Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p><i>The Love Grey Foundation exists to support parents, families and carers affected by premature birth, baby loss, child bereavement and early-years illness. This purpose will manifest in the following forms:</i></p> <ul style="list-style-type: none"><i>- Raising awareness of prematurity, newborn illness, stillbirth and neonatal death.</i><i>- Campaigning for better support and better continuity of support for parents and families.</i><i>- Providing resources for parents, siblings, families and carers to feel better supported, highlighting resources currently available and creating resources where they are not available.</i><i>- Supporting and funding other charities research into: the causes of prematurity and baby loss, ways to better support families, ways to better support medical professionals working in this space.</i> <p><i>The Love Grey Foundation has been created in memory of baby Grey who died when he was three weeks old. As parents who live with the loss of our child, we are in a unique position to support other families going through prematurity and baby loss. Nothing can prepare you for premature birth, severe newborn illness, or the death of a child, the trauma can leave parents and families feeling isolated, depressed, unable to cope. Day to day tasks can feel impossible and comprehensive support is so important. We will seek to support families through the creation of resources, products, campaigns and grants to other charitable organisations and initiatives operating in this space.</i></p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	There has been limited activity this year due to the Chairman and Charity lead being on Maternity Leave
