

CYLCH HADAU'R NANT – CHARITY NUMBER **1203402**

The above numbered Charity has been set up however it has not started trading and will not until at least April of this year. We are awaiting a new purpose built building to be ready for the Cylch Meithrin to move into. It was supposed to be ready for October 2024 however, there have been delays and the new date is Easter 2025.

Thus the reason for the return being Zero
