## Achievements and Performance

	SORP reference	
--	----------------	--

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>This annual report covers the second 12 months of the Corbridge Community Partnership's operation as a Charitable Incorporated Organisation.</p> <p>Corbridge Community Partnership has agreed with the Tynedale Methodist Circuit a plan to develop community use at the now closed Corbridge Methodist Church on Princes Street. The Partnership has use of the building during 2024/5 to provide some key activities, prepare plans, assess viability for future use and negotiate with the Circuit for longer term use of the building through a long lease or purchase. If this is not successful, the building will go on the open market and is likely to be sold for residential conversion or demolition and new house building.</p> <p>The "Corbridge Community Hub" will focus on providing mainly health and well-being services across the age groups and will complement the other community facilities in the village, notably the Parish Hall, which mainly offer venues to be booked by local sports, arts and hobby groups. It will also host the Corbridge Heritage Centre, connecting local people and visitors with Corbridge's fascinating history through displays and interpretation.</p> <p>The Partnership is committed to providing services which the community wants and needs, and has carried out – and continues - extensive public consultation through Corbridge Matters magazine, social media, open days, public meetings and direct contact.</p> <p>The concept is to provide a home for partner organisations to provide health and well-being services, alongside the Heritage Centre which celebrates our history and a community café at the heart of the building. Working with all parts of our village community including the most vulnerable.</p> <p>Our consultations have also included meetings both with potential charities who require a base for their community services in Corbridge and a wide range of advisors. Also meetings with our local MP, Northumberland County Council representatives and local councillor and the chair of Corbridge Parish Council. All support us in our aims and plans.</p>

## REPORT TO THE TRUSTEES OF CORBRIDGE COMMUNITY PARTNERSHIP

Whilst carrying out the review of the Income and Expenditure Account and Balance Sheet for the year to 31 May 2025, there are a number of points to which I would like to draw their attention.

Notwithstanding these matters, which are minor, I believe the accounts as drawn up fairly show the results for the year and the balance sheet represents the position of the Trust for the as at 31 May 2025

The particular points I raise are:

There are a few amounts banked for which no details are available.

These are Jane Darbyshire 3x £100, HCDW £280, Cash deposit £365, Deposit post office £755, DW boards, BMB Rem £918.

It is not possible to determine whether or not they have been correctly categorised as to which source of income they are attributed. They have therefore been classed as 'miscellaneous' which I have accepted.

As the accounts have been prepared on a cash basis, it is not possible to establish the value of any stock of apple juice as being carried at the year end. Nor is it possible to identify the total value received and sold. Owing to the nature of this income, I do not feel that there will be a better practical method of accounting for this.

As the accounts are prepared on a receipts and payments basis, and not the accruals basis, there have been no prepayments identified nor accrued costs included. This results in the repayment due from HMCR for Gift Aid not being included as the claim has not yet been submitted.

As the books are written up at intervals following the events, a more prompt book keeping should eliminate these matters.

There are three amounts shown as debtors at 31 May 2025 still outstanding which were outstanding from 31 May 2024. As these were outstanding for longer than a year, I have accepted that these are good, and recoverable as are all amounts outstanding on the debtors list. These 3 old debts total £280 and if not recoverable and will be written off in the current year.

There are a number of payments of expenses out of petty cash for which there are no receipts available and the petty cash is not fully described as having been expended but I

have been assured by management that a system is now in place to ensure this does not happen in future.

Notwithstanding these points, they are not material and therefor do not detract from the understanding of the accounts prepared.
