith

(Resigned 5 September 2024)

Mr J Kitson

(Appointed 23 April 2024)

Mrs J McCartney

(Appointed 1 July 2024)

Recruitment and appointment of trustees

BILL QUAY JUBILEE TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF BILL QUAY JUBILEE TRUST

I report to the trustees on my examination of the financial statements of Bill Quay Jubilee Trust (the charity) for the year ended 5 April 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2025

1 Accounting policies

Charity information

Bill Quay Jubilee Trust is a Charitable incorporated organisation set up by a trust deed 31 May 2023. The address of the registered office is, 60 Station Road, Gateshead, Tyne And wear, NE10 0UH

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

BILL QUAY JUBILEE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

1 Accounting policies

(Continued)

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

BILL QUAY JUBILEE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

TRUSTEES' REPORT

FOR THE PERIOD ENDED 5 APRIL 2024

The trustees present their annual report and financial statements for the Period ended 5 April 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Bill Quay Jubilee Trust's objects are the prevention or relief of poverty together with religious activities. Operation as a CIO was considered more appropriate in terms of funding the Trust's debt centre work.

The Trust is involved in a number of activities to promote the advancement of the Christian religion.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Significant activities and achievements against objectives

This is first report for this new Charitable Incorporated Organisation, Bill Quay Jubilee Trust. It has been set up as a continuation of what was Heworth Christian Fellowship in order to more easily fund our debt centre work. Heworth Christian Fellowship has given Bill Quay Jubilee Trust £30,000 in order to begin the work of the new CIO. Our spending in the former half of the year has been done through Heworth Christian Fellowship.

We fund the work of the Christians Against Poverty (CAP) debt centre supported by a grant from The National Lottery Community Fund. These funds were granted to Heworth Christian Fellowship; the transfer of these funds to Bill Quay Jubilee Trust has been approved by the National Lottery. This grant pays the salary of our manager who operates the centre with support from additional volunteers. We continue to support an increasing number of people in the local area by establishing relationships and helping them to work through their problems.

As part of our commitment to the debt centre, we pay CAP for their services in supporting our Debt Centre Manager and the cost of this is significant. The Lottery grant that we received will ensure that this project is sustainable in the longer term; it provides funding until 2026. Some underspend of the grant has been carried over into the next financial year.

Our outreach projects include the Connect group who, through the charity Junction 42, support offenders in prison and upon their release. Also, Bill Quay Singers - a community choir which began in September - has attracted a number of people from the local area. They put on a Christmas concert enjoyed by many in the community. We host external community groups who use the building regularly such as WI, Pilates, Scouts, Toddlers and Operatic Society,

FOR THE PERIOD ENDED 5 APRIL 2024

Part of what we spend is the money we give away to Christian charities as regular giving. Recipients include: Junction 42; Tearfund; NE Youth For Christ; Oasis Aquila Housing; and CARE. Gifts to Tearfund have been doubled this year.

Part of the Bill Quay Jubilee Trust is Bill Quay Community Church with Sunday church services and midweek meetings. The Christingle Service included the participation of the choir from the local primary school with whom we have strong links.

We are responsible for maintenance of the building which is owned by The Methodist Church. We have carried out roof repairs, a plaster survey and some additional plastering work. We employ a local company to clean the building. We have spent some money updating the sign outside church. We employ a gardening contractor to maintain grass and flowerbeds.

Our church is led by a team of seven, who provide practical and spiritual leadership. The CIO is under the management of the four Trustees. Brian Askwith resigned as a trustee in September and we thank him for his valuable contribution.

Financial review

The accounts show an excess of income over expenditure of £17,001. The money held at the bank was £17,841.

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the Period.

Structure, governance and management

The charity is a Charitable Incorporated Organisation (CIO) set up by a trust deed dated 31 May 2023

The trustees who served during the Period and up to the date of signature of the financial statements were:

Mr J Ward	(Appointed 20 July 2023)
Mr D Jackson	(Appointed 20 July 2023)
Mrs Jane Roberts	(Appointed 20 July 2023)
Mr Christian Roberts	(Appointed 20 July 2023)
Mr Brian Askwith	(Appointed 20 July 2023 and resigned 5 September 2024)

Recruitment and appointment of trustees

Trustees are selected from members of the charity by invitation.

BILL QUAY JUBILEE TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF BILL QUAY JUBILEE TRUST

I report to the trustees on my examination of the financial statements of Bill Quay Jubilee Trust (the charity) for the Period ended 5 April 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 5 APRIL 2024

1 Accounting policies

Charity information

Bill Quay Jubilee Trust is a Charitable incorporated organisation set up by a trust deed 31 May 2024. The address of the registered office is, 60 Station Road, Gateshead, Tyne And wear, NE10 0UH

1.1 Reporting period

The Charity was Incorporated under a trust deed on the 31 May 2023. The Charity has chosen a reporting year end of 5 April 2024. As this is the first set of financial statements the figures presented only cover the period from the 31 May of 2023 through to 05 April 2024.

1.2 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1 Accounting policies

(Continued)

1.5 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
